*Amounts provided under the "Commissions Paid" column include all earned commission paid on all lines of business relative to your account during this reporting period.
**Amounts provided under the "Fees Paid" column include the total value of any fees, awards, prizes, bonuses or other forms of non-monetary compensation paid relative to your account. These amounts are calculated based on a calendar year. Some bonuses, fees, and contests are paid based on the aggregate amount of sales for all accounts throughout the calendar year. To determine the value of these items relative to your account, the amount of sales for your account is divided by the total amount of sales during the reporting period. This percentage is then multiplied by the value of the bonus, fee or contest.

Re: Employee Retirement Income Security Act of 1974 (ERISA)
Insurance Information Schedule A (Form 5500)

Unum's policy is to fully disclose and report all compensation associated with the insurance plans we offer in accordance with our internal guidelines and with all applicable regulations. We are pleased to certify the reported Schedule A data with respect to the filing of an ERISA Form 5500 Annual Report.

This information is forwarded to you in the event your company has determined it is required to make this filing. Unum does not take any position or provide any advice on ERISA's applicability to any of your company's benefit plans.

The enclosed Primary Schedule A data is reported by the insuring company and includes all Base Commissions, Supplemental Compensation and Fees paid to a broker/entity for this policy issued by the insuring company during the plan year as reported through Unum's commission systems. If no plan year has been specified in our records the information is for the period reported on the form.

Base Commissions are a fixed percentage of the policy premium, and may include a one time flat amount. If no compensation has been paid, this figure will be zero (.00). If Base Commission is reported, it will be reflected under the Sales Commissions Paid column.

Supplemental Compensation, other than Base Commissions, may be received by a broker/entity for this policy. If no Supplemental Compensation has been paid, this figure will be zero (.00). If Supplemental Compensation is reported, it will be reflected under the Additional Compensation Paid column.

In some instances a broker/entity may receive a Fee for services provided to the policyholder. If no Fee has been paid, this figure will be zero (.00). If a fee is reported, it will be reflected under the Fees Paid column.

The Supplemental Schedule A data identifies any additional or other compensation including, but not limited to, any final payments under prior incentive plans, overrides, and non-cash compensation. If no such additional or other compensation has been paid, this figure will be zero (.00).

If you have any questions regarding the enclosed data or think that you may have received this information in error, please do not hesitate to contact us. We would be glad to assist you with any questions relating to Unum insurance coverages or broker compensation. However, we may not provide legal advice on the applicability of particular laws or regulations to your company. For these issues, you should consult your company's attorneys or other advisors.

We appreciate this opportunity to provide service to you.
