Hargray Retirement Plan Committee
Hargray Holdings, LLC 401(k) Savings Plan

In planning and performing our audit of the financial statements and supplemental schedule of the Hargray Holdings, LLC 401(k) Savings Plan (the Plan) as of and for the year ended December 31, 2014, we considered its internal control in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and supplemental schedule and not to provide assurance on the internal control. During our audit, the following matters came to our attention that we believe merits your consideration.

Excess Employer Match

During our audit we noted one that one participant's match contribution was in excess of the match formula stated in the Plan document. Per our inquiry, this was a result of the participant's low hours and pay for multiple periods, as well as the participant's election to withhold additional taxes, which affected the participant's deferral amount. ADP continued to calculate the match on the participant's normal deferral, which resulted in an excess employer match. We noted no other issues with employer match.

We would recommend that Hargray Holdings, LLC monitor employees who receive numerous small paychecks and withhold additional taxes to ensure the matching formula is being properly calculated.

During our audit we noted that the Plan has an IRS Determination letter dated 3/31/2008. Due to the frequency of amendments and new regulations we typically expect plans to be reviewed and updated at least every 5 years. Per our inquiry, the Plan began the process in early 2015. The Plan is currently in the process of updating the Plan document and applying for a new determination letter with the IRS.

We would recommend that Plan continue to pursue the update of the Plan document and apply for the determination letter as soon as possible.

This communication is intended solely for the information and use of management, the Hargray Retirement Plan Committee, and others within the Plan, and is not intended to be and should not be used by anyone other than these specified parties.

Hargray Retirement Plan Committee
Hargray Holdings LLC 401(k) Savings Plan
Hilton Head Island, South Carolina

We have conducted a Department of Labor (DOL) limited-scope audit of the financial statements of Hargray Holdings LLC 401(k) Savings Plan (the Plan) for the year ended December 31, 2014 and have issued our report thereon dated August 10, 2015. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 23, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 of the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2014. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Qualitative Aspects of Accounting Practices (cont.)

Accounting estimates are an integral part of the financial statements prepared by management and are based upon management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and supplemental schedule and because of the possibility that future events affecting them may differ markedly from management's current judgments. The basis for our conclusions as to the reasonableness of these estimates when considered in the context of the financial statements taken as a whole, as expressed in our auditor's report, is either our development of an independent expectation of the estimates to corroborate management's estimates or our review and tests of the process used by management to develop the estimates.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 10, 2015.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This report is intended solely for the information and internal use of those charged with governance of the Plan and Plan management and is not intended to be and should not be used by anyone other than these specified parties or for any other purpose.

We will be pleased to discuss this report with you further at your convenience.

Sincerely,

Hancock Asken & Co., LLP

Hargray Retirement Plan Committee
Hargray Holdings, LLC
Hilton Head, South Carolina

We were engaged to audit the accompanying statements of net assets available for benefits of Hargray Holdings LLC 401(k) Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2014 and 2013, and for the year ended December 31, 2014, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule, Schedule H line 4i, Schedule of Assets (held at year-end), as of December 31, 2014, which are the responsibility of Plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America, and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Respectfully submitted,

Hargray Holdings LLC 401(k) Savings Plan

Notes to Financial Statements

1. Description of the Plan

The Hargray Holdings LLC 401(k) Savings Plan (The Plan) was formed on March 1, 2009. The following description provides general information about the Plan's provisions. Hargray Holdings LLC (the Company) is the Plan sponsor. Participants should refer to the Plan document and summary Plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan is a defined contribution plan covering substantially all full-time employees of the Company who are age eighteen or older.

The Hargray Retirement Plan Committee (the Committee) is responsible for the general administration of the Plan. Fidelity Management Trust Company (Fidelity) is the trustee and record keeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. The Company contributes 75% of the first 6% of compensation that a participant contributes to the Plan. Additional discretionary contributions may be made at the discretion of the Company's board of directors. During 2014, a discretionary contribution of an additional 25% of the first 6% of compensation was made by the Company. All contributions are subject to certain limitations of the Internal Revenue Code.

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. If participants do not elect a specific fund at enrollment, their contributions are invested in the applicable lifecycle fund based on their age and a normal retirement date assumption until participants change their election. The Company's contributions are allocated in the same manner as that of the participant's elective contributions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions are based on one year of credited service. A participant is 100 % vested after one year of credited service. A year of service is one in which the participant worked at least 1,000 hours.

Hargray Holdings LLC 401(k) Savings Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Payments of Benefits

Upon separation from service with the Company due to death, disability, retirement or termination, a participant or beneficiary whose vested account balance exceeds \$5,000 may elect to receive either a lump-sum distribution or may elect installment payments on a quarterly or annual basis. Participants whose vested account balance are \$5,000 or less and have not commenced receiving installment payments will automatically receive immediate lump-sum distribution equal to their vested account balances.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are regulated by the Internal Revenue Service and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Notes Receivable from Participants

Participants may borrow from their accounts in increments of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The \$50,000 limit is reduced by the participant's highest outstanding loan balance during the preceding 12-month period. A participant may not have more than one loan outstanding at any point in time. The loans bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions. If a participant terminates employment with the Company, they may continue to make loan payments through a pre-authorized check agreement. If the loan is not repaid, it will automatically be treated as a distribution to the participant after three months.

Allocation Provisions

Each participant's account is credited with the participant's contributions, the Company's matching and discretionary contributions, allocations of Plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Hargray Holdings LLC 401(k) Savings Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Forfeited Accounts

Upon termination of employment, participants forfeit their non-vested balances. If a participant is rehired within a five year period, the forfeited contributions are reinstated. Forfeited balances of terminated participant's non-vested accounts are used first to pay administrative expenses. Remaining forfeitures, if any, are used to reduce future Company contributions. At December 31, 2014 and 2013, there were approximately \$4,000 and \$41,000, respectively, in unallocated, forfeited account balances. During 2014, approximately \$77,000 of forfeited nonvested contributions were to reduce Company contributions.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Company.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

The fair value of investments in mutual funds is based upon quoted prices in active security exchanges. The fair value of investments in common collective trust funds is based upon the fair value of underlying assets including guaranteed investment contracts.

Hargray Holdings LLC 401(k) Savings Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Investment Valuation and Income Recognition (cont.)

The Fidelity Managed Income Portfolio Fund is a common collective trust fund that invests in fully benefit-responsive investment contracts. This fund is recorded at fair value; however, since these contracts are fully benefit-responsive, an adjustment is reflected in the statements of net assets available for benefits to present these investments at contract value. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value represents contributions plus earnings, less participant withdrawals and administrative expenses. For the Plan years ended December 31, 2014 and 2013, the funds earned an average yield of approximately 1.67% and 1.54%, respectively, and the average yield credited to participants was approximately 1.07% and 0.89%, respectively.

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the hierarchy are described below.

Basis of Fair Value Measurement

- Level 1 - Fair value is based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access at the measurement date.
- Level 2 - Fair value is based on quoted prices in markets that are not active, quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 - Fair value is based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable. These inputs reflect management's judgment about the assumptions that a market participant would use in pricing the investment and are based on the best available information, some of which may be internally developed.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Hargray Holdings LLC 401(k) Savings Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Investment Valuation and Income Recognition (cont.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contribution Refundable

Excess contributions refundable represents amounts owed to participants who made excess contributions based on compliance testing performed by the Plan's recordkeeper.

Benefit Payments

Benefit payments to participants are recorded when paid.

3. Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2014 and 2013;
- Investment activity, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2014; and
- The schedule of assets (held at year-end) as of December 31, 2014, as shown in the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the Plan's financial statements and supplemental schedule.

Hargray Holdings LLC 401(k) Savings Plan

Notes to Financial Statements

- 4. Investments** Investments that represent 5% or more of the Plan's net assets are separately identified as follows:

<i>December 31,</i>	2014	2013
Fidelity Managed Income Portfolio Fund	\$ 3,883,583	\$ 4,094,087
Allianz NFJ Dividend Value Fund	\$ 3,615,539	\$ 3,923,282
Spartan US Equity Index Fund-Advantage	\$ 3,197,337	\$ 3,194,778
Fidelity Growth Discovery Fund – Class K	\$ 1,808,097	\$ 1,645,299
Vanguard Target Retirement 2035	\$ 1,760,382	\$ **
Fidelity Balanced Fund – Class K	\$ 1,756,719	\$ 1,507,557
Fidelity Low Priced Stock Fund – Class K	\$ 1,679,114	\$ 1,803,920
Vanguard Target Retirement 2025	\$ 1,630,619	\$ **

***Does not represent 5% or more of the Plan's net assets.*

During 2014, the Plan's investments (including investments purchased, sold, as well as held during the year) appreciated \$996,064.

- 5. Tax Status** The underlying non-standardized prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2008, stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code (the Code) and therefore the related trust is tax-exempt. In accordance with Revenue Procedures 2009-6 and 2005-16, the Plan administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.
- 6. Plan Termination** Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

Hargray Holdings LLC 401(k) Savings Plan

Notes to Financial Statements

- 7. Related-Party Transactions** Notes receivable from participants, with interest rates ranging from 4.25% to 8.75%, totaled \$836,869 and \$813,318 at December 31, 2014 and 2013, respectively, and qualify as party-in-interest transactions.
- Fees paid by the Plan to Fidelity amounted to \$43,488 for the year ended December 31, 2014.
- The Plan holds units of common/collective trust funds managed by Fidelity, the trustee of the Plan. The Plan also invests in mutual funds managed by Fidelity. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.
- 8. Excess Contributions Refundable** Excess contributions refundable represents amounts owed to participants who made excess contributions based on compliance testing performed by the Plan's recordkeeper. The excess contributions refundable balance as of December 31, 2014 was returned by the Plan to the participants in March 2015.
- 9. Risks and Uncertainties** The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
- 10. Fair Value Measurement** The following tables set forth by level within the fair value hierarchy the Plan investment assets at fair value, as of December 31, 2014 and December 31, 2013.

Investment Assets at Fair Value as of December 31, 2014

(a) This category includes investments in highly diversified funds designed to remain appropriate for investors in terms of risk throughout a variety of life circumstances. These investments share the common goal of first growing and then later preserving principal and contain a mix of U.S. common stocks, U.S. issued bonds and cash. There are currently no redemption restrictions on these investments. The fair values of the investments in this category are based upon the active market value per share.

(b) This category represents a common/collective trust fund that is designed to deliver safety and stability by preserving principal and accumulating earnings. This fund is primarily invested in debt securities. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a twelve month redemption notice to liquidate its entire share in the fund to Fidelity. The fair value of this fund has been estimated based on the fair value of the underlying investment contracts in the fund as reported by the issuer of the fund. The fair value differs from the contract value. As previously discussed in Note 2, contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes to Financial Statements

11. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2014 to the Form 5500:

Net assets available for benefits per the financial statements	\$ 30,238,161
Excess contributions refundable	9,866
Adjustment from contract value to fair value for fully benefit-responsive investment contracts	56,764

Net assets available for benefits per the Form 5500	\$ 30,304,791
---	---------------

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2013, to the Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 540,011
Excess contribution refundable at December 31, 2014	9,866
Excess contribution refundable at December 31, 2013	(9,162)
Adjustment from contract value to fair value for fully benefit-responsive investment contracts	56,764
Adjustment from contract value to fair value for fully benefit-responsive investment contracts at	(61,710)

Net increase in net assets available for benefits per the Form 5500	\$ 535,769
---	------------

The accompanying financial statements report the Fidelity Managed Income Portfolio Fund, a common/collective trust with underlying investments in fully benefit-responsive investment contracts, at contract value. The Form 5500 requires that investments in common/collective trusts be reported at fair value. Therefore, the adjustment from contract value to fair value represents a reconciling item.

12. Subsequent Events

Management evaluated subsequent events for the Plan through August 10, 2015, the date the financial statements were available to be issued.
