INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Jonestown Bank and Trust Company 401(k) Retirement Plan
Jonestown, Pennsylvania

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of the Jonestown Bank and Trust Company 401(k) Retirement Plan, which comprise the statement of net assets available for plan benefits as of January 31, 2012 and the related statement of changes in net assets available for plan benefits for the final one-month period then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2012 Financial Statements

Our responsibility is to express an opinion on the 2012 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, where due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2012 financial statements.

Opinion on the 2012 Financial Statements

In our opinion, the financial statements referred to in the first paragraph of Jonestown Bank and Trust Company 401(k) Retirement Plan as of January 31, 2012, and for the final one-month period then ended, present fairly, in all material respects, the net assets available for plan benefits of Jonestown Bank and Trust Company 401(k) Retirement Plan as of January 31, 2012, and changes in the net assets available for plan benefits for the final period then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matter –2011 Financial Statements

The financial statements of the plan as of December 31, 2011, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by Frontier Trust Company, the trustee of the Plan. Their report, dated October 9, 2012, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following description of the Jonestown Bank and Trust Company 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering the employees of Jonestown Bank and Trust Company ("Company") who had attained the age of 21. The Plan termination was completed on January 31, 2012 when all assets transferred to the Pentegra Defined Contribution Plan for Financial Institutions as Adopted by Jonestown Bank and Trust Company. The Plan was subject to the provisions of ERISA.

Contributions

Each year, participants could contribute a percentage of compensation, as defined in the Plan, not to exceed a dollar limit set by law. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants directed the investment of their contributions into various investment options offered by the Plan. Participants could change their investment elections daily. For years prior to 2012, the Company contributed a match up to 75 percent of the first 4 percent of base compensation that a participant contributed to the Plan for employees hired before 2006 and 100 percent of the first 4 percent of base compensation that a participant contributed to the Plan for employees hired during and after 2006. Additional profit sharing amounts could be contributed at the option of the Company's board of directors. No employee or employer contributions were made during 2012.

Participant accounts

Each participant's account was credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts was based on years of continuous service. A participant was 100 percent vested after three years of credited service. However, upon the Plan's termination, all participants became 100% vested in the Company's contribution portion of their account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of benefits

On termination of service due to death, disability or retirement, or other reasons, a participant or his or her beneficiary could elect to receive a lump sum amount or partial payments equal to the value of the participant's vested interest in his or her account.

Forfeited accounts

At January 31, 2012 and December 31, 2011, forfeited nonvested accounts totaled $0 and $10,024, respectively. These accounts were to be used to reduce the Company's contributions. Forfeitures totaling $10,032 transferred into the Pentegra Defined Contribution Plan for Financial Institutions as Adopted by Jonestown Bank and Trust Company upon the termination of the Plan.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan as of and for the final period ended January 31, 2012 are prepared on the liquidation basis of accounting which approximates the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrators determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians and other service providers. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 INVESTMENTS

The following presents investments that represented 5 percent or more of the Plan's net assets at December 31:

		2011
Franklin Total Return Bond Fund R	$	178,426
Eaton Vance Income Fund of Boston R		217,133
Pioneer Strategic Income Fund Class R		271,825
BlackRock Global Allocation Bond Fund R		548,565
Davis New York Venture Fund R		235,798
Victory Special Value R		179,191
American Funds EuroPacific Growth R2		184,576
MFS Value Fund Class R2		223,463

During the period ended January 31, 2012, the Plan's investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $10,280.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at January 31, 2012 and December 31, 2011.

Cash and cash equivalents: Valued at carrying value, which equals fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011:

	Assets at Fair Value as of December 31, 2011			
	Level 1	*Level 2*	*Level 3*	*Total*

NOTE 5 CERTIFICATION BY TRUSTEE

The financial statement as of December 31, 2011 was prepared from information provided by Frontier Trust Company, the trustee of the Plan, which they certified to be complete and accurate to the best of their knowledge. Following is a summary of the unaudited information included in the Plan's financial statements that was prepared by the trustee of the Plan, and furnished to the Plan administrator.

	2011
Investments at fair value	
Cash and cash equivalents	$ 144,664
Mutual funds	2,665,806
Total	$ 2,810,470

NOTE 6 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments were managed by Frontier Trust Company. Frontier Trust Company was the plan trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid thorough revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the plan's operations.

NOTE 7 PLAN TERMINATION

The employer had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. At the Plan termination, participants became 100 percent vested in their employer contributions.

NOTE 8 TAX STATUS

The Plan adopted a prototype defined contribution volume submitter profit sharing plan with CODA which received a favorable opinion letter from the Internal Revenue Service on March 31, 2008, stating that the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan had been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believed that the Plan was designed, and was operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of transfers from the plan per the 2012 financial statements to Form 5500:

	2012
Transfers from the plan per the financial statements	$ 2,807,325
2011 Excess contributions refundable liability not reported on the 2011 Form 5500	13,425
Transfers from the plan per the Form 5500	$ 2,820,750

NOTE 10 SUBSEQUENT EVENTS

The Plan has evaluated events and transactions subsequent to January 31, 2012 through March 19, 2015, the date these financial statements were available to be issued. Based on the definitions and requirements of generally accepted accounting principles, we have not identified any events that have occurred subsequent to January 31, 2012 and through March 19, 2015, that require recognition or disclosure in the Plan financial statements.
