Management's Responsibility for the Financial Statements

Plan Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by TD Ameritrade, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2014, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by TD Ameritrade, the Trustee of the Plan. Their report, dated July 16, 2014, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express and opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BOHLSEN RESTAURANT GROUP
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

(1) Plan Description:

The following brief description of the Bohlsen Restaurant Group 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Background -

Bohlsen Restaurant Group (the "Sponsor") established the Plan effective January 1, 1997. The Plan is a 401(k) defined contribution plan covering all eligible employees of the Sponsor who have attained the age of eighteen and completed minimum service requirements, as defined in the Plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions -

Participants may contribute pretax compensation, as defined in the Plan, subject to the Internal Revenue Service limitations. Participants who have attained age fifty before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of the contributions into various investment options offered by the Plan.

The Sponsor contributes a matching contribution of 25% of each participant's deferral up to 6% of compensation. The Sponsor may also contribute a discretionary profit sharing contribution to participants employed at year end. There were no profit sharing contributions made for the year ended December 31, 2014.

Vesting -

Participants are immediately vested in their contributions and matching contributions plus actual earnings, thereon. Vesting in the Sponsor's discretionary profit sharing contributions and related earnings is based on vested levels over six years of continuous service.

Participant Accounts -

All assets in the Plan are subject to participant investment direction. Accounts are segregated for the purpose of investment gain or loss allocations. Each participant's account is credited with the participant's contributions, the Sponsor's matching contributions, and an allocation of the Sponsor's profit sharing contribution (if any). Expenses are allocated to participant accounts by any reasonable means determined by the Plan Administrator including allocation based on employment status or a per capita or pro rata method, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants -

A participant may borrow up to 50% of his or her vested account balance, subject to a maximum of $50,000 and a minimum of $1,000. The loans are secured by the participant's account and bear annual interest at rates that range from 3.25 to 8.52 percent, which are commensurate with local prevailing rates. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits -

If a participant terminates employment with the Sponsor for any reason other than death, the participant can elect to receive a distribution or roll over the balance into another qualified retirement plan. Upon retirement, all distributions are made in the form of a lump-sum payment. Participants are required to begin distributions when the age of 70 ½ is attained. In the case of death of a participant, the beneficiary designated by the participant shall be paid the deceased employee's vested account balance immediately, or in payments for up to five years from the anniversary of the date of death. If the beneficiary is the participant's spouse, payment of benefits may be deferred until they reach the age 70 ½.

Forfeitures -

Participants who separate or withdraw from the Plan will forfeit any amounts not vested with respect to discretionary profit sharing contributions. Forfeitures are first used to restore forfeitures, reduce matching contributions or pay plan expenses.

(2) Summary of Significant Accounting Policies:

Basis of Accounting -

The accompanying financial statements of the Plan has been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles, except for participant benefit payments, which are recorded when paid.

Use of Estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition -

Investments are recorded at fair value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Financial Accounting Standards Board ("FASB") guidelines on fair value measurements, establish a fair value hierarchy, which require an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reported entity has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

Net investment income includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded at the ex-dividend date.

Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of December 31, 2014 or 2013. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits -

Benefits are recorded when paid. At December 31, 2014 and 2013, there were no benefits processed and approved for payment, but not paid.

Plan Expenses -

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. The Sponsor paid no expenses for the Plan during the year ended December 31, 2014 as they were covered by income earned on plan investments. Investment related expenses are included in net investment income.

(3) Investments

Investments as of December 31, 2014 and 2013 are comprised of the following:

	2014	2013
Mutual funds	$ 684,976	$ 617,874

The following table represents the Plan's fair value hierarchy for investments at fair value as of December 31, 2014:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 684,976	$ 684,976	$ -	$ -

The following table represents the Plan's fair value hierarchy for investments at fair value as of December 31, 2013:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 617,874	$ 617,874	$ -	$ -

As of December 31, 2014 and 2013, the Plan did not possess any level 2 or level 3 types of investments.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the methodologies used at December 31, 2014 and 2013.

(4) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant accounts and the amounts reported in the Statements of Net Assets Available For Benefits.

(5) Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by TD Ameritrade. TD Ameritrade is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to $6,765 for the year ended December 31, 2014.

(6) Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee, TD Ameritrade. All investments are participant-directed:

	2014	2013
Investments at fair value:		
Mutual funds -		
Oakmark Equity and Income Fund	$ 395,289*	$ 375,836*
Oppenheimer Equity Income Fund Class A	60,460*	53,100*
American Century Heritage Fund Investor Class	43,655*	40,494*
Other (less than 5%)	185,572	148,444
	$ 684,976	$ 617,874
Net investment income	$ 42,302	

*Represents 5% or more of the Plan's net assets

(7) Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right. Accordingly, in the event of Plan termination, participants would become 100% vested in their Sponsor contributions.

(8) Tax Status

The Plan terms have been drafted in reliance on sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71. The Plan Administrator intends to apply for a determination letter when the government opens such program. The Plan is required to operate in conformity with the Internal Revenue Code ("IRC") to maintain its tax exempt status. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. generally accepted accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes there are no such positions, and therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

(9) Subsequent Events

The Plan evaluated subsequent events through October 1, 2015, which is the date these financial statements were available to be issued, noting no matters requiring further disclosure.
