RE: 401K 5500 Filing for 2013

My 5500 form for 2013 was not submitted on time. This is the first year that I had a 401K plan for my small company and was not aware that this form was required to be submitted. Being a small business a lot of these filings and reporting fall on my shoulders and I just wasn't aware of the 5500 filing requirement. I was just made aware of it today and am taking immediate action to get this situation corrected as quickly as possible.

Now that I am know the requirements for running a 401k plan this will not occur again in the future.

I am hoping that you can be flexible with me and waive any penalties or fines that may be due to the late filing.

Thank you,
