LUMOS NETWORKS SAVINGS AND SECURITY PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Lumos Networks Savings and Security Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. GENERAL - The Plan is a defined contribution plan covering substantially all employees of Lumos Networks Operating Company (the "Company"). The Plan was created as a result of a spin-off from the NTELOS Inc. Savings and Security Plan and was adopted on October 1, 2011, and had participants in the Plan as of November 1, 2011. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. ELIGIBILITY - All full-time employees of the Company (and any participating affiliate), are eligible to participate in the Plan provided they have attained age 18 and completed six months of employment. All individuals with an account under the Plan consisting of an amount spun-off from the NTELOS Inc. Savings and Security Plan are eligible participants. When eligibility requirements have been met, the Plan entry date is the first of the following month.

C. CONTRIBUTIONS

- Elective Deferral Contributions – Eligible participants may elect to contribute to the Plan by reducing their compensation from 1% to 20%. Eligible participants are automatically enrolled to defer 3% of compensation unless a deferral election is received from the participant. The amount of such deemed elective deferrals shall automatically increase in 1% increments annually until a maximum of 10% is achieved. The amount of the deferral cannot exceed the limitation allowed by law.
- Employer Matching Contributions – Plan includes a safe harbor Employer Matching Contribution equal to 100% of the first 1%, plus 50% of the next 5% of the participant's compensation contributed as elective deferrals.

Employer Matching Contributions shall be made in the form of cash or Lumos Networks Corp. stock (Employer Stock), valued by the closing price of the stock on the day prior to the date on which the matching contribution is made. For the year 2014, 68,685 shares of Employer Stock were contributed to the Plan and 226,297 shares were held on December 31, 2014. For the year 2013, 67,332 shares of Employer Stock were contributed to the Plan and 174,567 shares were held on December 31, 2013.

D. PARTICIPANT ACCOUNTS - Each participant's account is credited with the participant's elective deferral contributions, employer-matching contributions, and an allocation of plan earnings. The earnings allocation is calculated and reported by New York Life Trust Company, as Trustee. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

LUMOS NETWORKS SAVINGS AND SECURITY PLAN
NOTES TO FINANCIAL STATEMENTS – continued

1. DESCRIPTION OF PLAN – continued

- E. VESTING - Participants are immediately vested in their elective deferral contributions, plus the earnings thereon. Full vesting in the employer matching contributions and earnings occurs with two years of credited vesting service. If a participant terminates employment for any reason other than lay-off due to lack of work, retirement, disability, or death, and has less than 2 years of service, the participant will be 0% vested in the employer matching contributions. Solely with respect to an individual who either became an employee in connection with the October 31, 2011 reorganization of NTELOS, Inc. and the resulting establishment of the Company, or had an account balance under the NTELOS Inc. Savings and Security Plan spun out of that plan into this Plan on or about that date, years of service shall include years of service with NTELOS Inc. Savings and Security Plan as of the date of transfer.
- F. FORFEITURES - Any employer contributions forfeited by participants shall be used to pay Plan expenses or reduce future employer matching contributions. The employer-matching contribution for 2014 and 2013 was reduced by \$13,720 and \$10,305, respectively for non-vested forfeitures.
- G. DIRECTED INVESTMENTS – Each participant has the right to direct the investment of his participant account, choosing from a stable value option which is a pooled separate account made up of investments with guaranteed principal and interest and registered investment companies or mutual funds. With respect to the portion of the Participant's Account derived from any Employer Matching Contributions made on his behalf which is invested in Employer Stock, a Participant may at any time direct the Trustee to divest such Employer Stock and reinvest the proceeds in other investment options available under the Plan.
- H. PARTICIPANT NOTES RECEIVABLE – The Plan allows participants to apply for loans from the vested portion of their account balances. Participants may only have two loans outstanding at any time and not more than one loan may be taken out in any 12-month period. The maximum amount that can be borrowed is the lesser of 1) 50% of the participant's vested account balance or 2) \$50,000. This \$50,000 amount is reduced, however, by the amount of the highest outstanding loan balance for the previous 12-month period. Loans are repaid through payroll deductions over a period not to exceed 5 years unless the loan was used to purchase a primary residence and then an extended repayment period is granted. All loans shall bear interest at the Prime Rate as published in *The Wall Street Journal* plus 1% at the time the loan application is completed.

1. DESCRIPTION OF PLAN – continued

- I. PAYMENT OF BENEFITS – Participant's vested account shall be distributed to the participant in a single lump-sum payment. Unless participant elects otherwise, distributions shall be made no later than the sixtieth day after the later of the close of the Plan year in which (a) the participant attains age 65 (or normal retirement date, if earlier), (b) occurs the 10th anniversary of the year in which the participant commenced participation in the Plan, or (c) the participant terminated service with the Employer. If the participant's vested account does not exceed \$1,000, a lump-sum distribution will be made as soon as administratively practicable following the date the participant separates from service. If the terminated participant's account is in excess of \$1,000 but does not exceed \$5,000, lacking specific instructions from the participant, the Plan Administrator will pay the distribution in a direct rollover to an individual retirement plan for the benefit of the participant. In the event the participant is required to take distributions while employed, the participant may elect to receive the minimum amount required by law. Under certain circumstances, participants may withdraw the vested portion of their accounts upon reaching age 59 ½ or due to financial hardship.

2. SUMMARY OF ACCOUNTING POLICIES

- A. DATE OF MANAGEMENT'S REVIEW – Subsequent events were evaluated through July 7, 2015, which is the date the financial statements were available to be issued.
- B. BASIS OF ACCOUNTING – The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Plan Benefits presents the fair value of the investment contract as well as the adjustment of the fully benefit-responsive investment contract from the fair value to contract value. The Statement of Changes in Net Assets Available for Plan Benefits is prepared on the contract value basis.

LUMOS NETWORKS SAVINGS AND SECURITY PLAN
NOTES TO FINANCIAL STATEMENTS – continued

2. SUMMARY OF ACCOUNTING POLICIES – continued

- C. INVESTMENT VALUATION – The Plan's investments are stated at fair value.
- D. USE OF ESTIMATES – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- E. BENEFIT PAYMENTS – Benefit payments to participants are recorded upon distribution.
- F. ADMINISTRATIVE COSTS – Lumos Networks Operating Company pays substantially all administrative expenses of the Plan.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different value measurement at the reporting date.

3. FAIR VALUE MEASUREMENTS - continued

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no assets transferred from one level to another during the period.

Level 1 Fair Value Measurements – The fair value of registered investment companies are based on quoted net asset values of the shares held by the Plan at year-end. The fair value of Employer Stock is based on the closing price reported on NASDAQ, the active market where the individual security is traded.

Level 3 Value Measurements – The pooled separate account (NYL Insurance Anchor Account I) is not actively traded and significant other observable inputs are not available. Thus, the fair value of the pooled separate account is the estimated fair value of the assets in New York Life's Pooled Separate Account No. 25, valued on an amortized cost basis as of the valuation date multiplied by the ratio of the plan's Stable Value Account balance to the total Stable Value Account balances of all plans participating in New York Life's Pooled Separate Account No. 25.

The following table sets forth a summary of changes in the fair value of the plan's level 3 assets:

	Year Ended 12/31/2014	Year Ended 12/31/2013

4. INVESTMENTS

The following table schedules the investments at year end that represent five percent or more of the Plan's net assets.

	2014	2013

MainStay Balanced Fund I	1,960,104	-
Lumos Networks Corp. Stock	3,806,316	3,665,907

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Stable Value Option is a fully benefit-responsive investment contract with New York Life Insurance Company (Issuer) that is maintained in a pooled separate account. The contract is included in the financial statements at contract value (which represents contributions and earnings, less Plan withdrawals and administrative expenses), as reported by New York Life. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

Interest on the contract accrues daily and is credited at the end of the month. The key factors that impact the crediting rate under the group annuity contract are the timing and magnitude of the cash flows in and out of the separate account as well as prevailing market rates on fixed income assets available for investment by the separate account. The interest crediting rate may be reset not more frequently than daily and not less frequently than quarterly. The interest crediting rate reflects the book yield on the separate account, adjusted to reflect amortization of any realized gains and losses. Fixed income securities are subject to credit and interest rate risk. Credit risk is the risk that the issuer of the security will not be able to pay principal and interest when due. Interest rate risk is associated with the fluctuation of the value of the security as a result of increases and decreases in market interest rates and their relation to the securities stated interest rate.

The minimum crediting rate is zero, as provided by the contract. For the years ended December 31, 2014 and 2013, average yield based on actual earnings were 2.14 % and 2.17%, respectively. Average yields based on the interest rate credited to participants were 1.49% and 1.52% for 2014 and 2013, respectively.

Certain events, not considered probable to occur, limit the plan's ability to transact at contract value with New York Life Insurance Company. These events include employer-initiated events such as plan termination, merger, spin-off, or early retirement incentives. The Issuer requires twelve-month advance written notice to receive a distribution of Plan assets upon termination at contract value and transfers to a competing fund must first go through a non-competing investment option for at least 90 days.

NOTES TO FINANCIAL STATEMENTS – continued

6. RELATED PARTY TRANSACTIONS

NYL Trust Company serves as Trustee for the Plan and Plan assets include funds that are invested in a pooled separate account of New York Life Insurance Company, and in registered investment companies that are managed by indirectly wholly owned subsidiaries of New York Life Insurance Company.

7. INCOME TAX STATUS

The Plan has not received a determination letter. The Plan was modeled after the NTELOS Inc. Savings and Security Plan which obtained its latest determination letter on July 31, 2012, in which the Internal Revenue Service stated that this model plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. This model plan has submitted a request for determination on the plan document. The Plan Administrator for Lumos Networks Savings and Security Plan believes, therefore, that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. LIMITED-SCOPE AUDIT

As permitted by the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, the scope of the audit on these financial statements was limited in regard to information certified by the Trustee as being complete and accurate. There were no auditing procedures performed with respect to the following information as of and for the years ended December 31, 2014 and 2013 except for comparing such information to the related amounts included in the financial statements.

- Schedules of investments included in the Statements of Net Assets Available for Plan Benefits, Note 3, Note 4, and Note 5
- Investment income included in the Statements of Changes in Net Assets Available for Plan Benefits
- Supplemental schedules of investments

9. PLAN TERMINATION

Lumos Networks Operating Company has the right under the Plan to discontinue its contributions at any time and, although it has not expressed any intention to do so, has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, participants will become 100% vested in their accounts.

11. TRANSFERS TO PLAN

On December 7, 2010, the board of directors of NTELOS Holdings Corp. ("Holdings Corp.") approved a plan to create separate wireless and wireline businesses (hereinafter referred to as the "Business Separation") by spinning off the wireline business into the newly formed publicly traded company Lumos Networks Corp. ("Lumos Networks"). On October 14, 2011, Holdings Corp. announced a distribution date of October 31, 2011 for the spin-off of all the issued and outstanding shares of common stock of Lumos Networks. The spin-off of Lumos Networks was in the form of a tax-free stock distribution to Holdings Corp. stockholders of record as of the close of business on October 24, 2011, the record date.

In connection with the Business Separation, the Holdings Corp. and Lumos Networks entered into an Employee Matters Agreement ("EMA") that, among other things, established the methodology for separating certain employee benefit plans. In accordance with the terms of the EMA, the Company transferred assets related to Lumos Networks employees to the Plan newly created solely for the benefit of Lumos Networks employees of \$55,205 during the year ended December 31, 2013.

12. INCOME TAX

The Company's Forms 5500 for the years ended December 31, 2011, and forward remain open for examination by the Department of Labor and Internal Revenue Service.
