LGI Services, LLC 403(b) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of LGI Services, LLC 403(b) Plan (the "Plan") (formerly known as The Jewish Guild for the Blind 403(b) Plan), which comprise the statement of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal Trust Company") and Mutual of America Life Insurance Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions related to those assets. The plan administrator has obtained a certification from the trustees as of December 31, 2014 and 2013, and for the year ended December 31, 2014, that the information provided to the plan administrator by the trustees is complete and accurate.

Additionally, the Plan has not maintained sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

Disclaimer of Opinion

Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the basic financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets Held at End of Year and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

LGI SERVICES, LLC
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of LGI Services, LLC ("LGI") 403(b) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a contributory defined contribution plan covering all eligible employees of LGI Services, LLC. An employee becomes eligible to participate in the Plan upon employment and reaching age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2014, the Plan was amended as follows:

- To change the name of the Plan from The Jewish Guild for the Blind 403(b) Plan to LGI Services, LLC 403(b) Plan.
- To change the primary employer from The Jewish Guild for the Blind to LGI Services, LLC.
- To add Lighthouse International as an adopting employer

Contributions - LGI makes matching, discretionary and additional contributions for all eligible non-bargaining and bargaining unit employees. The amounts of the contributions are as follows:

Non-Bargaining:

The amounts of the matching contributions are equal to 100% of an employee's 403(b) elective deferral contributions which are not over 3% of an employee's pay, plus 50% of the 403(b) elective deferral contributions which are over 3% of pay, but are not over 5%.

A discretionary contribution can be made each plan year in an amount determined by the employer.

Bargaining (includes 1199 and UFT):

<u>1199 Bargaining</u>:

The amounts of the matching contributions are equal to 100% of an employee's 403(b) elective deferral contributions which are not over 4.0% of an employee's pay.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

1199 Bargaining: (continued)

Additional matching contributions are based on a participant's years of service:

At least 5 but less than 10 years of service, $1 for every $3 contributed by the participant. Matching contributions shall not exceed $750 for the plan year.

10-20 years of service, $1 for every $2 contributed by the participant. Matching contributions shall not exceed $850 for the plan year.

20-30 years of service, $1 for every $2 contributed by the participant. Matching contributions shall not exceed $1,000 for the plan year.

30 years or more of service, $1 for every $2 contributed by the participant. Matching contributions shall not exceed $1,500 for the plan year.

An additional contribution of 3% of an employee's pay is made each plan year.

UFT Bargaining:

The amounts of the matching contributions are equal to 100% of an employee's 403(b) elective deferral contributions which are not over 3.25% of an employee's pay.

An additional contribution of 3% of an employee's pay is made each plan year.

Investment options - Upon enrollment in the Plan, a participant may direct contributions into a variety of investment options offered by the Plan. The Plan does accept rollovers and transfers from other qualified plans, but only for those employees eligible to participate in the Plan and inactive participants.

Participant accounts - Each participant's account is credited with the allocations of (a) LGI's contribution, if applicable, and (b) the participant's share of Plan earnings. Plan income and expenses are credited or debited to participant accounts based on the pro rata share of the participant's individual account balance to total Plan assets. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

LGI SERVICES, LLC
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Vesting - All employee deferrals and employer matching contributions as well as additional contributions for Bargaining employees are fully and immediately vested. The discretionary employer contributions for Non-Bargaining employees vest after three years of service.

Forfeited accounts - Forfeitures from terminated nonvested Plan participants are used to reduce future employer contributions under the Plan. Forfeitures of $2,259 were applied toward LGI's payments in 2014. There are no remaining balances as of December 31, 2014 or 2013.

Payment of benefits - On termination of service due to disability or retirement, a participant (or a designated beneficiary) may elect to receive the vested interest in his or her account in either a lump-sum amount or annual installments (including interest) for life. If the participant dies before distribution begins, the entire interest earned in the Plan will be distributed to the spouse or the named beneficiary.

Notes receivable from participants - Participant loans are available to all participants on a reasonably equivalent basis. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or the greater of (a) 50% of the their account balance, or (b) $10,000, not to exceed the participant account balance, reduced by any outstanding loan balance on the date the new loan is made. The interest rates range between 3.25% and 5.25%. Mutual of America makes loans to participants in accordance with the terms and conditions specified in the plan document (see Note 9).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statement of net assets available for benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statement of changes in net assets available for benefits is prepared on a contract value basis.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are deemed as distributions based upon the terms of the plan document. As of December 31, 2014 and 2013 there were no allowances for delinquent participant loans.

Payment of benefits - Benefits are recorded when paid.

Administrative fees - The plan sponsor or its affiliates pay all administrative fees except for contract administrator fees, which are paid for by the Plan.

Fair Value Measurements

Fair Value Measurements establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below. Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

-continued-

LGI SERVICES, LLC
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair Value Measurements (continued)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 as compared to those used at December 31, 2013.

Guaranteed investment contract - Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations, considering the creditworthiness of the issuer.

Group annuity contracts - Valued at the net asset value ("NAV") of shares held by the Plan at year end.

Mutual funds - Valued at the NAV of shares held by the Plan at year end.

Level 3 Gains and Losses

The table below sets forth a summary of changes in the fair value of the Level 3 assets for the year ended December 31, 2014.

	Guaranteed Investment Contract
Balance, beginning of year	$ 3,727,091
Interest income	53,796

Balance, end of year	$ 4,172,727
The amount of total gains for the period attributable to the changes in unrealized losses relating to the assets still held at the reporting date	$ -

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Uncertainty in income taxes - The Plan has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. Periods ending December 31, 2011 and subsequent remain subject to examination by applicable taxing authorities.

Subsequent events - Subsequent events have been evaluated through September 21, 2015, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH PRINCIPAL TRUST COMPANY

The Plan entered into a benefit-responsive guaranteed investment contract with Principal Trust Company. Principal Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2014 and 2013 was $4,172,727 and $3,727,091, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.00 percent. Such interest rates are reviewed on a semiannual basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor’s business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete plan termination; or (7) plan disqualification. The plan administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are products of Principal and Mutual of America Life Insurance Company. Fees paid by the Plan to Principal and Mutual of America Life Insurance Company for contract administrator services for 2014 were $103,697. In addition, investment fees are netted against investment returns. Principal and Mutual of America Life Insurance Company are trustees of the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are deemed to be "exempt" from Prohibited Transaction Rules as defined by Department of Labor regulations.

NOTE 6 - TAX STATUS

The Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). In 2009, the Plan submitted a plan document to the Internal Revenue Service. As of December 31, 2014, the Plan has not received a determination letter specified to the Plan itself. It is the Plan's opinion that they are in compliance with the applicable requirements of the IRC; therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, LGI has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, based on the markets' fluctuations, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - PLAN LOANS

Mutual of America makes loans to participants in accordance with the terms and conditions specified in the plan documents. These loans are collateralized by the participants' account balances. Outstanding loan balances will be withdrawn from participants' accounts in an instance of default and will then be deemed a distribution. Interest is paid monthly or quarterly at an interest rate is 4.0% as of December 31, 2014 and 4.50% as of December 31, 2013. As of December 31, 2014 and 2013, outstanding loans were $0 and $32, respectively, which are not included as part of plan assets.
