NOTE 1 - DESCRIPTION OF PLAN

The following description of Euclid Management Company (the Company) 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have met the eligibility requirements before the quarterly entry date. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was effective on July 1, 1997.

Contributions

Each year, participants may reduce salary at participant's discretion, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investments of their contributions into various investment options offered by the Plan. Participants may change or terminate their elective deferral percentage upon thirty days notice. There is a limitation for the contributions, regulated by the Internal Revenues Service (IRS). For **2014**, the limitation is no more than **\$17,500**, for age 49 or below. The Plan also provides for employer discretionary contributions at a certain percentage of the employee's contributions as determined by the Board of Directors. The employer matched 33.00% of deferrals up to 6.00% of pay to each participant's contributions in **2014**.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Participant accounts are also charged with an allocation of participant fees and daily asset charges. Allocations are based on participant earnings or account balance, as defined. The employer pays for the administrative expense of the Plan. The benefit to which a participant entitled to be the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

The Plan provides for the following payments and distributions to participants or their designated beneficiaries:

- 1) Retirement Benefits: The full value of the participant's account balance is payable at normal retirement age.
- 2) Hardship withdrawals: The Plan allows participants to receive hardship withdrawals of the portion of his or her account balance attributable to elective deferrals and certain employer contributions to the extent vested. Hardship withdrawals are subject to authorization by the employer for specified reasons and a strict set of rules established by law.

- 4) Participant Loans: Participant loans are permitted under the Plan. Loans must be authorized by the plan administrator and are subject to a strict set of rules established by law.

Plan Administrator

The Company's contract with Transamerica Retirement Solutions and its predecessor, John Hancock USA and Manulife Financial started on May 18, 1995.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully (100 percent) vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such manners as the Company may determine.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

401(k) Retirement Savings Plan

Notes to Financial Statements
December 31, 2014

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Pervasiveness of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's assets are reported at fair value by Transamerica Retirement Solutions, the Plan Trustee. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized on the accrual basis, while dividends are recorded on the ex-dividend date.

Plan Tax Status

The Internal Revenue Service has informed the Company by a letter dated September 29, 1995, that the Plan is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The Internal Revenue Service has determined and informed the Company by a letter dated November 6, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC) with minor deficiency in a recent Internal Revenue Service audit.

Subsequent Event

The company failed the Average Deferral Percentage and (if applicable) Average Contribution Percentage tests for the plan year **2014**. It requires corrections by refunding excess contributions to Highly Compensated Employees. The corrections were subsequently processed in March 2014. This action meets the Internal Revenue Service requirement and no further action is required.

401(k) Retirement Savings Plan

Notes to Financial Statements
December 31, 2014

NOTE 3 – PARTICIPANT LOANS

The Plan allows participants to borrow a portion of their account balance subject to limitations set forth by the Plan and the IRC. Loans are secured by the balance in the participants' accounts and generally bear interest calculated as 1.00% plus the Prime Interest Rate published in the Wall Street Journal. As of December 31, 2014, the loan interest rate was 4.25 percent. There is a loan setup charge of \$50.00 per loan and an annual loan maintenance fee for \$50.00; both paid by the participant.

Repayment of participant loans, including monthly interest charges, is made through payroll deductions. Delinquent loans are treated as distributions based on the terms of the Plan document. In year ended December 31, 2014, total loan repayments were \$23,665.

Transamerica Retirement Solutions, the Plan Trustee, does not report the assets held in the Loan Fund on the Activity Statement since the company is not custodian of these assets, therefore the Loan Fund is not included in the certification.

NOTE 4 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Transamerica Retirement Solutions manages the plan investments. Transamerica Retirement Solutions is the plan administrator as defined by the plan and, therefore, these transactions qualify as party-in-interests transactions. Fees paid by the Plan for the investment management services are netted against earnings by the administrator.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, foreign exchange and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 – INVESTMENTS - UNAUDITED

The Plan's investments are held by Transamerica Retirement Solutions, the Plan Trustee. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and participant loans at December 31, 2014 and interest, dividends, and net appreciation (depreciation) of fair value of investments for the year then ended were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Plan Trustee.

NOTE 6 – INVESTMENTS – UNAUDITED (CONTINUED)

For the year ended December 31, 2014, the Plan Trustee also certified to the completeness and accuracy of \$124,301 in fair value of investments return.

NOTE 7 – FAIR VALUE MEASUREMENTS - UNAUDITED

The Company adopted FASB Accounting Standards Codification 820 ("ASC 820"), *Fair Value Measurements and Disclosures*; ASC 820 defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements.

ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2: Observable inputs other than Level 1 quoted prices for identical assets, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Euclid Management Company
401(k) Retirement Savings Plan

Notes to Financial Statements
December 31, 2014

NOTE 7 – FAIR VALUE MEASUREMENTS – UNAUDITED (CONTINUED)

Level 3: Unobservable inputs are supported by little or no market activity and are significant to the fair value of the assets or liabilities. These unobservable inputs reflect the Plan's own assumptions about assumptions that market participants would use in pricing the asset or liability.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy.

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 security includes money market funds and equity securities. If quoted market prices are not available, then fair value are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows.

Level 2 securities include pool separate accounts, corporate bonds and municipal securities. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

The following table set forth a summary of the Plan's investments measured at fair value on a recurring basis as of December 31, 2014:

	Level 1	Level 2	Level 3	Total
Mutual Funds:				
Equity	\$ 248,535	\$ -	\$ -	\$ 248,535

Others	135,630	-	-	135,630
Total Assets	\$ 1,973,175	\$ 40,656	\$ -	\$ 2,013,831

Realized and unrealized gains and losses included in net increase (decrease) in net assets available for benefits for the year ended December 31, 2014, are reported in net appreciation (depreciation) in fair value of investments in the statements of changes in net assets available for benefits.

Gentlemen:

We are providing this letter in connection with your audit of the financial statements and supplemental schedules of Euclid Management Company 401(k) Plan as of **December 31, 2014** and for the periods then ended. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by the trustees, in accordance with DOL regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and schedules taken as a whole.

We are responsible for the fair presentation in the Plan's financial statements of net assets available for benefits and change in net assets available for benefits in conformity with a modified cash basis of accounting and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, make it probable that the judgment of reasonable person replying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and relief, as of **June 26, 2015** the following representations made to you during your audit.

- 1) The financial statements and related footnotes are fairly presented in conformity with a modified cash basis of accounting and the notes included all disclosures required by laws and regulations to which the plan is subject, including the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
