To Those Charged with Governance
Pilgrim Software, Inc. 401(k) Plan

We have conducted a DOL limited-scope audit of the financial statements of Pilgrim Software, Inc. 401(k) Plan (the Plan) as of December 31, 2014 and for the year ended December 31, 2014, and issued our report thereon dated September 30, 2015. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 13, 2015. Professional standards also require that we provide you with the following information related to our audit.

Our Responsibility under Auditing Standards Generally Accepted in the United States of America

We have a responsibility to conduct our audit of the financial statements in accordance with professional standards. In carrying out this responsibility, we planned and performed the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Because of the nature of audit evidence and the characteristics of fraud, we are to obtain reasonable, not absolute, assurance that material misstatements are detected. We have no responsibility to plan and perform the audit to obtain reasonable assurance that misstatements, whether caused by error or fraud, that are not material to the financial statements are detected.

In addition, in planning and performing our audit of the financial statements, we considered the internal control of the Plan in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements. However, as part of the scope limitation discussed in the first paragraph of this letter, we will not consider internal control relating to the information prepared and certified to by State Street Bank and Trust. An audit of the financial statements does not include examining the effectiveness of internal control and does not provide assurance on internal control.

Significant Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note B to the financial statements. Significant new accounting pronouncements adopted by the Plan are disclosed in Note B. The application of existing policies was not changed during 2014. We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were those related to the fair value measurements for the Plan's assets.

Management's estimates of the fair value of the Plan's assets is based on the provisions described in ASC 820, as disclosed in Note D to the financial statements. We relied on the certification provided by the Plan's custodian that investment information, including fair value, is complete and accurate.

Financial Statement Disclosures

Management is responsible for the selection and use of appropriate financial statement disclosures to ensure that the financial statements are prepared in accordance with accounting principles generally accepted in the United States of America. Management determines the completeness of financial statement disclosures by reading current accounting pronouncements and evaluating the relevance to their financial statements. The significant financial statement disclosures include investment valuation and income recognition. No matters have come to our attention that would require us, under professional standards, to inform you that the financial statement disclosures selected and prepared by management do not comply with accounting principles generally accepted in the United States of America.

Audit Adjustments

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. For purposes of this letter, professional standards define an audit adjustment as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. An audit adjustment may or may not indicate matters that could have a significant effect on the Plan's financial reporting process (that is, cause future financial statements to be materially misstated). We did not propose any adjustments during the course of our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Issues Discussed Prior to Engagement of Independent Auditors and as Part of the Plan Audit

We discussed a variety of matters, including the application of accounting principles and auditing standards, with management prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Other Material Written Communications

The only written communication that we believe constitutes other material written communications between management and us is the representation letter dated October 1, 2015 for the December 31, 2014 financial statement audit.

A copy of this communication has been attached to this letter.

Independence

Our professional standards suggest that we communicate to you, at least annually, matters that we have considered in determining that we are independent of the Plan Sponsor and provide confirmation that we are independent accountants with respect to the audit of the Plan.

We hereby confirm that as of the date of this letter, we are independent accountants with respect to the Plan under the relevant professional standards.

This information is intended solely for the use of the Plan Administrator, and other management of the Plan Sponsor and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Frazier & Deeter, LLC

As permitted by Regulation Section 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we understand that, at our instruction, you did not perform any audit procedures with respect to investment information prepared and certified by State Street Bank and Trust Company, the custodian, other than comparing such information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information that you did not audit, we understand that you will not express an opinion on the financial statements and schedule taken as a whole. We have obtained a certification from the custodian as of December 31, 2014 and for the period January 1, 2014 (date of inception) to December 31, 2014, that the information provided to us by the custodian is complete and accurate.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 1, 2015, the following representations made to you during your audit.

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 13, 2015, including our responsibility for the preparation and fair presentation of the financial statements.

We have disclosed to you the identity of the Plan's related parties and parties-in-interest and all the related-party and parties-in-interest relationships and transactions of which we are aware.

10. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan. There have been no communications from regulatory agencies or government representatives concerning investigations or allegations of noncompliance with laws or regulations in any jurisdiction, or deficiencies in financial reporting practices, or other matters that could have a material effect on the financial statements.

11. There were no material omissions from the participant data provided to the Plan's recordkeeper for the purpose of determining the allocations to individual accounts used in the preparation of the financial statements.

12. All required filings of Pilgrim Software, Inc. 401(k) Plan documents with the appropriate agencies have been made.

13. There has been no significant amendment of the Plan instrument, including amendments to comply with applicable laws other than those disclosed in the financial statements or to us.

14. We recognize that the audit procedures performed did not encompass all of the procedures necessary to determine the tax-qualified status of the Plan, nor the tax consequences of the Plan Sponsor or plan participants. However, we confirm to the best of our knowledge and belief that the Plan is qualified and the associated trust is tax exempt under the appropriate sections of the Internal Revenue Code and we intend to continue them as a qualified Plan and a tax exempt trust. The Plan Sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status.

15. Required nondiscrimination testing, including testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations (there were none).

16. The Plan has complied with the fidelity bonding requirements of ERISA.

17. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments to trusts containing assets for the Plan.

18. The required supplemental schedule has been prepared and presented in conformity with ERISA and the DOL's Rules and Regulations.

19. We acknowledge our responsibility for presenting the Schedule of Assets (Held at End of Year), in accordance with accounting principles generally accepted in the United States of America and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the Schedule of Assets (Held at End of Year), including their form and content, are fairly presented in accordance with accounting principles generally accepted in the United States of America and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule has/have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

20. We have adopted the authoritative guidance regarding the reporting of fully benefit-responsive investment contracts held by certain investment companies subject to the AICPA Investment Company Guide on Defined-Contribution Health and Welfare and Pension Plans, which requires investment contracts held by a defined contribution plan to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents the cost plus contributions made under the contracts plus interest at the contract rates less withdrawals and administrative expenses. The statement of net assets available for benefits presents the fair value of the investment in the common/collective trust fund as well as the adjustment from fair value to contract value for the Plan's proportionate share of fully benefit-responsive investment contracts within the common/collective trust fund. The statement of changes in net assets available for benefits is prepared on a contract value basis.

21. As Plan Sponsor, we are responsible for making the fair value measurements and disclosures included in the financial statements, including determining the fair value of investments for which a readily determinable fair value does not exist. As part of fulfilling this responsibility, we have established an accounting and financial reporting process for determining the fair value measurements and disclosures, selected appropriate valuation methods, identified and adequately supported any significant assumptions used, prepared the valuation, and ensured that the presentation and disclosure of the fair value measurements are in accordance with accounting principles generally accepted in the United States of America and ensured that the Form 5500 is reported at fair value. We believe the assumptions and methods used by us, including those used by specialists engaged by us, are appropriate in the circumstances and the resulting valuations and disclosures are reasonable.

22. We are not aware of any potential uncertain tax positions that would, if necessary, meet the more likely than not threshold and require us to record a liability as of December 31, 2014.

23. As Plan Sponsor and Administrator, we are responsible for ensuring that all Plan fee disclosure

As Plan Sponsor and Administrator, we are also responsible for ensuring that the Plan meets all participant disclosure rules under Regulation Section 404(a)(5) of ERISA. We have delivered to the Plan participants the required disclosures under the regulation.

42. We have reviewed the financial statements and confirm our responsibility for their completeness and accuracy. You have our approval for the issuance of the financial statements.
