NOTE 1 – DESCRIPTION OF PLAN

The following description of the Kahlig Auto Group Health Benefit Plan (the "Plan"), formerly known as North Park Lincoln Mercury, Inc. Group Health Plan, is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

This Plan is an employee welfare benefit plan sponsored by Kahlig Auto Group (the "Employer" or "Company"), which consists of North Park Lincoln Mercury Inc. and its related dealerships Kahlig Enterprises, Inc. dba Bluebonnet Motors, Kahlig Motor Co. dba North Park Lexus, North Park South Texas, Inc. dba North Park Toyota of San Antonio, North Park I-10 West, Inc. dba North Park Volkswagen of Dominion, Bluebonnet Chrysler Dodge, Ltd. dba Bluebonnet Chrysler Dodge, NPMI Management, Inc. dba North Park Mazda, and Clarence J. Kahlig, II dba Kahlig Ranches. The Plan is a self-insured medical plan in which the benefits are funded by the Kahlig Auto Group Health Benefit Trust (the "Trust"), which was established December 1, 2013. Prior to December 1, 2013, the Plan was fully insured and funded through the general assets of the Employer. Accordingly, the Plan has no assets, liabilities or obligations prior to December 1, 2013. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan provides medical benefits, including prescription drug benefits, to eligible employees. Full time employees, as defined in the Plan document, become eligible on the first day of the month following the completion of 90 days of service. The plan provides for two coverage options called the Base Plan and the Buy-Up Plan. Both options provide similar benefits, but have different cost and coverage structures. The Prescription Drug Benefits are the same under both options. The cost for coverage is shared by the Employer and Participant, based on estimated costs and are reset annually. The Plan does not provide for post-employment benefits, other than benefits defined by the Consolidated Omnibus Budget Reconciliation Act (COBRA). Participants must pay the full cost of coverage if electing COBRA benefits.

The Company has a stop loss coverage policy with Blue Cross Blue Shield of Texas (Blue Cross). The individual stop-loss coverage equals the amount of paid claims for a covered participant in excess of $100,000, subject to certain policy limits. Benefit payments presented in these financial statements are net of recoveries from the stop-loss insurance.

Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, all funds remaining in the Trust are to be used for payment of claims and Plan expenses in accordance with the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan included herein have been prepared on an accrual basis under accounting principles generally accepted in the United States of America ("GAAP"). Claims and insurance premiums are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and benefit obligations at the date of the financial statements and changes in net assets available for benefits and in benefit obligations during the reporting period and, when applicable the disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ materially from those estimates.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, liquidity risk and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of certain investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements. The estimate of the Plan's incurred but not reported claims obligation is particularly subject to change in the near term. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Claims Payable

Claims payable within these financial statements consist of an estimate for claims incurred but not reported and claims in the course of settlement which are to be paid by the Plan. This estimate was determined by the Company's management based on historical claim experience and assumptions regarding time periods for claims submission and processing. This estimate is particularly subject to change in the near term.

NOTE 3 - UNAUDITED INFORMATION – CERTIFIED INVESTMENTS

Substantially all information pertaining to the Plan's investments included in the financial statements, including the associated investment income (loss), was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Frost Bank, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: The fair value of the mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The valuation of assets measured at fair value at November 30, 2014 is summarized below:

	Level 1	Level 2	Level 3	Total Fair Value
Investments at fair value:				
Mutual funds	$ 824,448	$ -	$ -	$ 824,448
Total investments at fair value	$ 824,448	$ -	$ -	$ 824,448

NOTE 5 – OBLIGATIONS

The Plan's obligations for active employees at the end of the plan year includes claims payable, an estimate of claims incurred but not reported which was estimated by the Company's management and stop loss premiums payable. Obligations as of November 30 are summarized in the following table:

	2014
Claims payable and estimated claims incurred but not reported	$ 250,471
Stop loss premiums payable	76,244
Total obligations	$ 326,715

Changes in obligations for the year ended November 30, 2014, are summarized in the following table:

Benefit obligations at beginning of year	$ -
Claims incurred	3,440,807
Claims paid	(3,190,336)
Change in benefit obligations	250,471
Stop loss premiums payable at beginning of year	$ -
Premiums incurred	485,447
Premiums paid	(409,203)
Change in premiums payable	76,244
Total obligations at end of year	$ 326,715

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Blue Cross Blue Shield of Texas (BCBS) is the claims processor for the Plan and also provides stop loss insurance coverage. BCBS received approximately $690,000 for these services. In addition, fees were paid to parties-in-interest for various plan administrative services. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

NOTE 7 – INCOME TAX STATUS

The trust funding the Plan has not received an exemption letter from the Internal Revenue Service (IRS) stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("the Code") as a Voluntary Employee Beneficiary Association. The Plan and trust are required to operate in conformity with the Code to maintain the tax-exempt status of the trust. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the net assets available for benefits per the Form 5500 at November 30, 2014:

Net assets available for benefits per the financial statements	$ 731,208
Less: Claims payable, estimated claims incurred but not reported and stop loss premiums payable	(326,715)
Net assets available for benefits per the Form 5500	$ 404,493

The following is a reconciliation of the net increase (decrease) in net assets per the financial statements to the net income (loss) in net assets per the Form 5500 for the year ended November 30, 2014:

Increase in net assets per the financial statements	$ 731,208
Less: Claims payable, estimated claims incurred but not reported and stop loss premiums payable at end of year	(326,715)
Net income (loss) per the Form 5500	$ 404,493

Claims currently payable to or for participants, dependents, and beneficiaries, estimated claims that have been incurred by participants but not reported at end of year and stop loss premiums that are payable to Blue Cross are recorded on the Form 5500 as liabilities of the Plan.
