Participation in the Plan is strictly voluntary, and employees can elect to participate after attainment of age 21 on the first day of the quarter coinciding with or following one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan Sponsor is responsible for the administration of the Plan and has entrusted the maintenance of records and the day-to-day administration to Qualified Plan Administrators, Inc (“QPA”).

#### **Contributions**

Participating employees may defer 401(k) contributions up to the Internal Revenue Service (“IRS”) limitation. In addition, participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. There were no rollover contributions to the Plan during 2014.

The Plan Sponsor may make a discretionary matching contribution. For 2014, the Plan Sponsor elected to make a matching contribution equal to 100% of the employee’s contributions up to 3% of the employee’s compensation. The Plan Sponsor may, at its discretion, also make profit sharing and qualified nonelective contributions. During 2014, the Plan Sponsor did not make a discretionary profit sharing or a qualified nonelective contributions.

Participant contributions to the Plan are made through periodic payroll deductions. Participant contributions and Plan Sponsor discretionary matching contributions are remitted to Voya Retirement Insurance and Annuity Company (“Voya”), the trustee, after each payroll. Plan Sponsor profit sharing contributions and qualified nonelective contributions, if any, are remitted annually. Receivables from the Plan Sponsor for contributions are unsecured.

#### **Participant Accounts**

Participants may allocate their employee and Plan Sponsor contributions among various investment options as listed in the schedule of assets (held at end of year). Participants have the opportunity to change the investment options previously elected at any time.

#### **1. Description of the Plan (continued)**

##### **Participant Accounts (continued)**

Each participant's account is credited with the participant's contributions, the Plan Sponsor's matching, discretionary profit sharing qualified nonelective contributions and Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

##### **Investments**

The Plan's investments have been invested in funds offered by Voya. The maximum loss, if any that would be incurred by the Plan if the counterparties to the Plan's investments failed to perform is the recorded amount of such investments.

The Plan's investments in Pooled Separate Accounts and an Annuity Contract are stated at fair value based on the last reported sales price for the year. In accordance with the policy of stating investments at fair value, net appreciation or depreciation in the fair value of investments is reflected in the Statement of Changes in Net Assets Available for Benefits. This includes all investments bought or sold as well as held during the year.

##### **Payment of Benefits**

If the participant's vested benefit in the Plan does not exceed \$5,000 at the time of termination of employment, the participant's benefit will be distributed from the Plan. The Participant may elect to receive a distribution in cash or to roll over the distribution to another individual retirement account ("IRA"). However, if the vested amount exceeds \$1,000, but does not exceed \$5,000, and no election is made, QPA must transfer the vested balance to an IRA. If the participant's vested benefit in the Plan exceeds \$5,000 at the time of termination of employment, the participant may elect to either maintain their account in the Plan, receive a lump-sum distribution or rollover their account balance into another IRA. Participants may also withdraw their vested account balances at any time on or after the age of 59½, or upon retirement, death or disability.

##### **Forfeitures**

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures totaled \$1,472 in 2014, and the Plan has a forfeiture balance of \$2,288 and \$915 as of December 31, 2014 and 2013, respectively, available to reduce future Plan Sponsor contributions or pay Plan expenses.

##### Vesting

Participants are immediately vested in their voluntary contributions and qualified nonelective contributions plus actual earnings on these contributions. Vesting in the Plan Sponsor's discretionary matching contribution and discretionary profit sharing contribution portion of their accounts plus related earnings thereon is based on years of vesting service in which the participants complete 1,000 hours of service, as follows:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than 2             | 0%                        |
| 2                       | 20%                       |
| 3                       | 40%                       |
| 4                       | 60%                       |
| 5                       | 80%                       |
| 6 or more               | 100%                      |

##### Plan Termination

The Plan Sponsor expects to continue the Plan indefinitely but reserves the right, subject to the provisions of ERISA, to terminate the Plan in whole or in part at any time upon giving written notice to all parties concerned. In the event of Plan termination, participants will become 100% vested in their accounts.

##### Summary Plan Description

The foregoing description of the Plan provides only general information. Additional information related to the Plan is included in the Heritage Family Funeral Services, Inc. 401(k) Plan Summary Plan Description. Copies of this publication are available from the Plan Sponsor.

#### 2. Significant Accounting Policies

##### Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis, as are annual returns filed under applicable provisions of ERISA and the IRC.

##### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **2. Significant Accounting Policies (continued)**

##### **Benefit Payments**

Benefits are recorded when paid.

##### **Administrative Expenses**

Certain administrative expenses are paid by the Plan and allocated to participant accounts. Remaining fees for legal, accounting and other administration are paid by the Plan Sponsor.

##### **Subsequent Events**

In preparation of the accompanying financial statements, subsequent events that have occurred since the statement of net assets available for benefits date have been evaluated through September 29, 2015, the date the financial statements were available for issuance.

Subsequent to December 31, 2014, the stock market has experienced volatility and a decline in value. Accordingly, the Plan's investments have declined in value by approximately \$209,000.

#### **3. Income Tax Status**

The IRS has ruled the volume submitter plan from which the Plan was prepared qualifies under provisions of the IRC and is, therefore, not subject to tax under present income tax law. Although the Plan has been amended since receiving the advisory letter, the Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualification status and believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan made its initial tax filing for the year ended December 31, 2012, which remains subject to examination along with 2013.

#### 5. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Quoted prices in active markets for identical assets.
- Level 2 Significant other observable inputs.
- Level 3 Significant unobservable inputs.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value:

*Pooled Separate Accounts:* Valued at the net asset value ("NAV"), which is based on the market value of the underlying investments held by the pooled separate account at year-end. The underlying investments are all mutual funds which have quoted prices on the active market.

*Annuity Contract:* Valued at fair value based on the amount that would be received if the contract was terminated at the reporting date, by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

#### **7. Excess Contributions**

Contributions received for 2014 are net of payments of \$7,465 made in 2015 to certain active participants to return to them excess deferred contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. That amount is also included in the accompanying Statements of Net Assets Available for Benefits as excess contributions payable as of December 31, 2014.

Benefit payments for 2014 are net of payments of \$23,067 made in 2014 to certain active participants to return to them excess deferred contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. That amount is also included in the accompanying Statements of Net Assets Available for Benefits as excess contributions payable as of December 31, 2013.

#### **8. Recently Issued Accounting Pronouncement**

In July 2015, the Financial Accounting Standards Board (FASB) issued an Accounting Standards Update (ASU) that affects accounting and financial reporting for employee benefit plans. FASB ASU 2015-12 is intended to improve the recording of fully benefit responsive investment contracts and better summarize plan investment disclosures. The ASU is effective for fiscal years beginning after December 15, 2015. Early implementation is allowed; however, the Plan has elected not to early implement for 2014. This ASU is not expected to impact the Plan's net assets available for benefits but will eliminate certain investment disclosures.
