REPORT OF INDEPENDENT AUDITORS

To the Trustee of the
United Copper Ind., Inc. 401(k) Plan

We were engaged to audit the accompanying financial statements of the United Copper Ind., Inc. 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information, which was certified by Ascensus, the record keeper, on behalf of Ascensus Trust Company (formerly Frontier Trust Company), the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the record keeper on behalf of the trustee as of and for the years ended December 31, 2014 and 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2014 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With Department of Labor Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the record keeper on behalf of the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

UNITED COPPER IND., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

A. Description of the Plan

Plan Description

The following brief description of the United Copper Ind., Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by United Copper Industries, Inc. (the “Plan Sponsor” or the “Company”). Participants should refer to the Plan document for more complete information. The Company’s corporate offices are located in Denton, Texas.

General

The Plan was effective on September 1, 2000, restated effective February 1, 2014, and is a defined contribution plan available to all employees of the Company, except for those employees covered by a collective bargaining agreement and non-resident aliens, who have attained age 18 and have completed three months of service. Once the age and service requirements are met, eligible employees may enter the Plan on the first day of the next quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 100% of pre-tax annual compensation as defined by the Plan. On February 1, 2014, the Plan was amended to add a Roth after-tax deferral option. Some or all of a participant’s contribution may be designated as a Roth after-tax deferral contribution. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the Plan year may make catch-up contributions in accordance with, and subject to, the limitations imposed by the Code.

The Company contributes an amount equal to 3% of the participant’s eligible compensation for the Plan year, whether or not the participant is making elective deferrals.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of: (a) the Company’s contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

A. Description of the Plan – continued

Vesting

Participants are immediately vested in their voluntary contributions and employer contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. Note receivable terms range up to five years or longer for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 1%. As of December 31, 2014 and 2013, the interest rates ranged from 4.25% to 7.00%. Principal and interest is paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

Participants are not permitted to receive a hardship distribution from salary reduction contributions.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

In accordance with Plan provisions, administrative expenses are paid by the Company with the exception of transaction processing fees, which are charged upon a participant's execution of certain transactions and also record keeping fees, which the Company approves to be paid by the Plan.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

UNITED COPPER IND., INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

B. Summary of Significant Accounting Policies – continued

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the Plan year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Fully Benefit-Responsive Investment Contracts

The Plan accounts for a fully benefit-responsive investment contract at contract value in accordance with GAAP. Investment contracts held by a defined contribution plan are typically reported at fair value. However, under GAAP, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. As required by GAAP, the accompanying statements of net assets available for benefits present the fair value of the investment contracts and the adjustment from fair value to contract value. The accompanying statements of changes in net assets available for benefits are prepared on a basis that reflects income credited to participants but not realized and unrealized gains and losses on the investment contracts (contract value).

The common collective trust holds guaranteed investment contracts, separate account guaranteed investment contracts, and synthetic guaranteed investment contracts and is considered a fully benefit-responsive investment. All guaranteed investment contracts and the associated wrap contracts are stated at fair value; therefore, an adjustment from fair value to contract value is presented in the Plan's statements of net assets available for benefits as of December 31, 2014 and 2013.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's Administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

UNITED COPPER IND., INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

B. Summary of Significant Accounting Policies – continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined in GAAP are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the assets or liabilities.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires the financial statements describe the methodologies used to measure the fair value of assets and liabilities. Management has described below the methodology used to measure each major category of investments. There have been no changes in the methodologies used at December 31, 2014 and 2013.

- Mutual funds are measured using the estimated net asset values of the shares held by the Plan at year end and are classified within Level 1 of the valuation hierarchy.
- The common collective trust is determined by values reported by the Plan's third-party trustee, audited financial statements of the fund, and transaction prices before and after the Plan's year-end and is classified within Level 2 of the valuation hierarchy.

C. Fair Value Measurements – continued

The following table presents the investments carried at fair value as of December 31, 2014 and 2013, by caption in the statement of net assets available for benefits and by the GAAP valuation hierarchy (as described above). The Plan has no investments classified within Level 3 of the valuation hierarchy.

D. Investments

Investments that represent 5% or more of net assets available for benefits at December 31, are as follows:

	<u>2014</u>
Loomis Sayles Investment Grade Bond Fund A	\$ 832,777
Federated Capital Preservation Trust	493,431
Delaware US Growth A	445,048
Colombia Select Large-Cap Value A	382,139
BlackRock S&P 500 Stock Institutional	376,115

BlackRock S&P 500 Stock Institutional	337,476
BlackRock Equity Dividend Fund A	324,223
BlackRock Global Allocation Fund Class A	235,740

The net realized and unrealized gain on investments for the years ended December 31, 2014 and 2013 was comprised primarily from mutual funds.

E. Tax Status

The Company has adopted a non-standardized prototype plan and trust document on which the Internal Revenue Service ("IRS") has issued an opinion letter stating that the Plan, as then designed, was in compliance with the applicable requirements of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the opinion letter. However, the Plan Sponsor believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Company believes it is no longer subject to income tax examination for years prior to 2011.

F. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan allows for notes receivable from participants. These transactions qualify as party-in-interest transactions and are exempt from prohibited transaction rules.

G. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA.

H. Information Certified by the Recordkeeper on Behalf of the Trustee

The plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator limited auditing procedures with respect to the investment information certified by the record keeper on behalf of the trustee, which included total investments as of December 31, 2014 and 2013, the total investment income for the years ended December 31, 2014 and 2013, and all information included in the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, per the accompanying financial statements to the Form 5500.

	<u>2014</u>	<u>2013</u>
Net assets available for benefits per the financial statements	\$ 4,163,708	\$ 3,916,548
Adjustment from fair value to contract value for fully benefit-responsive investment contracts	<u>1,594</u>	<u>1,746</u>
Net assets available for benefits per the Form 5500	<u>\$ 4,165,302</u>	<u>\$ 3,918,294</u>

UNITED COPPER IND., INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

I. Reconciliation of Financial Statements to Form 5500 – continued

The following is a reconciliation of the net increase in assets available for benefits as of December 31, per the accompanying financial statements to the Form 5500:

	<u>2014</u>	<u>2013</u>
Net increase in assets available for benefits per the financial statements	\$ 247,160	\$ 603,787
Change in adjustment from contract value to fair value for fully benefit-responsive investment contracts	<u>(152)</u>	<u>(4,141)</u>
Net increase in assets available for benefits per the Form 5500	<u>\$ 247,008</u>	<u>\$ 599,646</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements. Government reporting rules were used in preparing the Form 5500 for the years ended December 31, 2014 and 2013, whereas the Plan's financial statements have been prepared on the accrual basis of accounting as required by GAAP. Government reporting rules require the common collective trust to be reported at fair value, while GAAP requires it to be reported at contract value.

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through July 30, 2015, the date the financial statements were available for issuance.
