Independent Auditor's Report

To the Administrator of Scitor Corporation Equity Participation Plan

We have audited the accompanying financial statements of Scitor Corporation Equity Participation Plan (the "Plan"), which comprise the statements of net assets available for benefits as of September 30, 2014 and September 30, 2013, and the related statements of changes in net assets available for benefits for the fiscal years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of September 30, 2014 and September 30, 2013 and the changes in net assets available for benefits for the fiscal years then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of September 30, 2014 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Scitor Corporation Equity Participation Plan

Notes to Financial Statements

September 30, 2014 and September 30, 2013

1. Description of the Plan

The following brief description of the Scitor Corporation Equity Participation Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and was established by Scitor Holdings, Inc. (the "Company" and the "Sponsor Company") effective February 1, 2009 as a profit sharing plan within the meaning of section 401(a) of the Internal Revenue Code (the "IRC"), as amended. The Plan was amended and restated effective October 1, 2013. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan is administered by the Administrative Committee, which was appointed by the Board of Directors of the Company. Carl W. Monk, Jr. is the Plan's Trustee and holds the Plan's assets.

Plan Merger

On April 17, 2015, the Company's board of directors approved the merger of the Plan with the Scitor Corporation Salary Savings and Profit Sharing Plan (the "PSP"). The Plan's assets, excluding amounts placed in escrow, were transferred to the PSP on June 12, 2015. The Plan merger is discussed in further detail in Note 7.

Eligibility

Employees are eligible to participate in the Plan immediately upon the first day of employment. Temporary employees, interns, and contractors, unless they have completed at least 1,000 hours of service during the fiscal year, are generally not eligible to participate in the Plan. Effective October 1, 2013, employees who become an employee of the Company by reason of an asset acquisition are generally not eligible to participate in the Plan.

Contributions

The Company may make annual discretionary contributions to the Plan in an amount determined by the Company. Contributions can be made to the Plan in the form of cash or Company securities, and are subject to certain limitations. For the fiscal years ended September 30, 2014 and September 30, 2013, the discretionary contribution was 2.39% and 3.05%, respectively, of eligible compensation paid during the fiscal years, made in the form of cash.

Vesting

Participants are immediately vested in the Company's contributions and earnings thereon.

Participant Accounts

The Plan maintains separate accounts for each participant. Each participant who is employed on September 30 of the fiscal year receives an allocation of the Company's discretionary contribution for that fiscal year, unless the participant is a temporary employee, intern, or contractor who has not met the 1,000 hours of service threshold for the fiscal year. A participant who is terminated during the fiscal year who was an employee at any time during the fiscal year and who has completed at least five years of employment with the Company as of his or her date of termination receives an allocation of the Company's contribution for such fiscal year, regardless of whether the participant was employed by the Company on September 30 of the fiscal year. Allocations of contributions are based on a participant's eligible compensation, relative to total eligible compensation. For those participants who are eligible but who have terminated prior to September 30, contributions are limited to the lesser of (i) 10% of eligible compensation, or (ii) an allocation based on a ratio of the participant's eligible compensation to total eligible compensation for all participants. Allocations of Plan earnings by investment are based on the ratio of a participant's end of the fiscal year account balance in the investment to all the participants' account balances in the investment as of the latest valuation date.

Scitor Corporation Equity Participation Plan

Notes to Financial Statements

Payment of Benefits

Distributions from the Plan are made when a participant retires, dies (in which case payment will be made to his or her beneficiary or, if none, his or her legal representatives), begins to receive payment under the Scitor Corporation Long Term Disability Plan, or otherwise terminates employment with the Company. In the fiscal year in which the above situations apply, the participant's noncash account balance is converted to cash based on the value determined as of the most recent valuation date, provided there is cash in the Plan. Converted shares are then re-allocated at fiscal year-end at fair value among the remaining active participants in the Plan based on eligible compensation. After conversion, distributions of account balances are based on the value determined as of the most recent valuation date occurring immediately prior to the distribution, and are to be made in cash in installments over a term of nine years commencing 180 days following the fiscal year in which the participant's termination of employment occurred. Distributions for accounts with balances over \$1,000 can only be made at the election of a participant. The Administrative Committee, pursuant to a uniform nondiscriminatory policy, may, with the consent of the beneficiary, make such distribution in the form of a single lump sum payment. During the fiscal years ended September 30, 2014 and September 30, 2013, there were lump sum distributions totaling \$5,893,311 and \$5,256,708, respectively.

Voting Rights

Participants are not entitled to a vote of any Company shares held by the Plan. The Trustee is required, however, to vote any shares allocated to participant accounts on behalf of the collective best interest of Plan participants and beneficiaries, to the extent that such shares have voting rights.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to terminate or amend the Plan at any time, subject to the provisions of ERISA. Upon such termination, the Company, at its discretion, will notify the Trustee to either hold all assets of the Plan and make payments in accordance with the terms of the Plan or distribute to each participant the net balance in his or her account in a lump sum payment.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and is measured based on an established hierarchy of inputs. See Note 4 for a discussion of fair value measurements.

The Plan's certificates of deposit do not meet the definition of a security as defined in Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 320, *Investments—Debt and Equity Securities*. As such, the Plan's certificates of deposit are not subject to fair value disclosure requirements and are presented as investments – other on the statement of net assets available for benefits.

Realized appreciation, in the form of dividends received by the Plan, is shown as dividends on the statement of changes in net assets available for benefits, if declared. Dividends are recorded on the

Scitor Corporation Equity Participation Plan

Notes to Financial Statements

September 30, 2014 and September 30, 2013

ex-dividend date. Net appreciation (depreciation) includes realized and unrealized gains and losses on the Plan's investments held during the fiscal year.

Risks and Uncertainties

The Plan's primary investments are in stock of Scitor Holdings, Inc. The fair value of the stock is calculated on an annual basis by an independent valuation firm. Fair value may change for a number of reasons, including changes in company performance, economic circumstances, or industry outlook. Changes in the fair value of the Plan's investments could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Company and, therefore, are not included in the Plan's financial statements.

Tax Status

Income taxes are not provided as the Plan is designed to be exempt from taxation under the IRC. On October 8, 2010, the Plan received a favorable determination letter from the Internal Revenue Service (the "IRS"). The Plan has been amended since receiving this determination letter. However, as of September 30, 2014, the plan administrator believed that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. On February 6, 2015, the Plan received its latest favorable determination letter from the IRS. The Plan has since been amended further, as discussed in Note 8. The plan administrator continues to believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2014 and September 30, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for the fiscal year ended September 30, 2010 and prior years.

New Accounting Pronouncements

Recent accounting pronouncements issued by the FASB during fiscal year 2014 and through the report release date did not have, and are not expected to have, a material impact on the Plan's financial statements.

3. Investments

On January 11, 2013, Scitor Holdings, Inc. completed an exchange of all outstanding \$0.01 par value nonvoting cumulative preferred shares for shares of Scitor Holdings, Inc. \$0.01 par value voting common stock. The recapitalization (share-for-share exchange) was a non-taxable event under Section 368 of the Internal Revenue Code. The fair value of the exchange was \$462,219,000.

The Plan received 2,605,136.67 shares of Scitor Holdings, Inc. \$0.01 par value voting common stock in exchange for its investments in Scitor Holdings, Inc. \$0.01 par value nonvoting cumulative preferred shares for a total fair value of \$56,010,438.

Scitor Corporation Equity Participation Plan

Notes to Financial Statements

September 30, 2014 and September 30, 2013

The fair value of the individual investments that represent five percent or more of the Plan's net assets available for benefits at September 30, 2014 and September 30, 2013 are as follows:

	<u>2014</u>	<u>2013</u>
Scitor Holdings, Inc. common stock	\$ 54,343,161	\$ 48,559,748

4. Fair Value of Investments

The FASB provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs). The three levels of the fair value hierarchy under the framework are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used must maximize the use of observable inputs and minimize the use of unobservable inputs.

Transfers between levels of the fair value hierarchy are deemed to have occurred as of the date of the event or change in circumstances that caused the transfer. There were no transfers between Level 1 and Level 2 during the fiscal years ended September 30, 2014 and September 30, 2013.

Pursuant to the Plan, the fair market value of plan assets is required to be established on the last day of each fiscal year. For purposes of the Plan, fair market value is equivalent to fair value.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2014 and September 30, 2013.

Money Market Funds: Valued at the net asset value ("NAV") of shares held at fiscal year-end.

Scitor Holdings, Inc. Common Stock: Valued based on an income approach, a market approach, and an option pricing method approach.

Scitor Corporation Equity Participation Plan
Notes to Financial Statements
September 30, 2014 and September 30, 2013

The preceding methods and approaches described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The following table represents assets and liabilities measured and recorded at fair value on the Plan's statement of net assets available for benefits, on a recurring basis, and their level within the fair value hierarchy as of September 30, 2014 and September 30, 2013:

Assets at Fair Value as of September 30, 2014				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 5	\$ -	\$ -	\$ 5
Scitor Holdings, Inc. common stock	-	-	54,343,161	54,343,161
Total investments, at fair value	<u>\$ 5</u>	<u>\$ -</u>	<u>\$ 54,343,161</u>	<u>\$ 54,343,166</u>

Assets at Fair Value as of September 30, 2013				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 1,078,475	\$ -	\$ -	\$ 1,078,475
Scitor Holdings, Inc. common stock	-	-	48,559,748	48,559,748
Total investments, at fair value	<u>\$ 1,078,475</u>	<u>\$ -</u>	<u>\$ 48,559,748</u>	<u>\$ 49,638,223</u>

The classification of an investment as Level 3 is based upon the significance of unobservable inputs to the overall fair value measurement. However, Level 3 financial instruments may include, in addition to the use of unobservable inputs, observable inputs (inputs that are actually quoted and can be validated to market sources). Accordingly, gains and losses in the table below may include changes in fair value due in part to changes in observable inputs that are part of the valuation methodology.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 plan assets for the fiscal years ended September 30, 2014 and September 30, 2013:

	2014	2013	
	Scitor Holdings, Inc. common stock	Scitor Holdings, Inc. cumulative preferred stock	Scitor Holdings, Inc. common stock
Balance at beginning of year	\$ 48,559,748	\$ 55,473,140	\$ -
Net appreciation (depreciation)	5,783,413	537,298	(7,450,690)

7. Acquisition of the Sponsor Company and Plan Merger

Effective May 4, 2015, the Sponsor Company was acquired by Science Applications International Corporation ("SAIC"). On April 17, 2015, the Company's board of directors approved the merger of the Plan with the Scitor Corporation Salary Savings and Profit Sharing Plan (the "PSP"). The Plan's assets, excluding amounts placed in escrow, were transferred to the PSP on June 12, 2015.

Scitor Holdings, Inc. common stock, including the stock held by the Plan, was sold for \$24.4299 per share on May 4, 2015, net of \$43.0 million in proceeds that was placed in escrow under the terms of the Merger Agreement. The amounts placed in escrow, excluding any amounts required for adjustments to Closing Date Net Working Capital, Closing Date Indebtedness, Closing Date Cash, and certain indemnification claims made by SAIC, as defined in the Merger Agreement, will be distributed proportionately to the selling equityholders after a period of 90 days to 36 months following the Closing. Amounts received by the Plan will be allocated among participants in the Plan in the ratio that the number of shares of Scitor Holdings, Inc. common stock allocated to each participant's individual account at the time of the Closing bears to the the aggregate number of shares of Scitor Holdings, Inc. common stock allocated to all participants in the Plan at the time of the Closing.

8. Subsequent Events

In preparing these financial statements, management performed an evaluation of subsequent events through June 22, 2015, the date the financial statements were available for issuance, to determine whether circumstances warranted recognition and disclosure of those events or transactions in the financial statements as of September 30, 2014.

On September 29, 2014, the Plan was amended to exclude certain types of compensation from eligible compensation, effective October 1, 2014. No material recognized or unrecognized subsequent events were identified, with the exception of the September 29, 2014 Plan amendment, the February 6, 2015 favorable determination letter discussed in Note 2, and the acquisition of the Sponsor Company and Plan merger discussed in Note 7.
