REPORT OF INDEPENDENT AUDITORS

To the Administrative Committee of Retirement Plus Plan
Forest Lawn Memorial–Parks & Mortuaries
Glendale, California

Report on Financial Statements

We have audited the accompanying financial statements of the Retirement Plus Plan, Forest Lawn Memorial–Parks & Mortuaries (the "Plus Plan"), which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plus Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plus Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Praxity MEMBER GLOBAL ALLIANCE OF INDEPENDENT FIRMS

MOSS-ADAMS LLP

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plus Plan as of December 31, 2014 and 2013, and the changes in net assets available for benefits for the years ended December 31, 2014 and 2013, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2014 is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plus Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Note 1 – Plan Description

The following description of the Retirement Plus Plan, Forest Lawn Memorial–Parks & Mortuaries (the "Plus Plan") is provided for general information purposes only. More complete information regarding the Plus Plan's provisions may be found in the Plan document. This document is available upon request from the Plus Plan's Administrative Committee.

The Plus Plan is a defined contribution plan for the benefit of eligible employees of Forest Lawn Memorial–Park Association and its wholly–owned subsidiary, Forest Lawn Mortuary (collectively the "Company"). The Plus Plan allows immediate participation for defined classes of employees.

Plan administration – The Plus Plan is administered by the Administrative Committee of the Retirement Plus Plan, Forest Lawn Memorial–Parks & Mortuaries (the "Plan Administrator"), which is appointed by the Company.

Trustee, custodian, and registered investment advisor – T. Rowe Price Trust Company ("Trustee") serves as the Plus Plan's trustee and custodian. T. Rowe Price Retirement Plan Services, Inc. serves as the primary recordkeeper for the Plus Plan and is required to provide on a regular basis an accounting of all receipts, disbursements and transactions of the Plus Plan.

NFP Advisor Services, formerly 401K Advisors, served as the Plus Plan's registered investment advisor.

Contributions – The Plus Plan provides for contributions from eligible employees and the Company. Eligible participants are automatically enrolled in the Plus Plan at 3% of eligible compensation. The funds are deposited into the Plus Plan's default investment. On an annual basis, all employees currently contributing to the Plus Plan have their contribution rate increased by 1%, until they reach 7% of their compensation. Employees may elect to contribute up to 50% of their pre–tax annual compensation, limited to a maximum contribution as allowed under the Internal Revenue Code ("IRC").

Contributions by the Company, which are made at the discretion of the Company's Board of Directors, are generally 50% of employee contributions up to 7% of each employee's compensation.

Contributions are subject to regulatory limitations.

Participant accounts – Each participant's account is credited with the participant's contributions, Company contributions, and investment earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions and the Company's contributions to various investment options offered by the Plus Plan. Participants may choose from a variety of mutual fund options, including life cycle funds. Refer to the Summary Plan Description for more details of the various fund options.

Note 1 – Plan Description (continued)

Vesting – Company contributions vest immediately and, therefore, are nonforfeitable when made.

Notes receivable from participants – Participants may borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or one–half of the participant's account balance in the Plus Plan. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 6.12%. Loan maturity is not to exceed five years, except in the case where the loan is used to acquire or construct the participant's principal residence, in which case the loan may be at extended terms up to 15 years. As of December 31, 2014, outstanding loans had various maturity dates through October 2029. Participant loans are valued at their outstanding loan balances at year end.

Benefit payments and withdrawal – Benefits may be distributed to participants at normal retirement age, which is generally age 65, death, or termination of service. Distributions are made either in a lump–sum amount equal to the value of the participant's account, or in equal installments over a term not to exceed ten years. Participants may receive in–service distributions of their entire account balance upon attaining age 59 1/2. The Plus Plan also allows in–service hardship withdrawals for medical, educational, or other severe financial needs for which participants have no other funds available. All withdrawals are subject to the limits specified in the Plan document and by the IRC.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), using the accrual basis of accounting.

Investment valuation and income recognition – The Plus Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e. the "exit price") in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex–dividend date. Interest is recorded when earned. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying financial statements as net appreciation (depreciation) in fair value of investments.

Use of estimates – Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from these estimates.

Note 2 – Summary of Significant Accounting Policies (continued)

Payment of benefits – Benefits are recorded when paid.

Risks and uncertainties – The Plus Plan provides for a number of investment options in mutual funds. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The Plus Plan invests, through the mutual funds, in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

Note 3 – Investments

The following table presents investments that are five percent or more of the Plus Plan's net assets available for benefits.

	December 31,	
	2014	2013
Spartan US S&P 500 Equity Index Fund	$ 4,756,559	$ 4,189,106

T. Rowe Price Retirement 2030 Fund	10,485,574	9,431,031
T. Rowe Price Retirement 2040 Fund	6,348,859	5,603,752

* Amount represents less than 5% of net assets at year end.

The Plus Plan's investments in mutual funds appreciated by $1,035,893 and $7,386,968, respectively, during the years ended December 31, 2014 and 2013, including gains and losses on investments bought and sold as well as held.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

Note 4 – Fair Value Measurements (continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Shares of mutual funds are valued at the net asset value ("NAV") of shares held by the Plus Plan and are valued at the closing price reported on the active market on which the individual securities are traded. Mutual funds are classified within level 1 of the valuation hierarchy.

Shares of common stocks are valued at the closing price reported on the active market on which the individual securities are traded. Common stocks are classified within level 1 of the valuation hierarchy.

The money market fund is a public investment vehicle valued using $1 for the NAV. The money market fund is classified within level 1 of the valuation hierarchy.

Note 4 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plus Plan's investment assets measured at fair value as of December 31, 2014:

Note 5 – Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plus Plan are paid from Plus Plan assets. The Company paid for other expenses of the Plus Plan.

Note 6 – Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated November 9, 2010, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the plan administrator does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2011.

During 2014, one participant's deferral election was changed erroneously to 0% and no deductions were made from payroll for two consecutive payperiods. The Company discovered this error and deemed appropriate to correct by contributing 50% of what the employee contribution would have been if the election was updated in payroll correctly. The total of the calculated correction plus lost earnings amounted to $72, which has been remitted to the Plan during 2014.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plus Plan to amend the Plus Plan or to discontinue its contributions at any time and to terminate the Plus Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Note 8 – Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are available to be issued. The Plus Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plus Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits, but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Plus Plan's management has evaluated subsequent events through July 1, 2015, the date the financial statements were available for issuance.
