The plan administrator has obtained certifications from the trustees as of November 30, 2014 and December 31, 2013, and for the eleven months ended November 30, 2014 that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Schedule H, line 4i-Schedule of Assets Held (At End of Year) as of and for the eleven months ended November 30, 2014 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
November 30, 2014 and December 31, 2013

(1) DESCRIPTION OF PLAN

The following description of the Nebraska Heart 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan sponsored by Nebraska Specialty Network, LLC (The Organization) covering all full-time employees of the company who have attained the age of 18. There is no service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan merged into Catholic Health Initiative's 401(k) Retirement Savings Plan on November 16, 2014; therefore, this report reflects only eleven months of activity.

(b) Effective Date

The initial effective date of the Plan was January 1, 1987 and amended and restated, effective as of January 1, 2011 and December 31, 2012.

(c) Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation through compensation deferrals, not to exceed certain Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions and the Organization's contributions into various investment options offered by the Plan.

The Organization will contribute for all participants an amount equal to 100% of the first 3% of the participant's elective deferral contribution and 50% of up to the next 2% of the participant's elective deferral contribution. Discretionary contributions may also be made for each plan year in an amount determined by the Organization.

Effective December 31, 2012, the Plan was frozen. No new participants are allowed to enter the plan and no matching contributions or elective deferrals are to be made to the Plan after the Freeze Date

(d) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Organization's contributions, and (b) plan earnings and charged with an allocation of investment management expenses. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
November 30, 2014 and December 31, 2013

(1) **DESCRIPTION OF PLAN (Continued)**

(e) *Vesting*

Participants are vested immediately in their contributions plus actual earnings thereon. Participants vest in the Organization's contributions after six years of credited service for contributions made before January 1, 2011. After January 1, 2011 participants vest immediately in the Organization's contributions.

(f) *Payment of Benefits*

Upon termination of service due to termination of employment, death, disability, or retirement, a participant with vested benefits equal to \$1,000 or less will receive a lump-sum distribution. Participants with balances more than \$1,000 but less than \$5,000 may receive his or her distribution as a lump-sum or direct rollover to an individual retirement account or another employer's plan. If no election is made, the participant's balance will be paid as a direct rollover to an individual retirement account invested in the Money Market Fund of the Transamerica Partners Funds Group. Participants with benefits in excess of \$5,000 may elect to leave their account balance in the plan until the age of 70½ or request an optional form of payment.

(g) *Expenses of the Plan*

Administrative expenses incurred in connection with the Plan are paid by the participants in the form of deductions from their assets in the plan or as a reduction in distribution amounts they receive.

(h) *Notes receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 4.45%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid directly to Transamerica Retirement Solutions Corporation through coupon payments by each participant individually.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

(a) *Basis of Accounting*

The accompanying financial statements are prepared under the accrual basis of accounting.

RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
November 30, 2014 and December 31, 2013

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(b) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans carry market interest rates; therefore, the unpaid balance approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(d) *Payment of Benefits*

Benefits are recorded when paid.

(e) *Risks and Uncertainties*

The Plan invests in various mutual funds and other investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(f) *Notes Receivable from Participants*

Notes receivable from participants (previously listed as Participants Loans) are measured at their unpaid principal balances plus any unpaid accrued interest. For Department of Labor reporting on form 5500 the receivables are still included as investments and titled Participant Loans

(3) FORFEITED ACCOUNTS

Forfeited nonvested accounts are used to reduce future employer contributions under the Plan. During 2014 and 2013, employer contributions were reduced by \$-0- and \$6,848, respectively, from forfeited nonvested accounts.

(5) FAIR VALUE MEASUREMENTS

ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- (a) quoted prices for similar assets or liabilities in active markets;
- (b) quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) inputs other than quoted prices that are observable for the asset or liability;
- (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NEBRASKA HEART 401(k)
RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
November 30, 2014 and December 31, 2013

(5) **FAIR VALUE MEASUREMENTS (Continued)**

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 30, 2014 and December 31, 2013.

Common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at year end.

Participant loans: Valued at the amortized cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(6) PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of separate accounts managed by State Street Bank and Trust Company and Massachusetts Fidelity Trust Company. These companies are the trustees, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Transamerica is the Third Party Administrator, and therefore, these transactions also qualify as party-in-interest transactions. Fees paid by the Plan to Transamerica for administrative services amounted to \$110,088 and \$106,278 for the eleven months ended November 30, 2014 and the year ended December 31, 2013, respectively.

The Plan also incurs fees for the annual audit from McDermott & Miller, P.C. Fees paid by the Plan to McDermott & Miller, P.C. for audit services amounted to \$10,000 for the eleven months ended November 30, 2014. The fees were paid by the Plan Sponsor in 2013. These transactions qualify as exempt party-in-interest transactions.

(7) PLAN MERGER

On November 16, 2014 the Plan merged with the Catholic Health Initiative's 401(k) Retirement Savings Plan. All of the Plan assets were transferred on November 17, 2014 to the Catholic Health Initiative's Plan in the amount of \$29,106,283. Catholic Health Initiative is the Plan Sponsor and has ownership of the Plan's assets as of this date.

(8) TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated October 13, 2011 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue code (IRC). This letter covers the amendments made to the plan since its inception. Although the plan has been amended since receiving the updated determination letter, the plan administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

The Plan's policy is to include penalties and interest associated with income taxes as income tax expense and interest expense respectively. The Plan did not incur any penalties or interest on income taxes for the periods being reported.

(10) SUBSEQUENT EVENTS

Upon evaluation, the Plan notes that there were no material subsequent events between the date of the financial statements and May 04, 2015, the date that the financial statements were issued or available to be issued.
