To the Trustees
Of the Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan

We have audited the financial statements of Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan ("Plan") as of and for the year ended December 31, 2014, and have issued our report thereon dated July 20, 2015. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated March 23, 2015, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We did not identify any significant control deficiencies during our audit.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2014. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

There were no sensitive accounting estimates affecting the financial statements.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan's financial statements relate to:

The disclosure of the investment classifications relating to fair value in Note 3 to the financial statements. The Plan Administrator has determined the fair value measurement of those investments based on the valuation methodologies used to determine fair value.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. The attached schedule summarizes uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. No misstatements were noted.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated July 20, 2015.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan's auditors.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the supplementary information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Trustees and management of Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully,

Meaden & Moore Ltd.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan, which comprise the statement of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the years ended December 31, 2014 and 2013, and the related notes to the financial statements, for the purpose of expressing an opinion on whether the financial statements present fairly, in all material respects, the statement of net assets and changes in net assets of Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and whether the Schedule of Assets Held for Investment Purposes at End of Year are fairly stated in all material respects in relation to the financial statements as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of July 20, 2105, the following representations made to you during your audit:

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated March 23, 2015 for the preparation and fair presentation of the financial statements and notes in accordance with U.S. GAAP, and the notes include all the disclosures required by laws and regulations in which the plan is subject, including the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

- The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement.* In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
- Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
- All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
- We have no intentions to terminate the plan.
- Guarantees, whether written or oral, under which the plan is contingently liable to a bank or another lending institution have been properly recorded or disclosed in the financial statements.
- We have properly reported and disclosed amendments to the plan instrument, if any.
- We acknowledge our responsibility for the presentation of the supplementary information in accordance with the applicable criteria and we believe the supplementary information, including its form and content, is fairly presented in accordance with the applicable criteria. The methods of measurement or presentation have not changed from those used in the prior period.

Information Provided

- We have provided you with:
  - Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, plan instruments, trust agreements, insurance contracts, as applicable, or investments contracts, as applicable, and amendments to such documents entered into during the year;
  - Additional information that you have requested from us for the purpose of the audit;
  - Unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence;
  - All minutes of the relevant board and committee meetings or summaries of actions of recent meetings for which minutes have not yet been prepared
- All transactions have been recorded in the accounting records and are reflected in the financial statements.
- Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

- The plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- We have no knowledge of any fraud or suspected fraud that affects the plan and involves:
  - Management;
  - Employees who have significant roles in internal control; or
  - Others when the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud, or suspected fraud, affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
- We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation or claims.
- There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
- We have disclosed to you the identity of the plan's related parties and parties in interest and all the related party and party in interest relationships and transactions of which we are aware.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.
- The plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance, including the release of unallocated shares held in employee stock ownership plans.
- All required filings with the appropriate agencies have been made.
- The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The plan sponsor has operated the plan and trust or insurance contract in a manner that did not jeopardize this tax status.
- The plan has complied with the fidelity bonding requirements of ERISA.
- There are no:
  - Nonexempt party in interest transactions (as defined in ERISA Section 3[l] and regulations under that section) that were not disclosed in the supplemental schedules or financial statements.
  - Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
  - Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedules.

Report on the Financial Statements

We have audited the accompanying financial statements of Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan ("Plan"), which comprise the statement of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the years ended December 31, 2014 and 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2014 and 2013, and the changes in net assets available for benefits of the Plan as of December 31, 2014 and 2013, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2014 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

Great Lakes Cheese Co., Inc.
Employee Stock Ownership Plan

1 Description of Plan

The following description of the Great Lakes Cheese Co., Inc. Employee Stock Ownership Plan (the Plan), provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan, which began January 1, 1998, is a defined contribution employee stock ownership plan covering all employees of Great Lakes Cheese Co, Inc. (the Company) who meet the hour and age requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 4975 (e)(7) of the Internal Revenue Code (IRC).

Eligibility:

All employees of the Company age eighteen and older are eligible for the Plan. Employees become a participant in the Plan on the latter of their eighteenth birthday or the first day of the January following their date of hire.

Contributions and Participant Accounts:

The Company contributes to the Plan, on a discretionary basis, up to 15% of the annual pay of participants employed on the last day of the Plan year and who have worked 1,000 hours. Any contributions and dividends from the Company are allocated to the Plan's participants based upon annual compensation. Other income from Plan investments is allocated among the participants based upon individual current balances. All investment decisions for Company contributions are made by the Plan Administrator.

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code as defined in the Plan agreement.

1 Description of Plan, Continued

Vesting:

Vesting in the participant's account balance for current employees is based on years of service. A participant is vested as follows:

Years of Service	%
Less than 2	0%
2 to 3	20%
3 to 4	40%
4 to 5	60%
5 to 6	80%
6 or more	100%

For inactive participants, as of January 1, 2007, vesting is based on a previous vesting schedule in 25% increments. A participant becomes fully vested upon death, disability, or retirement.

Diversification:

Diversification is offered to participants close to retirement so they may have the opportunity to move part of the value of their investment in Company stock into investments which are more diversified. Participants who are at least age 55 with at least ten years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of the number of shares allocated. In the sixth year, the percentage changes to 50%. Participants who elect to diversify receive a cash distribution.

Forfeitures:

Nonvested amounts of participants incurring a one-year break in service is first used to reinstate previously forfeited account balances of former participants who become re-employed by the Company, if any. The remainder is allocated among participants based on compensation. The total amount of forfeitures allocated to participants accounts in 2014 and 2013 was $251,110 and $237,026, respectively.

Other Plan Provisions:

Normal retirement age is 60. The Plan also provides for early payment of benefits if fully vested.

1 Description of Plan, Continued

Payment of Benefits:

A participant is entitled to receive the balance held in his/her account upon reaching normal retirement age and terminating his/her employment. If a participant terminates employment prior to reaching normal retirement age (and after incurring a break in service as defined by the Plan), an amount equal to the vested interest in the account will be distributed to the participant. All payments of benefits shall be rolled over into another qualifying plan or paid as a lump-sum cash distribution.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Investment Valuation and Investment Recognition:

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The value of the Plan's investment in Great Lakes Cheese Co., Inc. common stock is an estimated market value based upon a valuation performed by an independent valuation consultant. Because of the inherent uncertainty of valuation, those estimated values may differ significantly from the values that would have been used had a ready market for the securities existed. A stock purchase agreement between the Company and the Trustees states that should the Trustees wish to sell all or any portion of the Company's shares, the Company must purchase, or require a third party to purchase, the stock at a price equal to 100% of the value per share as determined by the most recent annual appraisal.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

2 Summary of Significant Accounting Policies, Continued

Administrative Fees:

Substantially all administrative fees are paid by the Trust fund.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Risks and Uncertainties:

The Plan's investments include investments in common stock, government securities, company stock and cash with varying degrees of risk, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Plan Benefits.

Subsequent Events:

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial

Subsequent events have been evaluated through July 20, 2015, which is the date the financial statements were available to be issued.

3 Fair Value Measurements

As defined in FASB ASC 820, fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. In determining fair value, the Company utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and/or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable firm inputs. The Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the examination of the inputs used in the valuation techniques, the Company is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

* Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
* Level 2: Inputs to the valuation methodology include:
  * Quoted prices for similar assets or liabilities in active markets:
  * Quoted prices for identical or similar assets or liabilities in inactive markets:
  * Inputs other than quoted prices that are observable for the asset or liability;
  * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
* Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Money Market Fund:

The fair value of the money market fund is valued at $1 and are classified in the Level 1 category.

Mutual Funds:

The fair value of the common stocks and mutual funds are based on quoted market prices.

Common Stock:

Valued at the closing price reported on the active market on which the individual securities were traded for publicly traded securities. For the Company stock, the value is determined by an independent market appraiser.

3 Fair Value Measurements, Continued

The following table presents the financial instruments carried at fair value as of December 31 on a recurring basis, by ASC 820 valuation hierarchy (as described above). There were no assets that fell within Level 3 of the valuation hierarchy.

4 Tax Status

The U.S. Department of Treasury made a determination on September 17, 2013 that the Plan constitutes a qualified trust under Section 401 (b) of the Internal Revenue Code and is, therefore, exempt from federal income tax. The determination letter expires January 31, 2016. There have been no amendments to the Plan since the determination letter was received.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2014, there were no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

5 Investments

The Plan's funds are invested in various stock and cash investments. Investments which constitute more than 5% of the Plan's net assets are:

	2014	2013
* Great Lakes Cheese Co., Inc. common stock	**$ 111,850,700**	$ 105,167,400

* Non-participant directed

Net appreciation in fair value of investments reported in the Statement of Changes in Net Assets Available for Benefits includes both realized and unrealized gains and losses. Unrealized gains and losses are the differences between the fair value of the Plan assets at the end of the year and the fair value of those assets at the beginning of the year or their cost when acquired during the year.

6 Party-in-Interest Transactions

Certain Plan investments are shares of money market funds managed by UBS, the Trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the mutual fund for the investment management services.

The Plan also holds shares of Great Lakes Cheese Company stock, the Plan sponsor.
