INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Scot Industries, Inc. Profit Sharing Plan and Trust

We have audited the accompanying financial statements of Scot Industries, Inc. Profit Sharing Plan and Trust (Plan), which comprise the statements of net assets available for benefits as of June 30, 2014 and 2013, and the related statement of changes in net assets available for benefits for the year ended June 30, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Scot Industries, Inc. Profit Sharing Plan and Trust as of June 30, 2014 and 2013, and the changes in its net assets available for benefits for the year ended June 30, 2014 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year), referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Scot Industries, Inc. Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a profit sharing plan covering all employees of Scot Industries, Inc. (Company). Full time employees become participants on their date of hire. Part time employees become participants on the first day of the month following the completion of the 12 month period in which they complete 1,000 hours of employment. Participants are eligible for profit sharing if they are employed at the end of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Scot Industries, Inc. is the Plan Sponsor.

PLAN ADMINISTRATION

The Plan is administered by the Profit Sharing Plan Committee. Officers or employees of the Company perform certain administrative functions. No such officer or employee receives compensation from the Plan. The Company pays administrative expenses of maintaining the Plan.

CONTRIBUTIONS

Contributions to the Plan are at the discretion of the Board of Directors of the Company and are allocated to each participant based upon the participant's annual covered compensation. Employee contributions are neither required nor allowed.

PARTICIPANT ACCOUNTS

Each participant's account is credited with an allocation of the Company's contribution, plan earnings, and forfeitures of terminated participants' non-vested accounts. Allocations of plan earnings are based on participant account balances as defined. Allocations of employer contributions and forfeitures are based on covered compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

INVESTMENT OPTIONS

The assets of the Plan are invested by the Trustees, Thomas S. Wilmeth and Steven L. Wilmeth. Plan assets are invested for the benefit of the Plan participants with prudent care and in accordance with the authority granted by the Plan document.

Each participant may elect to segregate their account for investment in a guaranteed principal account, such as a savings account or money market account. Those participants will only be credited with earnings from their segregated account. At June 30, 2014 and 2013, the value of segregated accounts was $60,317 and $157,596, respectively.

VESTING

Participant accounts vest 20 percent per completed year of service beginning with the completion of year two, and the accounts are then fully vested after six years of service. Any person leaving the Plan prior to being 100 percent vested forfeits the non vested portion of their account.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

PAYMENT OF BENEFITS

On termination of service due to death, disability, or normal retirement age, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or installments. However, installments are limited to one per year. Upon termination, a participant cannot receive a distribution until after the fourth June 30th following their termination or, if earlier, the attainment of age 60 (retirement age as defined by the Plan). At that time, a terminated participant's distribution must be a lump sum.

If, by the determination of the Plan Administrator, an active employee suffers a true economic hardship, he or she may receive a distribution of part or all of his vested account balance. Circumstances that may be considered include an illness or death in the family, educational expenses, or the purchase of a family home.

FORFEITURE ACCOUNTS

Forfeitures are allocated to eligible participants' accounts on the last day of the Plan year based on their rate of compensation. Participants must be employed on the last day of the Plan year to receive an allocation. Forfeitures for the year ended June 30, 2014 were $904,640.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION

Investments are reported at fair value. Fair value is based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through November 21, 2014, the date the financial statements were available to be issued.

NOTE 3 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated October 21, 2009, that the Plan is qualified and the Trust established under the Plan is tax-exempt, under the appropriate sections of the code. The Plan Administrator does not anticipate that changes in the Plan after the date of the amendments covered by the Internal Revenue Service determination letter will affect the qualified and tax-exempt status of the Plan and the Trust, respectively. In addition, the Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2010.

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosure,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritized the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identifiable assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The applicable level of the fair value hierarchy is described below:

Level 1: The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2014 and 2013:

Money market fund: valued at the daily closing price as reported by the funds.

Mutual funds: fair value is based on quoted net asset values of the shares held by the Plan at year-end.

NOTE 5 - FAIR VALUE MEASUREMENTS - CONTINUED

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2014 and 2013:

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in mutual funds and a money market fund. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8 - RELATED PARTY TRANSACTIONS

Plan investments are shares of mutual funds held by Vanguard. Vanguard is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.
