NOTES TO FINANCIAL STATEMENTS

United Way of Greater Cleveland 403(b) Retirement Plan

1 Description of Plan

The following description of United Way of Greater Cleveland 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan, which began January 1, 2010 is a defined contribution plan covering all employees of The United Way of Greater Cleveland (the "Organization"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2012, the Plan was amended to allow prior service for employees who were previously employed by another United Way organization for purposes of eligibility, vesting and determination of the participant's non-elective contribution.

Eligibility:

All employees of the Organization are eligible to participate in the Plan. All employees of the Organization who have attained the age of 21 and have completed one year of service may receive employer contributions.

Participants' Accounts:

403(b) Accounts - Each participant's account is credited with the participant's elective contributions, employer contributions, earnings and losses thereon.

Vesting:

All participants are 100% vested in elective deferrals, qualified non-elective contributions and rollover contributions made to the Plan. Participants receive no vesting in company matching contributions and company discretionary contributions until after completing three year of service, at which time they become 100% vested in all company contributions.

Forfeitures:

Forfeited non-vested accounts totaled \$7,734 and \$6,016 as of December 31, 2014 and 2013, respectively. Future employer contributions will be reduced by these amounts.

Payment of Benefits:

Upon termination of service by reason of retirement, death or total and permanent disability, a participant receives a lump sum amount equal to the value of his or her account.

NOTES TO FINANCIAL STATEMENTS

United Way of Greater Cleveland 403(b) Retirement Plan

1 Description of Plan, Continued

Contributions:

Employee deferral - Participants may elect a portion of their compensation to be contributed to the Plan by the Organization.

Nonelective Contributions - The Company may make a discretionary contribution and is equal to a percentage of each participant's compensation based upon total points. A participant's total points are determined by adding the participant's age to their total years of service on the first day of the Plan year, as follows:

<u>Points</u>	<u>Percentage of Compensation</u>
0 - 29	2.50%
30 - 39	3.25%
40 - 49	4.25%
50 - 59	5.50%
60 - 64	6.75%
65 - 74	8.00%
75 - 84	9.50%
85 +	11.00%

Any participant with 65 or more points as of January 1, 2010 will receive an additional annual contribution equal to 3%.

Rollover contributions from other plans are also accepted, providing certain specified conditions are met.

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code as defined in the Plan agreement.

Notes Receivable from Participants:

Loans are permitted under certain circumstances and are subject to limitations. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are repaid over a period not to exceed 5 years with exceptions for the purchase of a primary residence, which may be repaid over a period not to exceed 15 years, and are measured at their unpaid principal balance plus any accrued but unpaid interest.

The loans are secured by the balance in the participant's account and bear interest at rates equal to Prime plus 1%. Principal and interest are paid ratably through payroll deductions.

Other Plan Provisions:

Normal retirement age is 55. Upon reaching normal retirement age, a participant will become 100% vested in his or her account, regardless of years of service.

NOTES TO FINANCIAL STATEMENTS

United Way of Greater Cleveland 403(b) Retirement Plan

1 Description of Plan, Continued

Hardship Withdrawals:

Hardship withdrawals are permitted in accordance with Internal Revenue Service guidelines.

Investment Options:

Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition:

Investments (except for fully benefit responsive contracts, which are recorded at contract value) are stated at fair value. Marketable securities are reported at fair market value as of the balance sheet date. Fair market values represent quoted market prices or, if quoted market prices are not available, estimated fair values as determined by the Plan's investment broker. The fair value of the guaranteed interest accounts are calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations. The guaranteed interest accounts, which are fully benefit responsive, are presented at contract value on the Statement of Net Assets Available for Benefits. The Funds contract values approximate the fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as held during the year. The use of transaction or settlement date basis would not have a material effect on the overall financial position of the Plan at December 31, 2014 and 2013.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

United Way of Greater Cleveland 403(b) Retirement Plan

2 Summary of Significant Accounting Policies, Continued

Administrative Fees:

Substantially all administrative fees are paid by the Plan.

Plan Termination:

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Risks and Uncertainties:

The Plan's investment include investments in mutual funds and collective funds holding investment contracts with varying degrees of risk, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

Subsequent Events:

Management evaluates subsequent events occurring subsequent to the date of the financial statements in determining and the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through October 1, 2015, which is the date the financial statements were available to be issued.

3 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- * Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- * Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - * Quoted prices for similar assets or liabilities in active markets
 - * Quoted prices for identical or similar assets or liabilities in inactive markets
 - * Inputs other than quoted prices that are observable for the asset or liability
 - * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTES TO FINANCIAL STATEMENTS

United Way of Greater Cleveland 403(b) Retirement Plan

3 Fair Value Measurements, Continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- * Level 3: Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual Funds:

The fair value of the mutual funds are based on quoted market prices. These funds are classified in the Level 1 or Level 2 category of the valuation hierarchy.

Guaranteed Interest Account:

The guaranteed income funds are group annuity products which guarantee fixed interest rates for a defined period of time. The value of the funds are calculated as the sum of the amounts invested, less withdrawals, plus interest at the guaranteed rates. These contracts do not hold any specific assets and are classified within Level 2 or Level 3 of the hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Change in Fair Value of Level 3 Assets and Related Gains and Losses

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended December 31, 2014 and 2013.

4 Tax Status

On March 30, 2007, the Internal Revenue Service reaffirmed the Plan sponsor's status as a 501(c)(3) tax-exempt organization. The Plan has not applied for a determination letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2014, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

5 Information Prepared and Certified by Custodians

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodians.

	2014	2013
Investments	\$ 5,984,740	\$ 5,332,945
Notes Receivable from Participants	\$ 18,987	\$ 14,409
Interest and Dividends	\$ 255,039	\$ 170,733
Interest Income from Notes Receivable	\$ 540	\$ 555
Net Appreciation	\$ 38,744	\$ 560,923

6 Party-in-Interest Transactions

Certain Plan investments are shares of funds managed by The Prudential Insurance Company of America and Mutual of America Life Insurance Company, Custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the funds for the investment management services.

7 Benefit Responsive Contract

The Plan holds a benefit-responsive contract with Mass Mutual. The contract meets the fully benefit responsive insurance contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. The Capital Preservation investment option is a market value separate account investment option with a general investment account guarantee that provides a stated rate of return and insulates participants' accounts from daily fluctuations in the market.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) the plan's failure to qualify under Section 401(a) or Section 401(k) of the Internal Revenue Code, (2) the establishment of a defined contribution plan that competes with the plan for employee contributions, (3) any substantive modification of the plan or the administration of the Plan that is not consented to by the wrap issuer, (4) complete or partial termination of the Plan, (5) any change in law, regulation, or administrative ruling applicable to the plan that could have a material adverse effect on a portfolio's cash flow, (6) merger or consolidation of the plan with another plan, the transfer of assets to another plan, or the sale, spin-off or merger of a subsidiary or division of the plan sponsor, (7) any communication given to participants by the plan sponsor or any other plan fiduciary that is designed to induce or influence participants not to invest in a portfolio or to transfer assets out of a portfolio, (8) exclusion of a group of previously eligible employees from eligibility in the plan, (9) any early retirement program, group termination, group layoff, facility closing, or similar program, and (10) any transfer of assets from a portfolio directly to a competing option. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants is probable.

The issuer may terminate the contract for cause at any time.
