Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

AMERICAN POP CORN COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014 AND 2013

NOTE A - DESCRIPTION OF PLAN:

The following description of the American Pop Corn Company 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of American Pop Corn Company (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan became effective January 1, 1993. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions - Contributions to the Plan are determined as follows:

401(k) Plan Contribution - A participant may elect to contribute up to 100 percent of compensation, as defined in the Plan. As of January 1, 2014 the Company makes matching contributions equal to 100 percent of the employee contribution to a maximum of 4 percent of the employee's annual compensation. Previously the Company made matching contributions equal to 25 percent of the employee contribution to a maximum of 6 percent of the employee's annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers a guaranteed interest account and twenty-nine pooled separate accounts, including bond and money market pooled separate accounts, as investment options for participants. Contributions are subject to certain IRS limitations.

Discretionary Contribution - Additional amounts may be contributed by the Company at the discretion of the Company's Board of Directors.

Participant Accounts - Each participant in the Plan has an individual account balance representing his/her interest in the Plan. Each account is credited with the participant's contribution and allocations of (a) the Company's contribution; (b) Plan earnings net of Plan expenses; and, (c) forfeitures of terminated participants' non-vested accounts. Allocations of forfeitures and discretionary employer contributions made to each participant's account are in the same proportion that his/her compensation for the year bears to the total compensation of all participants for the year.

NOTE A - DESCRIPTION OF PLAN (CONTINUED):

The earnings of the Plan are allocated pro rata based upon each participant's account balance as of the prior valuation date; however, employee contributions for the current year shall be time weighted in conjunction with the prior account balances and receive an allocation of earnings on such basis.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. If a participant terminates for any reason other than normal retirement, death or total disability, the participant's vested interest in the Plan shall be paid to him/her in one lump-sum. Vesting in the participant's account relative to employer match contributions shall be determined in accordance with the following vesting schedule:

| Years of Service | Vested Percentage |
|---|---|
| 0 - 2 | 0% |
| 3 | 100% |

Payment of Benefits - Upon the participant's retirement on or after age 65, upon death, or upon becoming totally disabled, the participant will be 100 percent vested in his/her account in the Plan and may receive his/her account balance under either one of two methods: 1) a lump-sum distribution of the full amount; or, 2) periodic payments until the balance is depleted. Also, if the employee retires early, the participant may receive his/her account balance under either method described above provided the employee has reached the age of 60 and has 5 years of service.

Upon the death of a participant, the Plan shall pay the balance of the participant's account to the participant's spouse or beneficiary designated in writing.

Life Insurance - The participants of the Plan may elect for the payment of life insurance premiums to be deducted from their accounts.

Notes Receivable From Participants - Participant loans are not permitted by the Plan.

Forfeited Accounts - At December 31, 2014 and 2013, forfeited nonvested accounts totaled $1,447 and $747, respectively. Forfeitures shall first be used to pay administrative expenses and then allocated to participant accounts in the same proportion that his/her compensation for the year bears to the total compensation of all participants for the year.

## NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following are the significant accounting policies followed by the Plan:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Refunds of Excess Contributions - Amounts refunded by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - The Plan has evaluated for subsequent events through July 24, 2015, the date the Plan's financial statements were available to be issued.

NOTE C - INVESTMENTS:

At December 31, 2014 and 2013, the Plan's investment assets were held by The Principal Financial Group acting as custodian for the Plan's trustee, American Pop Corn Company. Once placed in trust, assets may be withdrawn only for the exclusive benefit of the participants or their beneficiaries.

The following presents investments that represent 5 percent or more of the Plan's net assets as of December 31:

| | 2014 | 2013 |
|---|---|---|
| Principal Guaranteed Interest | $ 843,566 | $ 981,656 |
| Principal Lifetime 2020 Account | 936,031 | 780,388 |
| Principal Large Cap S & P 500 Index Account | 592,614 | 565,656 |
| Principal Bond and Mortgage Account | 510,196 | 444,438 |

| Principal Lifetime 2030 Account | 441,352 | N/A |
| Principal Large Cap Blend II Account | 387,676 | 327,731 |

During the years ended December 31, 2014 and 2013, the Plan's participant - directed investments in pooled separate accounts (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $377,968 and $1,006,355, respectively.

NOTE D - FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED):

- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

*Guaranteed Investment Contract* - Valued at fair value based on contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates.

*Pooled Separate Accounts* - Valued at fair value based on the estimated fair value of the securities underlying the pooled separate accounts.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED):

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED):

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended December 31, 2014 and 2013:

| | 2014 | 2013 |
|---|---|---|
| Guaranteed Interest Accounts: | | |
| Balance, beginning of year | $ 981,656 | $ 1,195,986 |

| The amount of total gains or losses for the period attributable to the change in unrealized gains or losses relating to assets still held at the reporting date | $ (3,538) | $ (10,190) |

The Plan's Level 3 financial instruments, valued at fair value based on contract values adjusted to reflect current market interest rates only to the extent such market interest rates exceed crediting rates, use unobservable guaranteed interest rates that Principle Life Insurance Company declares for a set period of time (the Guaranteed Period), which are subject to change daily. Payout dates included a range from December 31, 2014 through December 31, 2018 with interest rates of 0.44 percent to 1.49 percent for the year ended December 31, 2014.

NOTE E - INVESTMENT IN PRINCIPAL FINANCIAL GROUP GUARANTEED INTEREST ACCOUNTS:

Principal Financial Group's Guaranteed Interest Accounts are available under a group annuity contract issued by Principal Life Insurance Company. The investment option provides for a guarantee of principal and interest. Contributions and transfers allocated to this investment option will be credited interest at a guaranteed interest rate Principal Life declares for a set period of time (the Guarantee Period). Guaranteed interest rates for new allocations are subject to change daily, and each amount allocated to the guaranteed interest account will earn interest based on this guaranteed interest rate in effect for the date that the amount is allocated to this guaranteed interest account. Guarantees are supported by the General Account of Principal Life, but the Plan does not participate in the investment experience or performance of the General Account. The underlying assets in the General Account are invested mostly in private placement bonds, commercial mortgages, and residential mortgages. This investment is considered nonbenefit - responsive.

## NOTE F - INVESTMENT IN PRINCIPAL FINANCIAL GROUP POOLED SEPARATE ACCOUNTS:

The Plan offers participants the ability to invest in the following Pooled Separate Accounts:

Principal Financial Group, Inc. Stock Account

Principal Lifetime 2045 Account
Principal Lifetime 2050 Account
Principal Lifetime 2055 Account
Principal Lifetime 2060 Account

The value of each pooled separate account is determined at the close of each business day based on the estimated fair value of the underlying securities. The value of the account is expressed in units. The unit value is the dollar value of one unit determined at the close of each business day by dividing the value of the entire account by the total number of units in the account. The value of a Participant's account on any date is determined by multiplying the number of units held by the unit value at the close of the business day. The assets of these pooled separate accounts are separate and distinct from the assets of Principal Life Insurance Company.

## NOTE G - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE J - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS:

Parties-in-interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Company pays certain fees for the administration of the Plan. The Plan pays additional fees for investment management and consulting services and are included in administrative expenses in the accompanying financial statements. These transactions qualify as party-in-interest transactions.

Certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

All investment transactions are performed for the Plan by The Principal Financial Group based on directions of the participants. Principal is custodian for the Plan's trustee, American Pop Corn Company and, therefore, these transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from prohibited transaction rules.

NOTE K - TAX STATUS:

The IRS has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE K - TAX STATUS (CONTINUED):

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE L - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
