Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Parks Mechanical 401 (k) Retirement Savings Plan (the "Plan"), which comprise the statement of net assets available for plan benefits as of December 31, 2014, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Great-West Life & Annuity Insurance Company, the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Custodian as of and for the year ended December 31, 2014, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Supplemental Schedule

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2014 is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2013 Financial Statements

The financial statements of the Plan as of December 31, 2013, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the Custodian. Their report, dated June 15, 2014, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Report on Form and Content in Compliance with DOL Rules and Regulations 2014

The form and content of the information included in the 2014 financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with DOL Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1. PLAN DESCRIPTION

The following description of the Parks Mechanical 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees, as defined by the Plan, who have been employed by Parks Mechanical (the "Company" and the "Plan Sponsor") for at least three months and are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may make pretax contributions of up to 100 percent of annual compensation, as defined by the Plan and subject to Internal Revenue Code ("IRC") limitations. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan.

Effective January 1, 2014 the Plan was amended to provide for Company safe harbor matching contributions equal to 100 percent of participant contributions up to three percent of compensation plus 50 percent of participant contributions between three to five percent of compensation. For the year ended December 31, 2014, the Company made safe harbor matching contributions of $146,744. The Plan also provides for discretionary Company matching contributions and qualified non-elective contributions, none of which were made by the Company for the year ended December 31, 2014.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's qualified non-elective contribution, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses, and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in the value of their respective salary deferral contributions, Company safe harbor matching contributions and qualified non-elective contributions. Vesting in the Company discretionary matching contribution portion of their accounts is based on years of service. Participants are vested in non-safe-harbor Company matching contributions over a five-year period, as defined in the Plan.

NOTE 1. PLAN DESCRIPTION (Continued)

Forfeitures

Forfeitures of Company matching contributions are used to pay Plan administrative expenses or to reduce Company matching contributions. During the year ended December 31, 2014, forfeitures of $2,178 were used to pay for certain Plan administrative expenses. As of December 31, 2014, forfeitures of $4,013 are available for future use.

Payment of Benefits

On termination of service for any reason, a participant or their beneficiaries, as applicable, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments, in accordance with the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from data provided by Great-West Life & Annuity Insurance Company (the "Custodian" and "Great-West").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Administrative expenses incidental to the administration of the Plan, including fees of the Custodian and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options have fees which reduce the overall return on assets. The net appreciation of investments is reflected net of these fees.

According to the Plan Expense Agreement between the Company and Great-West, Great-West is required to make a monthly contribution of $225 ($2,700 annually) to the Plan Expense Account ("PEA"). The funds in the PEA may be used to pay Plan administrative expenses during the year and any remaining balance at the end of the year may be allocated to participants as earnings or contributions. The interest income on investments is inclusive of these contributions. During the year ended December 31, 2014, Great-West contributed $3,150 to the PEA, all of which was used to pay Plan administrative expenses. As of December 31, 2014, there was no available balance in the PEA.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Accounting principles generally accepted in the United States of America require that for fully benefit-responsive investment contracts the amount representing the difference between the fair value and the contract value be presented on the face of the statements of net assets available for plan benefits. As of December 31, 2014 and 2013, there was no difference between the contract value and fair value of the Guaranteed Portfolio Fund. The investments and changes therein of the funds have been reported to the Plan by Great-West using fair value.

Investments are valued daily. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

Through participant direction, approximately 24 percent of the Plan's net assets are invested in the Great-West Aggressive Profile Fund.

Benefits Payable to Participants

Benefits are recorded when paid.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Pooled Separate Accounts – Valued at the net asset value ("NAV") of units of a pooled separate account ("PSA") maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSA NAV is not a publicly-quoted price in an active market, therefore, the PSA are classified as Level 2 within the valuation hierarchy.

The PSA do not have any unfunded commitments relating to their investments or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

Guaranteed Interest Contract ("GIC") – Valued at contract value which is based on participant contributions made in the fund, plus interest credited by the contract issuer, less withdrawals and fees. Contract value approximates fair value (see Note 3) and therefore classified as Level 2 in the valuation hierarchy.

All of the Plan's investments are Level 2 and the following table sets forth, by investment type, the Plan's investments at fair value as of December 31:

	2014	2013
PSA:		
Blend funds	$ 2,504,460	$ 2,007,309
Fixed income funds	66,040	50,929
Growth funds	640,304	551,555
Target date funds	22,301	10,149
Value funds	191,218	116,835
GIC	589,208	520,574
Total investments at fair value	$ 4,013,531	$ 3,257,351

Recent Accounting Pronouncement

On July 31, 2015, the FASB issued a new Accounting Standards Update ("ASU") that simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts, plan investment disclosures, and measurement date practical expedient. The guidance is contained in ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans, Topic 960; Defined Contribution Plans, Topic 962; and Health and Welfare Benefit Plans, Topic 965: Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. The amendments are effective for all plan years beginning after December 15, 2015. Plan management does not expect this pronouncement to have a material impact on the Plan's financial statements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reclassifications

Reclassifications have been made to the prior year presentation of the Plan's investments at fair value by investment type to conform to the current year presentation.

NOTE 3. INVESTMENTS

Investment options are selected by the Plan Sponsor and are participant-directed. The participants have several investments they can choose from. See the attached Schedule of Assets (Held at End of Year) for a detailed listing of investments.

The following presents investments that represent five percent or more of the Plan's net assets at December 31:

	2014	2013
Guaranteed Portfolio Fund	$ 589,208	$ 520,574
Great-West Moderate Profile Fund	371,395	316,009
Great-West Aggressive Profile Fund	985,867	855,730
Oppenheimer Global Fund	232,055	215,609
Lord Abbett Value Opportunities Fund	436,880	307,169
Great-West S&P 500 Index Fund	329,856	216,387
Oppenheimer Capital Appreciation Fund	349,366	290,545

For the year ended December 31, 2014, net appreciation of investments in registered investment companies (mutual funds) held in pooled separate accounts was $242,922.

The Plan entered into a fully benefit-responsive investment contract with Great-West. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great West is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

Since the Guaranteed Portfolio Fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the fund. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for the credit risk of Great-West or otherwise. The crediting interest rate is based on a formula agreed upon with Great-West. Such interest rates are reset quarterly as of the beginning of each month. The contract value is also the fair value to be disclosed.

NOTE 3. INVESTMENTS (Continued)

Certain events limit the ability of the Plan to transact at contract value with Great-West. Such events include, but are not limited to the following: (1) premature termination of the contracts by the Plan, (2) Company layoffs, (3) bankruptcy of the Plan Sponsor, (4) Plan termination, (5) mergers, or (6) early retirement incentives. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

Average yields for the Guaranteed Portfolio Fund:	2014	2013
Based on actual earnings	1.25%	1.26%
Based on interest rate credited to participants	1.25%	1.26%

NOTE 4. PLAN TERMINATION

The Company has the right under the Plan to amend the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their Company contributions.

NOTE 5. FEDERAL INCOME TAX STATUS

The Company adopted a volume submitter plan, which is the subject of a favorable tax opinion letter from the IRS dated March 31, 2008. The Company routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plans Compliance Resolution System. The Company believes that the Plan currently is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 6. FINANCIAL DATA CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Custodian and was not subjected to any auditing procedures performed by the independent public accountants:

NOTE 6. FINANCIAL DATA CERTIFIED BY THE CUSTODIAN (Continued)

a. Participant-directed investments and notes receivable from participants as shown in the accompanying statements of net assets available for plan benefits as of December 31, 2014 and 2013.

b. Net appreciation of investments and interest income on investments and notes receivable from participants as shown in the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2014.

c. Investments and participant loans as of December 31, 2014 as listed in the accompanying Schedule of Assets (Held at End of Year).

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Investments are held and managed by Great-West. Transactions with Great-West and its affiliates qualify as party-in-interest transactions for which exemptions exist. During 2014, Great-West and its affiliates received management and contract administration fees of $434 that were paid by participants through the Plan and received indirect compensation based on a formula. Additionally, the third party administrator received direct and indirect compensation of $5,328 and $3,140, respectively and the plan's investment broker received indirect compensation of $10,884.

NOTE 8. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the highest outstanding loan balance during the previous 12 months, or 50 percent of their vested account balance. The loan interest rate is set at one percent above the prime rate, as defined in the Plan. Principal and interest are paid ratably through payroll deductions. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at 4.25 percent. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 9. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through October 2, 2015, which is the date that the financial statements were available to be issued, and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements.
