INDEPENDENT AUDITORS' REPORT

To the Trustees
Diamond Rental 401(k) Plan
Salt Lake City, Utah

Report on the Financial Statements

We have audited the accompanying financial statements of the Diamond Rental 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of March 31, 2014 and 2013, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Diamond Rental 401(k) Plan as of March 31, 2014 and 2013, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information in the accompanying Schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

DIAMOND RENTAL 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
March 31, 2014 and 2013

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Diamond Rental (the Sponsor) 401(k) (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General - The Plan is a defined contribution plan covering all full-time employees of the Sponsor who have had three months of service and have attained the age of twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions - Each year, participants may elect to defer a portion of compensation as a pre-tax and/or Roth elective deferral. The Sponsor may make discretionary matching contributions, profit sharing contributions, or both. On January 1, 2014, the Sponsor began making matching contributions again.

C. Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is as follows:

Years of Service	Vested Percentage
Less than two years	0 %
At least two years	0 %
At least three years	100 %

Participants receive a year of service credit for purposes of vesting for each Plan year during which they work at least 1,000 hours for the Sponsor. If a participant dies, becomes disabled, or reaches the normal retirement age of 65 while employed by the Sponsor, the participant's interest in the Plan becomes 100 percent non-forfeitable without regard to the graduated vesting schedule.

E. Payment of Benefits - On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

F. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator.

G. Forfeited Accounts - Any money left behind by a terminated participant who is not fully vested will be used to pay any administrative expenses first and then used to offset future Sponsor contributions. At March 31, 2014 and 2013, the forfeited nonvested accounts totaled $119 and $458, respectively. No forfeitures were used to reduce administrative expenses or Sponsor contributions during the years ended March 31, 2014 and 2013.

H. Administrative Expenses - Significant administrative expenses of the Plan are paid by the Sponsor.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation

Investments are reported at fair value. Fair value is defined as the amount that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The following hierarchy prioritizes the inputs to valuation methodologies used to measure fair value:

- Level 1 inputs, which have the highest priority, are quoted prices for identical assets in active markets.
- Level 2 inputs are observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets in active markets or quoted prices for identical or similar assets in markets that are not active.
- Level 3 inputs, which have the lowest priority, are unobservable inputs that reflect the Plan's own assumptions, consistent with reasonably available assumptions made by other market participants.

The plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in accordance with the requirements to qualify for tax-exempt status.

The plan administrator believes the Plan is no longer subject to income tax examination for years prior to 2011.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
