Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the CCS Medical 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the Trustee as of December 31, 2014 and 2013, and for the year ended December 31, 2014, that the information provided to the Plan administrator by the trustee is complete and accurate.

1. Description of Plan

General

The CCS Medical ("Employer") 401(k) Plan (the "Plan") is a prototype defined contribution plan covering all eligible employees who have attained three months of service. The Plan was originally effective January 1, 1999. The Plan was restated and amended effective July 1, 2006. The Plan was originally named Diabetic Supply of USA 401(k) Plan. Effective July 1, 2006, the Plan merged with the MP Total Care 401(k) Plan, at which time the name of the Plan was changed to CCS Medical 401(k) Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Plan Administration

CCS Medical, Inc. serves as the Plan sponsor and administrator. Fidelity Management Trust Company is the Plan's trustee and recordkeeper (the "Trustee" or "Recordkeeper").

Contributions

Participants may elect to contribute, on a tax deferred basis, up to 75% of the participant's eligible compensation subject to certain limitations under the Internal Revenue Code ("IRC"). The Employer may make a discretionary profit sharing contribution at an amount that is determined annually. The Employer elected not to make a profit sharing contribution for the years ended December 31, 2014 and 2013. In addition, the Employer may make a discretionary matching contribution. In 2014, the Employer discretionary matching contribution was 50% of the aggregate salary reduction, not to exceed 4% of total compensation.

Participant Accounts

Each participant's account is adjusted for distributions to the participant, participant's contributions, employer contributions, and Plan earnings or losses as well as a portion of the administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant accounts are maintained by the Trustee of the Plan assets. Participants direct the allocation of contributions among the investment funds allowed under the Plan.

Vesting

Participants are immediately vested in their voluntary contributions and rollovers, plus actual earnings therein. Vesting of matching and profit sharing contributions plus actual earnings thereon is based on years of employment or service. Below is the Plan's vesting table:

Years of Service	Vesting Percentage
Less than 1 year	0%
1	33%
2	66%
3 years or more	100%

Upon death, disability, or termination of the Plan, the employer matching and profit sharing contributions become 100% vested.

Forfeitures

Forfeitures of nonvested matching and profit sharing contributions are used to reduce future matching contributions and to pay administrative fees. There were no unallocated forfeitures at December 31, 2014. At December 31, 2014 and 2013, $1,645 and $234,183 of forfeitures were used to reduce employer matching contributions, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested interest. Participants are allowed to have no more than one loan outstanding at any time. The repayment period for participant loans cannot exceed five years, except for loans used for the purchase of a participant's primary residence, which must be paid back within ten years. Principal and interest are paid ratably through payroll deductions. These loans are secured by the balance in the participant's account. Interest rates on outstanding loans as of December 31, 2014 ranged from 4.25% to 5.50% with various dates of maturity through 2024.

Rollovers

Rollovers represent transfers of account balances of certain participant contributions into certain investments of the Plan from other qualified plans or individual retirement accounts.

Payment of Benefits

Benefits in the form of a lump sum payment may be distributed to a participant or a participant's beneficiary upon retirement, or the participants reaching the age of 59-1/2, death, disability, hardship or termination of employment. If employment is terminated for any reason other than those previously mentioned, the participants will only be entitled to the portion of the employer contributions for which participants are vested. Participants are entitled to 100% of the account balance of any salary reduction or voluntary contributions made on their own behalf.

Administrative Expenses

The administrative expenses of the Plan are absorbed by the Employer, with the exception of certain transaction fees paid by the Plan and participant loan origination fees paid by the borrower. Administrative expenses include participant based transaction expenses such as distribution and loan fees as well as Plan related expenses.

Excess Contributions Payable

Refunds of excess deferral contributions are required to satisfy the relevant nondiscrimination provision of the plan. Excess contributions payable for 2014 and 2013 are $74,734 and $24,975, respectively. These amounts are included in the statements of net assets available for benefits as excess contributions payable at December 31, 2014 and 2013.

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions to the investment options available in the Plan. Employer contributions are allocated according to the participant's investment allocations.

2. Summary of Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

New Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07, "Fair Value Measurement: Disclosure for Investments in Certain Entities That Calculate Net Asset Value per Share". ASU 2015-07 simplifies Topic 820 by removing the requirement to categorize, within the fair value hierarchy, all investments measured using the net asset value per share practical expedient. Although classification within the fair value hierarchy is no longer required, an entity must disclose the amount of investments measured using the NAV practical expedient in order to permit reconciliation of the fair value of investments in the hierarchy to the corresponding line items in the balance sheet.

Investment Valuation and Income Recognition

Investments are maintained by Fidelity and are stated at fair value. Shares of mutual funds are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end.

As described in Accounting Standards Codification ("ASC") 962, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. As required by ASC 962, the accompanying statements of net assets available for benefits presents the fair value of the guaranteed investment contract, as

well as the adjustment of the fully benefit-responsive guaranteed investment contract from fair value to contract value. The accompanying statement of changes in net assets available for benefits is prepared on a contract value basis.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of investments are recorded on a trade-date basis. The statement of changes in net assets available for benefits include net appreciation which represents the unrealized appreciation/depreciation for the year on investments held at year-end and realized appreciation/ depreciation on investments sold during the year. Dividend income is recorded on the ex-dividend date. Interest income from other investments is recorded as earned on the accrual basis.

Fully Benefit-Responsive Investment Contracts

The Plan maintains an investment in one fully benefit-responsive guaranteed investment contract, the Stable Value Fund. The fund invests primarily in investment contracts such as guaranteed investment contracts ("GICs") and entered into wrapper contracts with underlying securities to create synthetic GICs. The contract value is generally equal to the principal amounts invested in the underlying investments, plus interest accrued at a crediting interest rate established under the contract, less any adjustments for withdrawals and any applicable administrative expenses. An investment contract is generally valued at contract value, rather than fair value, to the extent it is fully benefit-responsive.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. There was no allowance at December 31, 2014 or 2013 as the loans are fully collateralized by the participants' accounts.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions and Contribution Receivables

Contributions are recorded on the accrual method of accounting. Contribution receivables are obligations arising from amounts owed to the plan from the participants or the Employer that have not been included in the Plan's investments at year end. Contribution receivables are recorded at cost, which approximates their fair value. There were $139,560 of contribution receivables at December 31, 2014 and $103,523 at December 31, 2013.

Payment of Benefit

Benefits are recorded when paid.

3. Investment Contract with Insurance Company

The Plan has a fully benefit-responsive contract with Fidelity. The net asset value ("NAV") of the fund is based on the market value of its underlying investments. The fund is fully benefit-responsive; therefore, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against the fund value for credit risk of the fund issuer or otherwise. The statements of net assets available for benefits present an investment contract at fair value, as well as an additional line item showing an adjustment of the fully benefit-responsive contract from fair value to contract value. The objective of the collective trust fund is to provide a diversified group of investments offering competitive levels of yield consistent with stable fixed-income methodology. The collective trust fund seeks to achieve this objective by investing in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The collective trust fund can be redeemed daily with a 30-day notice period and as of December 31, 2014, there were no unfunded commitments.

The average yields of collective trust fund were as follows:

	2014
Average yields:	
Based on actual earnings	1.65%
Based on interest rate credited to participants	0.99%

4. Information Certified by the Plan Trustee (Unaudited)

All investments are held by Fidelity Management Trust Company under the Plan's trust agreement at December 31, 2014 and December 31, 2013. The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- Investments as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2014 and 2013;
- Investment income, as reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2014 as follows:

Interest and dividends	$	1,119,803
Net appreciation in fair value of investments	$	292,074

- Investment values disclosed in Note 6;
- Investment information disclosed in Note 5; and
- Investments, as reflected in Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2014.

The plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Investments

The following represents investments with a value of 5% or more of the Plan's net assets available for benefits:

December 31,	2014	2013
Fidelity Retire Money Market	$ *	$ 960,156
American Century OC 2020 INV	1,181,192	1,232,179

American Century OC 2025 INV	2,885,521	2,582,599
American Century OC 2035 INV	2,961,660	2,541,317
American Century OC 2045 INV	1,699,372	1,822,161
Total investment above 5%	12,748,398	13,239,274
Total investment below 5%	8,521,043	7,562,970
Total investments	$ 21,269,441	$ 20,802,244

* These investments either did not exist or meet the 5% of total assets threshold for the applicable year.

6. Fair Value Measurement

ASC 820, "Fair Value Measurements and Disclosures", establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Basis of Fair Value Measurement

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

	Investments at Fair Value as of December 31, 2014			
	Level 1	Level 2	Level 3	Total

The following tables set forth by level within the fair value hierarchy the Plan investment assets at fair value, as of December 31, 2014 and 2013. As required by ASC 820, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

7. Party-in-Interest Transactions

Fidelity Management Trust Company is a party-in-interest and has issued investments held by the Plan as noted in the attached supplemental schedule. Notes receivable from participants and the related interest income also qualify as party-in-interest transactions.

8. Plan Termination

Although it has not expressed such intent, the Employer reserves the right to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. Tax Status

The current prototype Plan obtained its determination letter dated March 31, 2008 in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The prototype plan has been amended since receiving the determination letter; however, the Plan's administrator believes that the prototype plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal, state and/or local taxing authorities. The Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

December 31,	2014	2013
Net assets available for benefits per the financial statements	$ 21,896,856	$ 21,474,766
Less: Current year total contribution receivables	(139,560)	(103,523)
Add: Current year return of excess contribution	74,734	24,975
Net assets available for benefits per Form 5500	$ 21,832,030	$ 21,396,218

The following is a reconciliation of the net increase in assets available for benefits per the financial statements to the Form 5500:

December 31,	2014
Net increase in net assets available for benefits per the financial statements	$ 422,090
Less: Current year contribution receivables	(139,560)
Plus: Prior year contribution receivables	103,523
Less: Prior year return of excess contribution	(24,975)
Plus: Current year return of excess contribution	74,734
Net increase per Form 5500	$ 435,812

12. Subsequent Events

In preparation of its financial statements, the Company considered all subsequent events through August 27, 2014, which was the date the Plan's financial statements were available to be issued.

Dear Ms. Cadenhead & Ms. Blackwell:

Professional standards require us to communicate with you regarding matters related to the audit, that are, in our professional judgment, significant and relevant to your responsibilities in overseeing the financial reporting process. On May 26, 2015 we presented an overview of our plan for the audit of the financial statements of CCS Medical 401(k) Plan (the Plan) as of and for the year ended December 31, 2014, including a summary of our overall objectives for the audit, and the nature, scope, and timing of the planned audit work.

This communication is intended to elaborate on the significant findings from our audit, including our views on the qualitative aspects of the Company's accounting practices and policies, management's judgments and estimates, financial statement disclosures, and other required matters.

We are pleased to be of service to the Plan and look forward to meeting with you at your convenience to discuss our audit findings, as well as other matters that may be of interest to you, and to answer any questions you might have.

Respectfully,

BDO USA, LLP

Status of Our Audit

We have substantially completed our audit of the financial statements, including procedures applied to the supplemental schedules, of the Plan as of and for the year ended December 31, 2014. Our audit was conducted in accordance with auditing standards generally accepted in the United States of America. This audit of the financial statements does not relieve Plan management or those charged with governance of their responsibilities. The term "those charged with governance" encompasses the term Board of Directors or Audit Committee or other formally designated body that has financial oversight responsibilities.

- ✓ The objective of our audit was to obtain reasonable - not absolute - assurance about whether the financial statements are free from material misstatements.
- ✓ The scope of the work performed was substantially the same as that described to you in our earlier Audit Planning communications.
- ✓ As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we have not performed auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, the trustee (or custodian) of the Plan, other than comparing that information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information that we did not audit, we did not express an opinion on the financial statements and supplemental schedules taken as a whole. As such, the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified to by Fidelity Management Trust Company, was audited by us in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- ✓ Our responsibility for other information in documents containing the Plan's audited financial statements (e.g., Form 5500 filed with the DOL) does not extend beyond the financial information identified in the audit report, and we are not required to perform procedures to corroborate such other information. However, in accordance with professional standards, we have read the information included by the Plan in the Form 5500 and considered whether such information, or the manner of its presentation, was materially consistent with its presentation in the Plan financial statements. Our responsibility also includes calling to Plan management's attention any information that we believe is a material misstatement of fact. We have not identified any material inconsistencies or concluded there are any material misstatements of facts in the other information that Plan management has chosen not to correct.
- ✓ All records and information requested by BDO were freely available for our inspection.
- ✓ Plan management's cooperation was excellent. We received full access to all information that we requested while performing our audit, and we acknowledge the full cooperation extended to us by all levels of Plan personnel throughout the course of our work.

Results of Our Audit

ACCOUNTING PRACTICES, POLICIES, ESTIMATES

The following summarizes the more significant required communications related to our audit concerning the Plan's accounting practices, policies, and estimates:

The Plan's significant accounting practices and policies are those included in Note 2 to the financial statements. These accounting practices and policies are appropriate, comply with generally accepted accounting principles and industry practice, were consistently applied, and are adequately described within Note 2 to the financial statements.

- A summary of recently issued accounting pronouncements is included in Note 2 to the Plan's financial statements.
- There were no changes in significant accounting policies and practices during 2014.

Significant estimates are those that require Plan management's most difficult, subjective, or complex judgments, often as a result of the need to make estimates about the effects of matters that are inherently uncertain. The Plan's significant accounting estimates, including a description of management's processes and significant assumptions used in development of the estimates, are disclosed in Note 2 of the financial statements.

Significant accounting estimates include:
Deferral remittances • Reviewed recordkeeper (Fidelity) and payroll data to ensure timely remittances of deferrals in accordance with DOL REG 2510.3-102. All remittances appear timely.
Eligibility • Tested eligibility for a sample of participants. No issues noted.
Contributions • Tested participant contributions and verified accuracy for a sample of participants. No issues noted.
Benefits Payments & Notes Receivable from Participants • Tested transactions to ensure distributions and loans were made in accordance with the Plan document. No issues were noted.
Investments • Tested allocation of earnings at the participant and plan level. No issues noted.

- Plan management did not make any significant changes to the processes or significant assumptions used to develop the significant accounting estimates in 2014.

Results of Our Audit

CORRECTED AND UNCORRECTED MISSTATEMENTS

Please refer to the schedule of corrected misstatements noted below:

Item #	Account Name and Adjustment Description	Debit	Credit
1	Corrective Distributions	74,734	
	Corrective Distributions Payable		74,734
	To record excess contribution refund		

There were no uncorrected misstatements, other than those that were clearly trivial, related to accounts and/or disclosures that we presented to Plan management.

QUALITY OF THE PLAN'S FINANCIAL REPORTING

A discussion will be held regarding the quality of the Plan's financial reporting, which will include the following:

- Qualitative aspects of significant accounting policies and practices - We noted that the financial statements have adequately disclosed the Company's significant accounting policies and practices and we have determined that the accounting policies and practices are in-line with the Company's industry.
- Our conclusions regarding significant accounting estimates - We did not note nay significant accounting estimates.
- Significant unusual transactions - We noted that the Company has properly accounted for and disclosed significant unusual transactions as discussed above.
- Financial statement presentation - We noted that the financial statements were reasonably presented and material disclosures are complete.
- New accounting pronouncements - There were no new accounting pronouncements that the Company adopted during the current year that had any significant impact.
- Alternative accounting treatments - No alternative accounting treatments were observed.

Internal Control Over Financial Reporting

In planning and performing our audit procedures on the information included in the financial statements, including procedures applied to the supplemental schedules, other than that derived from the information certified to by Fidelity Management Trust Company, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses.

We are required to communicate, in writing, to those charged with governance all material weaknesses and significant deficiencies that have been identified in the Plan's internal controls over financial reporting. The definitions of control deficiency, significant deficiency and material weakness follow:

Category	Definition
Deficiency in Internal Control	A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.
Significant Deficiency	A deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Material Weakness	A deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.

In conjunction with our audit of the Plan financial statements, we noted no material weaknesses.

Other Required Communications

Following is a summary of other required items, along with specific discussion points as they pertain to the Plan:

Requirement	Discussion Points
Significant changes to planned audit strategy or significant risks initially identified	There were no significant changes to the planned audit strategy or significant risks initially identified and previously communicated to those charged with governance as part of our Audit Planning communications.
Obtain information from those charged with governance relevant to the audit	There were no matters noted relevant to the audit, including, but not limited to: violations or possible violations of laws or regulations; risk of material misstatements, including fraud risks; or tips or complaints regarding the Plan's financial reporting that we were made aware of as a result of our inquiry of those charged with governance.
If applicable, nature and extent of specialized skills or knowledge needed related to significant risks	There were no specialized skills or knowledge needed, outside of the core engagement team, to perform the planned audit procedures or evaluate audit results related to significant risks.
Consultations with other accountants	We are not aware of any consultations about accounting or auditing matters between management and other independent public accountants. Nor are we aware of opinions obtained by management from other independent public accountants on the application of generally accepted accounting principles.
Significant findings and issues arising during the audit in connection with the Plan's related parties (including party in interest)	We have evaluated whether the identified related party (including party in interest) relationships and transactions have been appropriately identified, accounted for, and disclosed and whether the effects of the related party (including party in interest) relationships and transactions, based on the audit evidence obtained, prevent the financial statements from achieving fair presentation.
Disagreements with Plan management	There were no disagreements with management about matters, whether or not satisfactorily resolved, that individually or in aggregate could be significant to the Plan's financial statements or to our auditor's report.
Significant difficulties encountered during the audit	There were no significant difficulties encountered during the audit.

Other Required Communications

Requirement	Discussion Points
If applicable, other matters significant to the oversight of the Plan's financial reporting process, including complaints or concerns regarding accounting or auditing matters	There are no other matters that we consider significant to the oversight of the Plan's financial reporting process that have not been previously communicated.
Representations requested from management	Please refer to the management representation letter.

Independence Communication

Our engagement letter to you dated May 26, 2015 describes our responsibilities in accordance with professional standards and certain regulatory authorities with regard to independence and the performance of our services. This letter also stipulates the responsibilities of the CCS Medical 401 (k) with respect to independence as agreed to by the CCS Medical 401 (k) Plan. Please refer to that letter for further information. We are still in compliance with this letter.

We are not aware of any relationships between our firm and the Company that may reasonably be thought to bear on our independence as of the date of the communication. We hereby confirm that as of August 27, 2015, we are independent accountants with respect to the Company requirements.
