Independent Auditors' Required Communications with the Plan Trustees

July 24, 2015

The Plan Sponsor and Trustees
Coconut Grove Bank 401(k) and Profit Sharing Plan
Miami, Florida:

We have completed our audit of the financial statements of Coconut Grove Bank 401(k) and Profit Sharing Plan (the "Plan") as of and for the year ended December 31, 2014. Professional standards require that we provide you with information about our responsibilities under U.S. generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. Information about our responsibilities is included in our Engagement Letter dated April 7, 2015 and Audit Plan dated May 21, 2014. The following comments summarize the results of our 2014 audit.

Audit Report

At the direction of management and the Plan administrator and as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), we did not perform any auditing procedures with respect to the information summarized in Note 8 which was certified by the Plan's custodian. The form and content of the information included in the financial statements and supplemental schedule other than that derived from the information certified by the Plan's custodian was audited by us in accordance with auditing standards generally accepted in the United States of America. It is important for the Plan Sponsor and Trustees to understand that an audit conducted in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable rather than absolute assurance about the financial statements. The financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. Our audit does not relieve management or those charged with governance of their responsibilities. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Qualitative Aspects of Accounting Practices

The Plan's management is responsible for the financial statements and for selecting and using appropriate accounting policies. The significant accounting policies are described in the Summary of Significant Accounting Policies note. The quality of these accounting policies and the clarity of the financial statements are adequate.

We noted no transactions entered into during the year for which there is a lack of authoritative guidance or consensus.

All significant transactions recognized in the financial statements have been properly recorded and recognized in the proper period.

Accounting estimates are an integral part of the financial statements. Such estimates are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We have concluded that the methodologies used by management to develop estimates are appropriate. Further, we believe that the amounts reflected in the financial statements are reasonable.

Difficulties Encountered in Performing the Audit and Changes in Audit Scope

We encountered no difficulties in dealing with management in performing and completing our audit. Everyone cooperated fully with us; the account schedules and analyses provided were appropriately prepared and timely.

There were no significant changes from our audit plan. We focused our audit efforts on, among other matters: 1) benefit payments; 2) contributions; 3) review of individually significant and/or nonrecurring transactions; 4) accrued liabilities, commitments and contingencies; 5) revenue recognition; 6) expense recognition; and the form, content and clarity of the presentation of the financial statements. Please note that we did not audit and express no opinion on the internal control over financial reporting.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known, judgmental and projected misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no adjustments proposed in connection with our audit.

Disagreements with Management

In the context of auditing, professional standards define a disagreement as a difference of opinion on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which if not resolved to the auditor's satisfaction would have caused the auditor to refer to the subject matter of the disagreement in the auditors' report. (Preliminary differences of opinion that are based on incomplete facts are not disagreements if the differences are resolved by obtaining more complete factual information.) There were no disagreements about auditing, accounting or disclosure matters.

Management Representations

We obtained certain written representations from the Plan's management that are included in a letter to us.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing or accounting matters, similar to obtaining a "second opinion." If such consultation involves the application of an accounting principle to the financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to communicate with us to determine that the consulting accountant has all the relevant facts. Management has advised us there were no such consultations with other accountants.

Fraud or Possible Illegal Acts

We noted no instances of fraud or possible illegal acts (all as defined under current auditing standards) which have a direct effect on the financial statements. Mr. Chavez and Ms. Ishii have represented to us that they are not aware of any material errors or fraud or possible illegal acts.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquires of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Independence

There were no relationships between any of our representatives and the Plan that in our professional judgment may reasonably be thought to bear on independence.

Since our appointment as independent auditors we discussed a variety of accounting and auditing matters with management in the normal course of our professional relationship. No such matters were discussed as a condition of our appointment.

Restriction

This letter is intended solely for the information and use of the Plan's Sponsor and Trustees and management and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Miami, Florida:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Coconut Grove Bank 401(k) and Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Great-West Life and Annuity Insurance Company, the Plan's custodian, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the custodian as of December 31, 2014 and 2013, and for the year ended December 31, 2014, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of assets held for investment purposes as of December 31, 2014 is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(1) Description of Plan

The following brief description of the Coconut Grove Bank (the "Bank") 401(k) and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution 401(k) safe harbor plan covering all employees of the Bank who have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is sponsored by the Bank. The Plan's trustees consist of three officers from the Bank. Pension Studios is the Plan administrator and record-keeper. The Plan's custodian is Great-West Life and Annuity Insurance Company ("Great-West").

Contributions. For the Plan year beginning in 2014, the Plan provides a basic safe harbor match for those participants who satisfy the eligibility requirements. The safe harbor matching contribution are 100% matching contribution on salary deferrals up to 3% of compensation plus a 50% matching contribution on any additional salary deferrals above 3% up to 5% of compensation.

Each year, the Bank may, at its option, make a contribution. This contribution is determined by the Bank and is based on the greater of 3% of eligible compensation or $1,500 per participant as long as the participant is employed on the last day of the calendar year and has completed 1,000 hours of service. For the plan year ended December 31, 2014 the Company elected not to make a profit sharing contribution.

Investment Options. Upon enrollment in the Plan, a participant may direct contributions into any of several investments (mutual funds) offered by the Plan. Participants may change their investment options at their discretion.

Participant Accounts. An employee who has completed three months of service and has met the eligibility requirements may enter the Plan on the first day of the month coinciding with eligibility or the first day of the following month. Each participant's account is credited with the participant's contribution and an allocation of the Bank's matching and discretionary contributions, if any. Allocations of earnings are based on participant account balances, as defined.

Vesting. Participants are immediately vested in their elective deferrals and safe harbor contributions plus actual earnings thereon. Participant's portion of the Bank's discretionary or matching contributions vest 20% per year and are 100% vested after five years of credited service.

(continued)

(1) Description of Plan, Continued

Notes Receivable from Participants. A participant may borrow from the Plan an aggregate amount not to exceed the lesser of: (a) $50,000 or (b) 50% of the participant's vested account balance. Loan terms range from one to five years, except in the case of a loan for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a market rate. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits. Upon termination of service, a participant may request to receive a lump-sum amount equal to his or her vested account. A participant is entitled to 100% of his or her vested account balance upon retirement, death or disability.

Forfeited Accounts. The Bank's discretionary or matching contributions, that portion of the participant's account balance that is not fully vested, will be forfeited upon participant termination and reallocated as additional contributions or to cover expenses of the Plan. Forfeitures amounted to $14,925 and $6,126 in the years ended December 31, 2014 and 2013, respectively. The 2013 forfeited accounts have been reallocated as discretionary contributions in 2014. The 2014 forfeited accounts will be reallocated as matching contributions and used to cover expenses of the Plan.

(2) Summary of Significant Accounting Policies

Basis of Financial Statement Presentation. The accompanying financial statements have been prepared on the accrual basis of accounting.

Subsequent Events. Management has evaluated all significant events occurring subsequent to the financial statements date through July 24, 2015, which is the date the financial statements were available to be issued, determining no events require additional disclosure in the financial statements.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes, therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value and are based on the framework for measuring fair value. Fair values of mutual funds are determined using unit values at December 31, 2014 and 2013.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(continued)

(2) Summary of Significant Accounting Policies, Continued

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

(continued)

(4) Fair Value Measurements

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The fair value hierarchy requires the Bank to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy describes three levels of inputs that may be used to measure fair value:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities that are not active; and model-driven valuations whose inputs are observable or whose significant value drivers are observable. Valuations may be obtained from, or corroborated by, third-party pricing services.

Level 3: Unobservable inputs to measure fair value of assets and liabilities for which there is little, if any market activity at the measurement date, using reasonable inputs and assumptions based upon the best information at the time, to the extent that inputs are available without undue cost and effort.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value-

Mutual Funds. Values at the quoted net asset value (NAV) of shares held by the Plan at year end.

(continued)

(4) Fair Value Measurements, Continued

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by Level, within the fair value hierarchy, the Plan assets at fair value:

	Level 1	Level 2	Level 3	Total
December 31, 2014:				
Mutual funds:				
Asset allocation funds	$ 2,089,846	-	-	2,089,846

Balanced funds	406,017	-	-	406,017
Total mutual funds	$ 3,884,171	655,381	-	4,539,552
December 31, 2013:				
Mutual funds:				
Asset allocation funds	1,765,577	-	-	1,765,577
Equity funds	835,101	-	-	835,101
Index funds	84,792	-	-	84,792

Balanced funds	188,872	-	-	188,872
Total mutual funds	$ 3,335,861	576,098	-	3,911,959

During the years ended December 31, 2014 and 2013, no securities were transferred in or out of Level 1, Level 2 or Level 3.

(5) Related Party Transactions and Service Fees

Fees charged by Great-West providing custodian services are paid by the Plan and were $30,503 during 2014.

(6) Plan Termination

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, regardless of the Plan's current vesting schedule.

(continued)

(7) Tax Status

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Form 5500 is subject to examination by the respective federal authorities generally three years from the filing date.

GAAP requires the Bank to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Bank has analyzed the tax positions taken by the Bank, and has concluded that as of December 31, 2014 and 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Bank believes it is no longer subject to income tax examinations for years prior to 2011.

(8) Information Certified by the Custodian (Great-West)

The information contained in the financial statements and supplemental schedule, which was certified by the Plan's custodian, is as follows:

Statements of Net Assets Available for Benefits

Investments at fair value-
Mutual funds

Statement of Changes in Net Assets Available for Benefits

Investment income, net appreciation in fair value of mutual funds

Schedule of Assets Held for Investment Purposes

All information except for notes receivable from participants

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest-rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
