INDEPENDENT AUDITOR'S REPORT

Plan Administrator
APHRB Chicago, LLC 401(k) Plan
San Diego, California

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the APHRB Chicago, LLC 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statement of changes in net assets available for benefits for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note J, which was certified by John Hancock Life Insurance Company (USA), the Custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Custodian as of and for the years ended December 31, 2012 and 2011, that the information provided to the Plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions, which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

As described in Note B, the financial statements and supplemental schedules were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

APHRB Chicago, LLC 401(k) Plan Notes to Financial Statements

A. DESCRIPTION OF PLAN

The following description of the APHRB Chicago, LLC 401(k) Plan (Plan) provides general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1999 as a participant – directed defined contribution plan. The Plan is a multiple employer plan that covers all eligible employees of APHRB, LLC dba AmCheck San Diego (the Company), the Plan Sponsor, and other adopting companies (Adopting Companies). The Plan allows for any business entity, with the approval of Plan management, to adopt the Plan and thereby become an Adopting Company. Notwithstanding the adoption of the Plan by other entities, the Plan is administrated as a single plan and all Plan assets are available to pay benefits to all participants under the Plan, unless otherwise required by applicable law governing multiple employer plans. Each Adopting Company has the right to withdraw from the Plan by providing written notification to the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following companies were Adopting Companies during the year ended December 31, 2012 and, as such, all information and financial data included in these financial statements, supplemental schedules and notes thereto relate to the Plan assets of all these companies.

Eligibility

The Plan covers all eligible employees of the Adopting Companies as defined in the Plan document and adoption agreements. Each Adopting Company may designate the parameters for eligibility requirements for participation in the Plan as well as employer contributions, if any. Participant entry dates vary by Adopting Company and are defined in the respective Adopting Company's adoption agreements.

Contributions

The Plan allows for automatic enrollment. At the election of the Adopting Employer, and upon eligibility, employees are automatically enrolled in the Plan at a specified deferral rate determined by the Adopting Employer, unless they opt out of participating in the Plan. Each year, plan participants may contribute between 1% and 92% of pre-tax annual compensation, as defined in the Plan.

APHRB Chicago, LLC 401(k) Plan

Notes to Financial Statements

A. DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

Participants have the option to contribute either through pre-tax 401(k) contributions, Roth 401(k) Contributions or a combination of both. Participants may change their deferral percentage each pay period. Participants may also contribute amounts representing distributions from other qualified retirement plans. The Plan provides for employer matching contributions, employer discretionary contributions and profit sharing contributions as set forth in the adoption agreements of each respective Adopting Company. Participating employers, at their discretion, may match employee contributions based on a specified percentage of the elective contribution made by the participant. The percent of the matching contribution is determined by the participating employer. The Plan also provides for discretionary contributions by the Adopting Employers to the Plan in such amounts as the Board of Directors of each of the Companies shall determine each year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to reduce the employer contributions of the respective Adopting Companies in the Plan. The Plan did not use any forfeitures to reduce employer matching contributions during the year ended December 31, 2012. At December 31, 2012, forfeitures totaling \$34,621 were available to reduce future employer contributions of the respective Adopting Employers. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Adopting Company's employer contribution portion of their account plus actual earnings thereon is based on years of continuous service. Participant vesting schedules vary by Adopting Company and are defined in the respective Adopting Company's adoption agreements.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are repaid in regular installments no less frequently than monthly, by means of payroll deductions. The term of the loan may not exceed 5 years. If the purpose of the loan is for purchase or construction of a principal residence of the participant, then the term of the loan may not exceed 30 years. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loans fund. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent. Interest rates ranged from 3.25% to 10.25% at December 31, 2012. Principal and interest is paid ratably through payroll deductions.

APHRB Chicago, LLC 401(k) Plan

Notes to Financial Statements

A. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Participants are eligible to receive a lump-sum distribution of benefits upon termination of employment, death, disability, retirement or Plan termination. Distributions may also be made for hardship withdrawals, which are authorized by the Plan administrator and conform to the “deemed hardship” standards set forth in Treasury Regulation Section 1.401(k)(d)(2). Such hardship distributions are subject to certain limitations.

Investment Options

John Hancock Life Insurance Company (USA), (“Custodian” or “John Hancock”) under a trust agreement, holds the assets of the Plan, including all contributions and earnings thereon. Upon enrollment in the Plan, participants may direct contributions to a variety of investment options.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the modified cash basis of accounting. Under this method of accounting, contributions and revenues are recognized when received, rather than when earned, and expenses are recorded when paid rather than when incurred.

Accounting Estimates

The Plan administrator uses estimates and assumptions in preparing the Plan’s financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported changes in net assets. Actual results could vary from the estimates that were used.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market fluctuation and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Valuation of Investments and Income Recognition (Continued)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

Plan Expenses

The Company sponsors the Plan. Plan sponsor personnel perform various administrative services for the Plan. The payroll and related overhead costs associated with these services are not included as Plan expenses. Administrative expenses of the Plan, including recordkeeping, consulting, investment, legal, and audit fees, are paid by the Plan sponsor.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review

The date to which events occurring after December 31, 2012, the date of the most recent statement of net assets available for benefits, have been evaluated for possible adjustments to the financial statements or disclosures is December 29, 2014, which is the date on which the financial statements were available to be issued.

C. INCOME TAX STATUS

The Plan has not obtained an IRS determination letter for the Plan, in which the Internal Revenue Service states that the Plan, as designed, is in compliance with the applicable requirements of the Internal Revenue Code. However, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

D. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be entitled to their entire account balance.

E. PARTY-IN-INTEREST

There were no party-in-interest transactions between the Plan and John Hancock Life Insurance Company (USA), the Custodian, other than the payment of investment fees from Plan assets for services rendered.

F. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements), and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this topic are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2012 and 2011.

Pooled separate accounts and interest bearing cash: Valued based on the Plan's pro rate share of fund equity as determined by the custodian, based in the fair values of the underlying investments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
