Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Micro-Mode Products, Inc. 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Ascensus, Inc., the third-party administrator of the Plan, acting as an agent for Frontier Trust Company, the trustee, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2013 and 2012, and for the year ended December 31, 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements. Accordingly, we do not express an opinion on the financial statements.

Other Matter – Supplementary Information

The Schedule H, line 4(i) – Schedule of assets (held at end of year) as of December 31, 2013 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplementary information.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary information, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

RE: Reasonable Cause For Waiving Late Filed Return Penalties
Form 5500 filing for MICRO-MODE PRODUCTS, INC. 401(K)
EIN # 95-2679867
Plan # 001
Plan Year Ending: 12/31/2013

To Jose Irizarry

This letter accompanies the Form 5500 filing for the plan and year-end listed above. The purpose of this letter is to address the late filing of the Form 5500 for Micro-Mode Products, and request that any late filing penalties or DFVC charges be waived as we believe reasonable cause exists for the late filing.

The Form 5500 for the plan referenced above was not filed timely due to technical problems outside of our control. The Form 5500 software vendor experienced an isolated system event which prevented Micro-Mode Products from filing. While updating the Form 5500 to attach the original Reasonable Cause Statement letter (copy enclosed), a clerical error was made and the DFVC box was inadvertently checked on the Form 5500. Our intention was to file as quickly as possible upon discovery of the missed filing and, believing that reasonable cause existed, attempted to do so by attaching documentation demonstrating Reasonable Cause to the filing that occurred on November 6, 2014.

It is our understanding the Form 5500 should have been filed on October 15, 2014 but due to a Relius Government Forms Web Client issue and then a clerical error, the form was not filed in a timely manner. The Form 5500 was prepared and was filed as soon as possible upon discovery of the omission. We will file an amended Form 5500 for Plan Year End December 31, 2013 with both the original Reasonable Cause Statement letter and this letter as well.

Our failure to timely file the Form 5500 was not deliberate or willful. Since the inception of the plan we have diligently followed the rules and regulations applicable to our qualified retirement plan and filed the appropriate tax forms. We pride ourselves on providing our participants with a quality retirement plan. Therefore, we respectfully request that any penalties be waived.

If you require additional information concerning the late filing please contact me at (619) 449-3844.

Sincerely,

Gerald Himaka
Plan Administrator

Re: Reasonable Cause Statement for Late Filing of Form 5500
Plan name: MICRO-MODE PRODUCTS, INC. 401(K) PLAN

Plan number: 001

We are requesting an abatement of DOL and IRS penalties for the late filing of the plan's Form 5500. We attempted to file electronically by the deadline, but SunGard's Relius Government Forms Web Client experienced an isolated system event on October 15, 2014, which delayed or prevented the plan from competing and filing its Form 5500. The filing of the plan's Form 5500 was successfully transmitted to the production EFAST2 system on 10/29/2014. If there is a question regarding the issue, please contact us at (619) 449-3844.
