Report of Independent Auditors

To the Retirement Committee of the
Superior Machine Company of SC, Inc. Savings Incentive Plan

We were engaged to audit the accompanying financial statements of the Superior Machine Company of SC, Inc. Savings Incentive Plan (the “Plan”), which comprise the statements of net assets available for plan benefits as of March 31, 2014 and 2013, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan’s investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended March 31, 2014 and 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

To the Retirement Committee of the
Superior Machine Company of SC, Inc. Savings Incentive Plan

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes at end of year, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Superior Machine Company of SC, Inc. Savings Incentive Plan
Notes to Financial Statements
March 31, 2014 and 2013

1. Description of Plan

The following description of the Superior Machine Company of SC, Inc. Savings Incentive Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Superior Machine Company of South Carolina, Inc. (the “Company”) who have completed ninety days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Contributions to the Plan are made by the Company and its employees. Employee salary reduction contributions range between one percent and one hundred percent of the employee’s salary subject to certain Internal Revenue Code (“IRC”) limitations. The Company may make a discretionary matching and/or a profit sharing contribution. The Company made discretionary contributions of approximately \$87,000 and \$82,000 for the years ended March 31, 2014 and 2013, respectively.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans.

Participant Accounts

Each participant's account is credited with the participant’s contribution, allocations of the Company’s contributions, if any, and Plan earnings. Each participant’s account is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Forfeitures of the non-vested portion of terminated participants account balances remain in the Plan. These forfeitures may be used for paying administrative expenses and/or reducing employer contributions. At March 31, 2014 and 2013, there were no significant forfeiture balances.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Vesting is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	50%
3	100%

1. Description of Plan (continued)

Participant Loans Receivable

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to Internal Revenue Service ("IRS") guidelines. Terms range from one to five years and loans bear interest at prime plus one percent at the date the loan is issued. Interest rates on outstanding loans range from 4.25% to 10.50% at March 31, 2014 and 2013. Each loan is collateralized by the balance in the participant's account.

Payment of Benefits

Upon retirement, disability, death, termination of employment or attainment of age 59½, participants or their beneficiaries may elect to receive their vested portion of Plan assets. While employed by the Company, participants are permitted to withdraw funds before age 59½ only in cases of severe financial hardship.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Participant Loans Receivable

Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values in investment securities will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are held in mutual funds and common/collective trusts by Wells Fargo Bank, N.A. (the "Trustee").

Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. The net appreciation/depreciation in fair value of investments represents (1) the difference between the fair value of the investments held at year-end and either the fair value at the end of the preceding year or the actual cost if purchased later, and (2) realized gains or losses on sales of investments. The average cost basis is used in determining the cost of investments sold.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis.

In accordance with GAAP, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the term of the Plan. Contract value represents contributions made, plus earnings, less withdrawals and administrative expenses.

Participants who withdraw amounts that are invested in fully benefit-responsive contracts prior to the termination of the contract are subject to withdrawal charges equal to the difference between the guaranteed interest rate in effect for new contributions at the date of surrender and the composite guaranteed rate of the investments being surrendered, multiplied by the number of years or portion thereof remaining in the contract period, multiplied by the total amount being surrendered.

In this regard, the Plan's investments include certain common/collective trusts that invest in a variety of fully benefit-responsive investment contracts. The accompanying statements of net assets available for plan benefits present the investments at fair value, as well as an additional line showing an adjustment to contract value. The accompanying statements of changes in net assets available for benefits are presented based on contract value.

Administrative Expenses

The Plan pays all custodial and recordkeeping fees. All other professional fees are paid by the Company.

Reclassifications

Certain amounts in the 2013 financial statements have been reclassified to conform to the 2014 financial statement presentation.

3. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were used by the Plan, and Level 2 inputs were only used when Level 1 inputs were not available.

The following tables present fair value measurement information for the Plan's investments:

	At March 31, 2014		
	Quoted Market Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Total
Mutual funds:			
Balanced funds	\$ 600,297	\$ --	\$ 600,297

Total investments	\$ 824,425	\$ 3,524,516	\$ 4,348,941

Level 1 Fair Value Measurements- The fair value of mutual funds is based on quoted market prices of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements- Common/collective trust funds are stated at fair value as determined by the issuer of the common/collective trust funds based on the fair value of the underlying investments.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Investments

Individual investments (all of which are participant directed, and which have been certified by the Trustee), that represent 5% or more of the Plan's net assets available for Plan benefits are as follows:

	March 31,	
	2014	2013
Wells Fargo Stable Return Fund N	\$ 2,725,537	\$ 2,695,621
Wells Fargo Enhanced Stock Market Fund N	818,450	675,957
Oakmark Equity & Income Fund - II	370,919	298,763
All others, less than 5%	889,836	678,600
	<hr/>	<hr/>
Total investments at fair value	\$ 4,804,742	\$ 4,348,941
	<hr/>	<hr/>

During 2014 and 2013, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by approximately \$305,000 and \$218,000, respectively.

5. Party-in-Interest Transactions

Plan investments are managed by the Trustee. All transactions with the Trustee qualify as party-in-interest transactions. Fees paid by the Plan to the Trustee for custodial, recordkeeping, and investment advisory services amounted to approximately \$27,000 and \$23,000 for the years ended March 31, 2014 and 2013, respectively.

6. Income Tax Status

On March 31, 2008, the IRS stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended and restated to comply with legislative actions since adopting the prototype.

The Plan administrator believes the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and believes the Plan is qualified and the related trust was tax-exempt, therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities are identified at March 31, 2014 and 2013. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any open tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

Notes to Financial Statements
March 31, 2014 and 2013

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. Reconciliation of Audited Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	March 31,	
	2014	2013
Net assets available for benefits per the financial statements	\$ 4,998,451	\$ 4,505,642

Adjustment for current year excess contributions liability	40,000	9,892
Adjustment for prior year employer contribution receivable	81,550	--
Adjustment for employer contribution receivable	(87,237)	(81,550)
Net increase per Form 5500	<u>\$ 517,230</u>	<u>\$ 374,641</u>

9. Subsequent Events

The Plan evaluated events and transactions after March 31, 2014 through January 12, 2015, the date the financial statements were available to be issued, for subsequent events and determined that there were no events to report during that period.

Report of Independent Auditors

To the Retirement Committee of the
Superior Machine Company of SC, Inc. Savings Incentive Plan

We were engaged to audit the accompanying financial statements of the Superior Machine Company of SC, Inc. Savings Incentive Plan (the “Plan”), which comprise the statements of net assets available for plan benefits as of March 31, 2014 and 2013, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan’s investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended March 31, 2014 and 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

To the Retirement Committee of the
Superior Machine Company of SC, Inc. Savings Incentive Plan

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes at end of year, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Superior Machine Company of SC, Inc. Savings Incentive Plan
Notes to Financial Statements
March 31, 2014 and 2013

1. Description of Plan

The following description of the Superior Machine Company of SC, Inc. Savings Incentive Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Superior Machine Company of South Carolina, Inc. (the “Company”) who have completed ninety days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Contributions to the Plan are made by the Company and its employees. Employee salary reduction contributions range between one percent and one hundred percent of the employee’s salary subject to certain Internal Revenue Code (“IRC”) limitations. The Company may make a discretionary matching and/or a profit sharing contribution. The Company made discretionary contributions of approximately \$87,000 and \$82,000 for the years ended March 31, 2014 and 2013, respectively.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans.

Participant Accounts

Each participant's account is credited with the participant’s contribution, allocations of the Company’s contributions, if any, and Plan earnings. Each participant’s account is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Forfeitures of the non-vested portion of terminated participants account balances remain in the Plan. These forfeitures may be used for paying administrative expenses and/or reducing employer contributions. At March 31, 2014 and 2013, there were no significant forfeiture balances.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Vesting is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	50%
3	100%

Superior Machine Company of SC, Inc. Savings Incentive Plan
Notes to Financial Statements
March 31, 2014 and 2013

1. Description of Plan (continued)

Participant Loans Receivable

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to Internal Revenue Service ("IRS") guidelines. Terms range from one to five years and loans bear interest at prime plus one percent at the date the loan is issued. Interest rates on outstanding loans range from 4.25% to 10.50% at March 31, 2014 and 2013. Each loan is collateralized by the balance in the participant's account.

Payment of Benefits

Upon retirement, disability, death, termination of employment or attainment of age 59½, participants or their beneficiaries may elect to receive their vested portion of Plan assets. While employed by the Company, participants are permitted to withdraw funds before age 59½ only in cases of severe financial hardship.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Participant Loans Receivable

Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values in investment securities will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Notes to Financial Statements
March 31, 2014 and 2013

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are held in mutual funds and common/collective trusts by Wells Fargo Bank, N.A. (the "Trustee").

Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. The net appreciation/depreciation in fair value of investments represents (1) the difference between the fair value of the investments held at year-end and either the fair value at the end of the preceding year or the actual cost if purchased later, and (2) realized gains or losses on sales of investments. The average cost basis is used in determining the cost of investments sold.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis.

In accordance with GAAP, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the term of the Plan. Contract value represents contributions made, plus earnings, less withdrawals and administrative expenses.

Participants who withdraw amounts that are invested in fully benefit-responsive contracts prior to the termination of the contract are subject to withdrawal charges equal to the difference between the guaranteed interest rate in effect for new contributions at the date of surrender and the composite guaranteed rate of the investments being surrendered, multiplied by the number of years or portion thereof remaining in the contract period, multiplied by the total amount being surrendered.

In this regard, the Plan's investments include certain common/collective trusts that invest in a variety of fully benefit-responsive investment contracts. The accompanying statements of net assets available for plan benefits present the investments at fair value, as well as an additional line showing an adjustment to contract value. The accompanying statements of changes in net assets available for benefits are presented based on contract value.

Administrative Expenses

The Plan pays all custodial and recordkeeping fees. All other professional fees are paid by the Company.

Reclassifications

Certain amounts in the 2013 financial statements have been reclassified to conform to the 2014 financial statement presentation.

Superior Machine Company of SC, Inc. Savings Incentive Plan
Notes to Financial Statements
March 31, 2014 and 2013

3. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were used by the Plan, and Level 2 inputs were only used when Level 1 inputs were not available.

The following tables present fair value measurement information for the Plan's investments:

	At March 31, 2014

Total investments	\$ 824,425	\$ 3,524,516	\$ 4,348,941

Level 1 Fair Value Measurements- The fair value of mutual funds is based on quoted market prices of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements- Common/collective trust funds are stated at fair value as determined by the issuer of the common/collective trust funds based on the fair value of the underlying investments.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Investments

Individual investments (all of which are participant directed, and which have been certified by the Trustee), that represent 5% or more of the Plan's net assets available for Plan benefits are as follows:

	March 31,	
	2014	2013
Wells Fargo Stable Return Fund N	\$ 2,725,537	\$ 2,695,621
Wells Fargo Enhanced Stock Market Fund N	818,450	675,957
Oakmark Equity & Income Fund - II	370,919	298,763
All others, less than 5%	889,836	678,600
	<hr/>	<hr/>
Total investments at fair value	\$ 4,804,742	\$ 4,348,941
	<hr/>	<hr/>

During 2014 and 2013, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by approximately \$305,000 and \$218,000, respectively.

5. Party-in-Interest Transactions

Plan investments are managed by the Trustee. All transactions with the Trustee qualify as party-in-interest transactions. Fees paid by the Plan to the Trustee for custodial, recordkeeping, and investment advisory services amounted to approximately \$27,000 and \$23,000 for the years ended March 31, 2014 and 2013, respectively.

6. Income Tax Status

On March 31, 2008, the IRS stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended and restated to comply with legislative actions since adopting the prototype.

The Plan administrator believes the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and believes the Plan is qualified and the related trust was tax-exempt, therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities are identified at March 31, 2014 and 2013. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any open tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

Notes to Financial Statements
March 31, 2014 and 2013

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. Reconciliation of Audited Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	March 31,	
	2014	2013
Net assets available for benefits per the financial statements	\$ 4,998,451	\$ 4,505,642

Report of Independent Auditors

To the Retirement Committee of the
Superior Machine Company of SC, Inc. Savings Incentive Plan

We were engaged to audit the accompanying financial statements of the Superior Machine Company of SC, Inc. Savings Incentive Plan (the “Plan”), which comprise the statements of net assets available for plan benefits as of March 31, 2014 and 2013, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan’s investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended March 31, 2014 and 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

To the Retirement Committee of the
Superior Machine Company of SC, Inc. Savings Incentive Plan

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes at end of year, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Superior Machine Company of SC, Inc. Savings Incentive Plan
Notes to Financial Statements
March 31, 2014 and 2013

1. Description of Plan

The following description of the Superior Machine Company of SC, Inc. Savings Incentive Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Superior Machine Company of South Carolina, Inc. (the “Company”) who have completed ninety days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Contributions to the Plan are made by the Company and its employees. Employee salary reduction contributions range between one percent and one hundred percent of the employee’s salary subject to certain Internal Revenue Code (“IRC”) limitations. The Company may make a discretionary matching and/or a profit sharing contribution. The Company made discretionary contributions of approximately \$87,000 and \$82,000 for the years ended March 31, 2014 and 2013, respectively.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans.

Participant Accounts

Each participant's account is credited with the participant’s contribution, allocations of the Company’s contributions, if any, and Plan earnings. Each participant’s account is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Forfeitures of the non-vested portion of terminated participants account balances remain in the Plan. These forfeitures may be used for paying administrative expenses and/or reducing employer contributions. At March 31, 2014 and 2013, there were no significant forfeiture balances.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Vesting is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	50%
3	100%

Superior Machine Company of SC, Inc. Savings Incentive Plan
Notes to Financial Statements
March 31, 2014 and 2013

1. Description of Plan (continued)

Participant Loans Receivable

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to Internal Revenue Service ("IRS") guidelines. Terms range from one to five years and loans bear interest at prime plus one percent at the date the loan is issued. Interest rates on outstanding loans range from 4.25% to 10.50% at March 31, 2014 and 2013. Each loan is collateralized by the balance in the participant's account.

Payment of Benefits

Upon retirement, disability, death, termination of employment or attainment of age 59½, participants or their beneficiaries may elect to receive their vested portion of Plan assets. While employed by the Company, participants are permitted to withdraw funds before age 59½ only in cases of severe financial hardship.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Participant Loans Receivable

Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values in investment securities will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Superior Machine Company of SC, Inc. Savings Incentive Plan
Notes to Financial Statements
March 31, 2014 and 2013

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are held in mutual funds and common/collective trusts by Wells Fargo Bank, N.A. (the "Trustee").

Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. The net appreciation/depreciation in fair value of investments represents (1) the difference between the fair value of the investments held at year-end and either the fair value at the end of the preceding year or the actual cost if purchased later, and (2) realized gains or losses on sales of investments. The average cost basis is used in determining the cost of investments sold.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis.

In accordance with GAAP, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the term of the Plan. Contract value represents contributions made, plus earnings, less withdrawals and administrative expenses.

Participants who withdraw amounts that are invested in fully benefit-responsive contracts prior to the termination of the contract are subject to withdrawal charges equal to the difference between the guaranteed interest rate in effect for new contributions at the date of surrender and the composite guaranteed rate of the investments being surrendered, multiplied by the number of years or portion thereof remaining in the contract period, multiplied by the total amount being surrendered.

In this regard, the Plan's investments include certain common/collective trusts that invest in a variety of fully benefit-responsive investment contracts. The accompanying statements of net assets available for plan benefits present the investments at fair value, as well as an additional line showing an adjustment to contract value. The accompanying statements of changes in net assets available for benefits are presented based on contract value.

Administrative Expenses

The Plan pays all custodial and recordkeeping fees. All other professional fees are paid by the Company.

Reclassifications

Certain amounts in the 2013 financial statements have been reclassified to conform to the 2014 financial statement presentation.

Notes to Financial Statements
March 31, 2014 and 2013

3. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were used by the Plan, and Level 2 inputs were only used when Level 1 inputs were not available.

The following tables present fair value measurement information for the Plan's investments:

At March 31, 2014			
	Quoted Market Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Total
Mutual funds:			
Balanced funds	\$ 600,297	\$ --	\$ 600,297

3. Fair Value Measurements (continued)

	At March 31, 2013		
	Quoted Market Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Total
Mutual funds:			
Balanced funds	\$ 465,346	\$ --	\$ 465,346

Total mutual funds	824,425	--	824,425
Common/collective trusts	--	3,524,516	3,524,516
Total investments	\$ 824,425	\$ 3,524,516	\$ 4,348,941

Level 1 Fair Value Measurements- The fair value of mutual funds is based on quoted market prices of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements- Common/collective trust funds are stated at fair value as determined by the issuer of the common/collective trust funds based on the fair value of the underlying investments.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Investments

Individual investments (all of which are participant directed, and which have been certified by the Trustee), that represent 5% or more of the Plan's net assets available for Plan benefits are as follows:

	March 31,	
	2014	2013
Wells Fargo Stable Return Fund N	\$ 2,725,537	\$ 2,695,621
Wells Fargo Enhanced Stock Market Fund N	818,450	675,957

All others, less than 5%	889,836	678,600
	<hr/>	<hr/>
Total investments at fair value	\$ 4,804,742	\$ 4,348,941
	<hr/> <hr/>	<hr/> <hr/>

During 2014 and 2013, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by approximately \$305,000 and \$218,000, respectively.

5. Party-in-Interest Transactions

Plan investments are managed by the Trustee. All transactions with the Trustee qualify as party-in-interest transactions. Fees paid by the Plan to the Trustee for custodial, recordkeeping, and investment advisory services amounted to approximately \$27,000 and \$23,000 for the years ended March 31, 2014 and 2013, respectively.

6. Income Tax Status

On March 31, 2008, the IRS stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended and restated to comply with legislative actions since adopting the prototype.

The Plan administrator believes the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and believes the Plan is qualified and the related trust was tax-exempt, therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities are identified at March 31, 2014 and 2013. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any open tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

Notes to Financial Statements
March 31, 2014 and 2013

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. Reconciliation of Audited Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	March 31,	
	2014	2013
Net assets available for benefits per the financial statements	\$ 4,998,451	\$ 4,505,642

Adjustment for employer contribution receivable	(87,237)	(81,550)
Net increase per Form 5500	<u>\$ 517,230</u>	<u>\$ 374,641</u>

9. Subsequent Events

The Plan evaluated events and transactions after March 31, 2014 through January 12, 2015, the date the financial statements were available to be issued, for subsequent events and determined that there were no events to report during that period.
