The Plan Administrator
Cargill, Incorporated and Associated Companies
Supplemental Employee Retirement Income Plan:

We have audited the accompanying financial statements of the Cargill, Incorporated and Associated Companies Supplemental Employee Retirement Income Plan (the Plan), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2014 and 2013, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2 to the financial statements; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of December 31, 2014 and 2013, and the changes in net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in note 2.

KPMG LLP is a Delaware limited liability partnership, the U.S. member firm of KPMG International Cooperative ("KPMG International"), a Swiss entity.

Basis of Accounting

We draw attention to Note 2, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Notes to Financial Statements
(Modified Cash Basis)

December 31, 2014 and 2013

(1) Description of Plan

The following description of the Cargill, Incorporated and Associated Companies Supplemental Employee Retirement Income Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a nonqualified defined contribution individual retirement account plan. The Plan is designed to supplement the benefits payable under the Cargill, Incorporated and Associated Companies Salaried Employees' Pension Plan (the Salaried Plan) to certain employees and their beneficiaries who were selected to receive contributions under the Plan as of June 1, 1988 and other such dates as approved by Cargill, Incorporated and Associated Companies (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

(b) Participant Accounts

Contributions made to the Plan by the Company are allocated to the participants' accounts and immediately distributed to the participants as specified by the Company.

(c) Benefits

Benefits are paid to participants monthly in an amount that, when combined with other retirement benefits, equals the amount participants would have received at their normal retirement date. Benefit payments generally continue until the participant reaches normal retirement age.

(d) Vesting

Participants are immediately vested in the amount of Company contributions allocated to their accounts.

(e) Expenses

Expenses of the Plan are paid by the Company.

(2) Summary of Accounting Policies

The following are the significant accounting policies followed by the Plan:

(a) Basis of Accounting

The accompanying financial statements are prepared on a modified cash basis of accounting and do not reflect accruals for the Company's contributions.

(Continued)

(b) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual amounts could differ from those estimates.

(3) Federal Income Taxes

The Plan has no tax liability as contributions are immediately allocated and distributed to participants. As a nonqualified plan, Company contributions allocated to participant accounts are taxable income to those participants.

(4) Termination Priorities

While the Company has not expressed any intent to terminate the Plan or to discontinue contributions, it is free to do so at any time, subject to the provisions set forth in ERISA. Should the Plan be terminated at some future time, all participants would remain fully vested in benefits earned as of the termination date. Upon termination, the assets of the Plan would be distributed in accordance with the provisions of the plan document.

(5) Subsequent Events

The Plan has evaluated subsequent events from the statements of net assets available for benefits date through July 31, 2015, the date at which the financial statements were available to be issued, and determined there are no other items to disclose.
