NOTE 1. PLAN DESCRIPTION

The following description of the PRL Glass Systems, Inc. Profit Sharing Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees, as defined in the Plan, who have completed one year of service with PRL Glass Systems, Inc. (the "Company" and the "Plan Sponsor") and have attained 21 years of age. In addition, employees must be employed on the last day of the Plan year to be eligible for the Company contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On April 1, 2013, the Company authorized the termination of the Plan and all participants in the Plan became fully vested. The Company began liquidating the Plan during 2013, and the Plan was fully liquidated as of March 31, 2014.

Contributions

Company contributions are discretionary and are determined by the Company. No Company contributions were made for the period ended March 31, 2014.

Participant Accounts

Each participant's account is credited with allocations of the Company contributions, if any, forfeitures and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Prior to April 1, 2013 vesting of participant accounts in the Company contributions portion of their accounts was based on years of service. Participants were vested in Company contributions at 20 percent after two years of service and an additional 20 percent each year thereafter until 100 percent vested upon six years of service. Effective April 1, 2013, all participants became fully vested.

Forfeitures

Forfeitures of Company contributions may be used to pay Plan administrative expenses or to reduce future Company contributions. For the period ended March 31, 2014, forfeitures of $47 were used to pay Plan administrative expenses. As of March 31, 2014 no forfeitures were available for future use.

NOTE 1. PLAN DESCRIPTION (Continued)

Payment of Benefits

Participants may receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, or an annuity as permitted under the Plan (see Note 4).

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the liquidation basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from information provided by Massachusetts Mutual Life Insurance Company in its capacity as administrative services agent for contracts issued by Hartford Life Insurance Company, and Hartford Life Insurance Company (collectively, the "Custodians").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value which is the equivalent to liquidation basis. The investments and changes therein of the funds have been reported to the Plan by the Custodians using fair value.

Investments are valued daily. Interest income is recorded on a liquidation basis.

Administrative Expenses

Certain administrative expenses incidental to the administration of the Plan, including fees of the Custodians and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefits Payable to Participants

Benefits are recorded when paid.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2014 and December 31 2013.

Pooled Separate Accounts – Valued at the liquidation value, calculated by taking the net asset value ("NAV") of units of a pooled separate account ("PSA") maintained by an insurance company held by the Plan at year-end, and adjusted for earnings and expenses through the Plan's final liquidation. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. The PSA NAV is not a publicly-quoted price in an active market, therefore, the PSA are classified as Level 2 within the valuation hierarchy.

Guaranteed Interest Contract ("GIC") — Valued at liquidation value, which is equivalent to fair value, by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer and therefore classified as Level 2 within the valuation hierarchy.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The PSA do not have any unfunded commitments relating to their investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

All of the Plan's investments are Level 2 and the following table sets forth, by investment type, the Plan's investments at fair value as of December 31, 2013:

PSA:	
Growth funds	$ 152,907
Blend funds	79,535
Value funds	82,245
Fixed income funds	83,073
GIC	5,449
Total investments at fair value	$ 403,209

NOTE 3. INVESTMENTS

Investment options are selected by the Plan Sponsor and are participant-directed. The participants have several investments they can choose from.

The following presents investments that represent five percent or more of the Plan's net assets at December 31, 2013:

American Funds Growth Fund of America	$ 71,400
AllianceBernstein International Growth Fund	33,078
Davis New York Venture Fund	65,234
Eaton Vance Large Cap Value Fund	41,274
Oppenheimer International Bond Fund	19,891
Oppenheimer Main Street Opportunity Fund	22,965
Pioneer Strategic Income Fund	45,137
Thornburg Core Growth Fund	25,464
AllianceBernstein International Value Fund	40,971

NOTE 4. PLAN TERMINATION

Effective April 1, 2013, the Company authorized the termination of the Plan. Upon termination of the Plan all affected participants became fully vested in their accounts and were given the option to elect a lump sum payment or an individual retirement account rollover ("IRA") to a qualified institution. Funds for participants who did not respond to the Company's notices of termination were distributed to Millenium Trust Company in the form of an IRA. The Company began liquidating the Plan during 2013, and the Plan was fully liquidated as of March 31, 2014.

NOTE 5. TAX STATUS

The Plan Sponsor obtained its latest determination letter on July 7, 2010 in which the IRS stated that the Plan is in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Company believes that the Plan currently is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2014, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 6. FINANCIAL DATA CERTIFIED BY THE CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Custodians and was not subjected to any auditing procedures performed by the independent public accountants:

a. Participant-directed investments as shown in the accompanying statements of net assets available for plan benefits in liquidation as of March 31, 2014 and December 31, 2013.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS
