We have audited the accompanying financial statements of Miller Environmental Employee Benefit Plan Trust, which comprise the statements of benefit obligations and net assets available for benefits as of November 30, 2014 and 2013, the related statements of changes in benefit obligations and net assets available for benefits for the year ended November 30, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Miller Environmental Employee Benefit Plan Trust as of November 30, 2014 and 2013, and the changes in its financial status for the year ended November 30, 2014 in accordance with accounting principles generally accepted in the United States of America.

MILLER ENVIRONMENTAL
EMPLOYEE BENEFIT PLAN TRUST
NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Miller Environmental Employee Benefit Plan Trust (the Plan) provides only general information. Participants should refer to the Trust agreement and Plan Document for a more complete description of the Plan's provisions.

General

The Plan was established on November 1, 2004 by CKM Industries, Inc. dba Miller Environmental Services (the Plan Sponsor), for the purpose of providing and paying group medical expense benefits, well care benefits and prescription drug benefits for eligible participants. The Plan was created to comply with the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) relating to welfare benefits. The plan changed its year end from October 31st to December 31st effective January 1, 2012 and subsequently changed it to November 30th effective November 30, 2012.

Benefits

Benefits for covered medical and dental expenses, well care costs and prescription drug costs are paid on behalf of eligible members and their eligible dependants as provided for in the Plan document. Benefits are provided for eligible employees that meet an initial waiting period for eligibility. Participants are eligible for Plan levels A, B, C, D or E depending on the length of time covered by the plan. Benefits, monthly family deductible and coinsurance vary by plan level. Plan A was amended effective November 1, 2014 to eliminate the annual limit on benefits. The previous plan had requested and received a waiver of this requirement from the U.S. Department of Health and Human Services until October 31, 2014. Benefit obligations were funded by the Plan Sponsor as claims were submitted, approved and paid by the Plan. The Plan also offers continuation of coverage as required by COBRA regulations.

Medical claims paid are reinsured subject to an individual stop-loss of $40,000 or more, as defined by the policy. This insurance plan is in the name of CKM Industries, Inc. dba Miller Environmental (the Plan Sponsor) and is, therefore, not deemed to be an asset of the Plan.

Note 1 – Description of Plan, continued

Contributions

The Plan is funded by the Plan Sponsor and, where required, by employee contributions. The level of employee contributions is set by the employer. These contributions are adjusted based upon claims experience.

Eligibility Requirements

Eligibility is generally established on the first of the month following an employee's completion of sixty days of continuous full-time employment, as defined in the plan document.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accounting records of Miller Environmental Employee Benefit Trust are maintained and the accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the trustee to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the estimate of claims liability which could change in the near term.

Benefit Obligations

Obligations of the Plan at November 30, 2014 and 2013 for covered medical costs for health care issues incurred by participants by the end of each period are estimated by the Plan, using claims payment experience during the fiscal year, evaluation of specific participant health care issues and any other matters which may affect the reasonableness of the estimated liability. The claims liability estimate includes both claims reported to the Plan but not paid, and claims incurred but not reported to the Plan. This value is based on a projection of the costs that are expected to exist during the eligibility period that immediately follows the end of the plan year. The projections do not take into account any interest earnings or interest costs during the payout period and, therefore, do not represent a present value estimate. The Plan has considered present value calculations and other

adjustments and has determined that they are not applicable. Any such adjustments would be of a magnitude smaller than the expected error in the calculations of the obligation and, because of their trivial amount, are not applicable. At November 30, 2014 and 2013, $159,853 and $50,673, respectively, of the claims represent claims reported to the plan, but not paid. At November 30, 2014 and 2013, $12,063 and $39,247, respectively, of the claims liability estimate represents claims incurred but not reported to the Plan.

Date of Management's Review

Subsequent events were evaluated through August 17, 2015, which is the date the financial statements were available to be issued.

Note 3 - Administrative Fees

The Plan Sponsor receives no fees in connection with administrative duties related to the Plan. Therefore, certain additional administrative costs are absorbed by the employer. The Plan has contracted with an administrative servicer to perform some of the administrative tasks, including review and payment of claims. Administrative fees paid to this servicer through the Plan aggregated $174,008 for the year ended November 30, 2014. Additional fees of $26,927 related to claims were paid to the servicer and reported as part of claims paid for the year ended November 30, 2014.

Note 4 - Tax Status

The Trust is a taxable trust and at November 30, 2014 the Trust's net investment income resulted in no tax liability.

Note 5 – Plan Termination or Amendment

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to, at any time, amend, suspend or terminate the Plan in whole or in part. This includes amending the benefits under the Plan or the Trust Agreement. Upon termination of the Plan, the Trustee, in accordance with the Trust Agreement, shall apply all the remaining assets of the Trust Fund in a uniform and nondiscriminatory manner exclusively toward the provision of benefits of those persons enrolled in the Plan at the time of termination and the related administration costs. The rights of the Plan participants are limited to expenses incurred before termination.

Note 6 – Medicare Prescription Drug Coverage Notice

Participants in the Plan were notified of the existence of Medicare prescription drug coverage and are encouraged to consider enrolling in it. The Plan has determined that the prescription drug coverage provided for under Plan D is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay. The Plan has determined that the prescription drug coverage provided for under Plans A, B, C and E is, on average for all plan participants, not expected to pay out as much as the standard Medicare prescription drug coverage will pay.

Note 7 – ERISA Fidelity Bond Coverage

Management is currently taking steps to obtain fidelity bond coverage that is in compliance with ERISA requirements.
