Notes to Financial Statements
December 31, 2014

Note 1 - ***Description of the Plan***

The Wellness First Health Plan provides medical, dental, life, and disability benefits covering eligible employees of the FBD Partnership, L.P. and Gagemaker, L.P. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan provides benefits (medical, hospital, surgical, major medical, prescription, dental, life, AD&D, short-term disability, long-term disability) that cover permanent, full-time employees that fall within the eligibility classifications of the partnership and choose to participate following the employee waiting period. An employee becomes eligible on the first day of the month following a waiting period of 30 consecutive days of employment. The plan also provides continuation coverage as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for qualified beneficiaries who would otherwise have lost coverage under the plan.

The plan provided benefits through a funding arrangement that included a trust, which was funded by the plan sponsor and/or the participating employees, and with insurance to protect the plan against unpredictable excess claims. Effective at December 31, 2013, the board of directors of FBD Holdings, Inc. elected to terminate the trust. The employer will continue funding the Plan out of its general assets and with other insurance assistance. Under the plan agreement, the partnership contributes in cash to the plan in a manner and at such time determined by a committee, which is a plan fiduciary. Employees contribute to the plan in order to participate. The contribution is based on the coverage elected by the participants (i.e. single, family, etc.) and their participant class. Former members covered under COBRA make contributions to the plan for continuation of health coverage.

Medical benefits are provided on a partially self-insured basis. The plan has purchased insurance contracts to protect the plan against excessive or unpredictable claims. The insurance contracts include specific loss provisions that cover claims in excess of $90,000 for each individual covered under the medical plan. The insurance contracts also include aggregate loss provisions that cover the combined claims for all participants of the plan when the qualified claims for the plan year exceed a stated amount. The stated amount under the aggregate loss provisions was approximately $3,273,986 at December 31, 2014.

Although it has not expressed the intent to do so, the partnership has the right to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. Funds contributed to the plan are irrevocably restricted for the use and provision of benefits to company employees.

The foregoing description of the plan provides only general information. Employees should refer to the Summary Plan Description and Plan Document for a more complete description of the plan's provisions.

Note 2 - ***Summary of Significant Accounting Policies***

When applicable, quoted market prices are used to value investments. Certificates of Deposit are valued based on original cost plus accrual interest. Certificates of Deposit with a maturity of three months or less are treated as cash.

The obligation for claims incurred before the financial statement date, but not reported to the plan as of the end of year, is estimated on an overall basis based on prior loss experience, and review of claims paid subsequent to the plan year end. The obligation is determined based on the present value of the ultimate cost to settle the claims.

Note 3 - ***Tax Status***

The Plan and Trust has not pursued tax exempt status. However, taxable income of the trust is defined in such a way that yields no significant tax liability for the current year.

Note 4 - ***Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 5 - ***Reconciliation of Financial Statements to Form 5500***

The following is a reconciliation of net assets available for benefits per the accompanying December 31, 2014 and May 31, 2014 financial statements to the Form 5500:

	December 31, 2014	May 31, 2014
Net assets available for benefits per the financial statements	$ 53,841	$ 105,965
Benefit obligations currently payable (health claims)	(53,841)	(105,965)
Net assets available for benefits per the Form 5500	$ -	$ -

Note 5 - ***Reconciliation of Financial Statements to Form 5500 (continued)***

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the seven months ended December 31, 2014:

Benefits paid to participants per the financial statements	$ 1,019,997
Add: Amounts payable at end of year	53,841
Less: Amounts payable at beginning of year	(105,965)
Benefits paid to participants per the Form 5500	$ 967,873

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2014, but not yet paid as of that date.

Note 6 - ***Fair Value Measurements***

The fair value of financial instruments classified as assets or liabilities, including cash, prepaid expenses, insurance contributions receivable, refunds receivable, and benefit obligations approximate carrying value, principally because of the short maturity of those items.

Note 7 - ***Subsequent Events***

The Plan evaluated its December 31, 2014, financial statements for subsequent events through October 7, 2015, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

Note 8 - ***Plan Amendments***

The Plan Document was updated effective June 1, 2014 for various changes including, but not all, to claims procedures, eligibility, schedules of benefits, exclusions, defined terms and termination of coverage. The Plan Sponsor also adopted a revised Summary Plan Description. Employees should refer to the updated Plan Document for a more complete description of the plan's provisions.

During fiscal year ending May 31, 2014, the Plan Administrator elected to change the Plan's year end from the current fiscal year end of May 31st to the calendar year end December 31st. The first Plan year ending with this the calendar year end date is December 31, 2014.
