INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees
M.P. Environmental Services, Inc 401 (k) Profit Sharing Plan
Bakersfield, California

We were engaged to audit the accompanying financial statements of M.P. Environmental Services, Inc 401 (k) Profit Sharing Plan, (the "Plan"), which comprise the statements as of September 30, 2014 and 2013, and for the year ended September 30, 2014, as listed in the accompanying index, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free form material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Ascensus Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of September 30, 2014 and 2013, and for the year ended September 30, 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

As described in Note 2, these financial statements and supplemental schedules were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial status of M.P. Environmental Services, Inc. 401(k) Profit Sharing Plan as of September 30, 2014 and 2013, and the changes in its financial status for the year ended September 30, 2014, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules listed in the accompanying index, together referred to as "Supplemental Information", are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the effects on the financial statements and supplemental schedules described in the Basis for Qualified Opinion paragraph, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 — DESCRIPTION OF PLAN

A. General

The following description of M.P. Environmental Services, Inc., 401(k) Profit Sharing Plan, (the "Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all the full-time employees of M.P. Environmental Services, Inc., who have attained age 19 and have completed 6 months of service. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Participants may elect to contribute, on a tax-deferred basis, a portion of their compensation up to the maximum deferral limit. The Company contributes amounts at the option of the Company's Board of Directors. Contributions are subject to certain limitations.

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) plan earnings, and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

E. Investment Options

Participants may direct the manner in which their accounts are invested among the Plan's investment funds.

F. Payment of Benefits

On termination of service, participants may elect to receive a lump-sum amount equal to the value of the participant's vested value of their account or leave the value of the accounts on deposit until normal

NOTE 1 — DESCRIPTION OF PLAN (CONTINUED)

retirement (age 65). Distribution of vested value will also occur in the case of death or disability. If a participant's vested balance account is less than $5,000, he/she will automatically receive payment in the form of a lump sum. Participants with vested account balances greater than $5,000 may elect payments in the form of (a) lump-sum, (b) combination of lump sum and installments or (c) installments. At September 30, 2014 and 2013, amounts allocated to withdrawing participants for benefit claims that have been processed and approved for payment, but not yet paid are $270,344 and $258,923 respectively.

G. Forfeited Accounts

During 2014 and 2013, there were no forfeited nonvested accounts. Forfeitures are used to offset plan expenses and the balance is allocated to continuing plan participants.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The assets of M.P Environmental Services, Inc. 401(k) Profit Sharing Plan (the Plan) are stated at market value as of the statement date. The financial statements of the Plan are prepared on the modified cash basis of accounting.

B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value.

D. Administrative Expenses

The Company pays certain administrative expenses.

E. Payment of Benefits

Benefits are recorded when paid.

NOTE 3 — FAIR VALUE MEASURMENT

The Plan's investments are reported at fair value in the Plan's financial statements. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes it valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. All of the Plan's investments fair values were measured using level 1 inputs. No level 2 or level 3 inputs were used.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at the year-end.

Gain and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended September 30, 2014 and 2013 are reported in net appreciation in fair value of investments.

The following table sets forth the fair value hierarchy of the Plan's investments at September 31, 2014:

Mutual funds	$3,401,494

NOTE 4 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 — TAX STATUS

The Plan obtained its latest determination letter on December 7, 1990, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's income tax returns for the years 2013, 2012, and 2011 are subject to examination by the IRS, generally for three years after they were filed.

NOTE 6 – RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 — INVESTMENT CONCENTRATIONS

The following presents investments that represent 5% or more of the Plan's net assets:
