NOTE A - DESCRIPTION OF PLAN

The following brief description of the Toledo Newspaper Unions – Blade Savings Plan and Trust (“The Plan”) is provided for general informational purposes only. Participants should refer to the Plan document for more complete information.

General

The Toledo Newspaper Unions - Blade Savings Plan and Trust was founded in 1993. Participation is being provided under the terms of collective bargaining agreements between the Toledo Mailers Union No. 1135, Teamsters Union Local 20, Paper Segment of the Toledo Newspaper and Printing Graphics Union No. 27, Detroit Typographical Union No. 18, Graphic Communications Conference IBT No. 27 Engravers, Graphic Communications Conference IBT Local 27-N Web Segment, International Brotherhood of Electrical Workers Local No.8, Toledo Newspaper Guild/Communications Workers of America Local 34043, and The Toledo Blade Company, to provide retirement savings benefits to eligible members or their beneficiaries as specified in the Plan.

Participant Accounts

Each participant's account is credited with the participant's self-directed contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. No employer contributions are made to the participant's account balances.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

Benefits

The amounts credited to a participant's account under this Plan shall become distributable to the participant upon the occurrence of certain events specified in the Plan. These events are retirement from the Company at or after normal retirement age, retirement at any age because of disability, termination of employment with the Company, and death. The balance is generally paid to the Participant in a lump sum distribution within one taxable year.

Loans

A participant with a qualifying financial hardship may borrow from his or her account. The Plan specifies certain conditions for loan eligibility and approval. Terms of repayment include interest at 3% above the prevailing prime rate and amortization of principal not to exceed 10 years.

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Funding Policy

Each participant may elect to enter into a written wage or salary deferral agreement with the Company. The agreement shall specify what percentage of the participant's future wages or salary shall be deferred as elective contributions subject to minimum and maximum percentages specified in the Plan document and IRC guidelines. The Company shall make elective contributions to the plan on behalf of the participants equal to the full amount of the wage or salary deferral. For investment options, see Plan document.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumption that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments Valuation and Income Recognition

All investment assets of the Plan are held by a trust company.

Investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest income is recorded on the cash basis.

Payment of Benefits

Benefits are recorded when paid.

Subsequent events

The plan has evaluated subsequent events through July 15, 2015, the date at which the financial statements were available to be issued, and determined that there are no other items to disclose.

NOTE C - FEDERAL INCOME TAX STATUS

This trust is currently considered an exempt organization under Section 501 (a) and 401 (a) of the Internal Revenue Code. As provided in the trust agreement, all of the income of The Toledo Newspaper Unions - Blade Savings Plan and Trust is set aside to provide for the payment of retirement savings benefits, including the reasonable costs of administration directly connected with providing such benefits, and for no other purpose.

NOTE C - FEDERAL INCOME TAX STATUS CONTINUED

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no any audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2012.

NOTE D - PRIORITIES UPON TERMINATION

Upon the Plan's termination, the assets in the fund shall be realized and after providing for the reasonable and necessary expense of terminating the plan and fund, its balance shall be allocated to the participants according to the balance in their individual accounts.

NOTE E - ADOPTION OF PLAN DOCUMENT AND DETERMINATION LETTER

The Plan was adopted effective January 1, 1993 as a result of collective bargaining agreement between The Toledo Blade Company and various labor organizations representing employees of the Toledo Blade Company. There were two amendments made in 2014. One was on 29th of May 2014, but effective as of June 26, 2013. Another one was made on December 18, 2014. The Plan has received a favorable determination letter issued by the IRS on August 19, 2014.

ASC Topic 820, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 - The fair value of Corporate Debts and Equities are based on quoted market prices.

Level 2 - The fair value of Corporate Debts and Equities are based on quoted prices for similar assets in active markets.

Level 3 - Participant loans are not actively traded and significant other observable inputs are not available. Thus, the fair value of participant loans is equal to the amortized cost of the loans because the loans are secured by each respective participant's account balance.

NOTE I – PARTICIPANT LOANS IN DEFAULT

Due to difficult employment conditions, certain participants were unable to meet their repayment terms. Terms of the plan and GAAP reporting these loans of active participants require amounts remain due and payable. The loan continues to be reported as a plan investment on the financial statements. Interest is not being accrued. A participant may pay tax on loan balances because the tax rules have been violated. These loans are under an individual account plan, and therefore are not required to be reported as uncollectible on the annual 5500 filing under DOL regulation 29 CFR 2250.408 B-1. The estimate loan defaults at December 31, 2014 and 2013 are \$ 13, 110 and \$ 113, 984 respectively.
