Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Stewart Organization 401(k) Partner Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2014, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting an audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, plan management instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by John Hancock Life Insurance Company (U.S.A.) and Sterne Agee, the custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by plan management that the custodians hold the Plan's investment assets and execute investment transactions. Plan management has obtained certification from the custodians as of and for the year ended December 31, 2014, that the information provided to plan management by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2014 financial statements. Accordingly, we do not express an opinion on the 2014 financial statements referred to in the first paragraph.

Other Matter – Supplemental Information

The supplemental information as of December 31, 2014 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental information.

Other Matter – 2013 Financial Statements

The financial statements of the Plan as of December 31, 2013, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), plan management instructed the predecessor auditors not to perform, and they did

not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company (U.S.A.) and Sterne Agee, the custodians of the Plan. Their report, dated June 30, 2014, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodians, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2014

The form and content of the information included in the 2014 financial statements and supplemental information, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE STEWART ORGANIZATION
401(k) PARTNER PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2014 and 2013

1. DESCRIPTION OF PLAN

The following description of The Stewart Organization 401(k) Partner Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of The Stewart Organization, Inc. (the "Company") who have completed one year of service and are age 21 or older. The Plan is subject to the provisions of ERISA. The Trustees are responsible for oversight of the Plan.

Contributions

Each year, participants may contribute up to 100 percent of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes a safe harbor matching contribution equal to 100 percent of a participant's deferral contribution limited to 4 percent of their eligible compensation. A discretionary profit sharing contribution may be contributed at the option of the Company's board of directors. For 2014, the Company elected not to contribute a profit sharing contribution. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's safe harbor matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of

administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, as well as the Company's safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25 to 5.25 percent, which is commensurate with local prevailing rates as determined by plan management. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested balance is in excess of $5,000 may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. A participant whose vested balance is $5,000 or less will automatically receive a single lump sum payment.

Forfeited Accounts

At December 31, 2014 and 2013, forfeited nonvested accounts total $0. Forfeited accounts are used to pay plan expenses and then to reduce future employer contributions. In 2014, employer contributions were reduced by $3,456 from forfeited nonvested accounts.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2014 and 2013. If a participant ceases to make loan repayments and plan management deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2014 excess contributions to the applicable participants prior to March 15, 2015.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Plan management has evaluated subsequent events through July 21, 2015 the date the financial statements were available to be issued, and determined there were no other items to disclose.

3. INVESTMENTS

The following presents investments that represent five percent or more of the Plan's net assets at December 31, 2014 and 2013.

	2014	2013
JH LS Grow Active Strategy	$ 2,356,781	$ 1,616,032
JH Thru 2030 Active Strategy	$ 1,977,584	$ 1,312,690
ServisFirst Bancshares, Inc.	$ 1,977,000	$ 830,000
JH LS Agg Active Strategy	$ 1,430,416	$ 844,212
JH Thru 2035 Active Strategy	$ 1,047,151	$ 718,044

Self-directed Brokerage Accounts

The Plan has self-directed brokerage accounts ("SDBA") available as an option to participants. The SDBA allows participants to invest in a broader selection of investment options, for use in their retirement account by allowing the investment of all or part of their retirement account in individual stocks, bonds and mutual funds in addition to the Plan's primary investment funds. The SDBA is offered through Sterne Agee Group, Inc., ("Sterne"), the custodian and investment plan administrator of the SDBA.

The SDBA is for experienced investors who want the flexibility to invest in a variety of options beyond those available in the Plan's primary investment funds. It is not suitable for all participants.

The Company is not responsible for managing the SDBA beyond administrative requirements as established between the Company and Sterne. As such, investments available through the SDBA have not been subjected to any selection process, are not monitored by the Company, require investment expertise to prudently buy, manage and/or dispose of, and have a risk of substantial loss.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level l) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Pooled separate accounts: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: The self-directed brokerage accounts are valued based on the fair value of the underlying investments. The underlying investments are carried at fair value based on quoted market prices.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2014 and 2013:

5. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The custodians have certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate at December 31, 2014 and 2013, and for the year ended December 31, 2014.

	2014	2013
Investments at fair value	$ 14,697,557	$ 11,911,202
Notes receivable from participants	$ 415,883	$ 449,786
Other receivables	$ 1,880	$ 2,694
Non-interest bearing cash	$ -	$ 1
Net appreciation in fair value of investments	$ 1,723,671	
Dividends	$ 39,622	
Interest income on notes receivable from participants	$ 21,121	

6. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held by John Hancock Life Insurance Company (U.S.A.) ("John Hancock"). John Hancock is the custodian as defined by the plan document and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for custodial services are included in net appreciation in fair value of pooled separate accounts.

Plan transactions and records are administered by Martin, Martin, Randall & Associates Inc., ("MMR"). MMR is the record keeper and third party administrator as defined by the plan document and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for recordkeeping and administrating services are included in administrative expenses

Plan investments and the related transaction records for the SBDA are held and administered by Sterne. Sterne is the SBDA custodian and third party administrator as defined by the plan

document and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for custodial and recordkeeping and administrating services are included in net appreciation in fair value of self-directed brokerage accounts.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

8. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, plan management and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken any uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2011.

9. INACTIVE PARTICIPANTS WITH ACCOUNT BALANCES

At December 31, 2014 and 2013, the value of the accounts held by participants who have separated from employment with the Company and have decided to continue to invest in the Plan total $786,326 and $565,861, respectively. For the years ended December 31, 2014 and 2013, distributions requested but not paid to participants total $0.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
