(the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by State Street Corporation, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions.

The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2014 and 2013, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held at End of Year, which are the responsibility of Plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to, and we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A – DESCRIPTION OF PLAN

Green Planet 21, Inc. (formerly, the Sutta Company Incorporated 401(k) Profit Sharing Plan) (the "Plan") is a defined contribution, multi-employer plan established on January 1, 1994 by the Sutta Company, Inc. (the "Company"), based on the prototype defined contribution retirement plan of the ADP Retirement Services. The Plan trustee is State Street Corporation and ADP Retirement Services provides bookkeeping services for the Plan. Effective January 1, 2014, the Company changed its name to "Green Planet 21, Inc." and subsequently amended the Plan's adoption agreement and related documents to reflect the new name. In addition, the following entities and its employees were merged into one company, Green Planet 21, Inc.

The Sutta Company, Inc.	Cencal Recycling, LLC
Rincon Recycling, Inc.	American Shredding, Inc.
High Desert Recycling, Inc.	Wilmington Recycling, LLC
Green Planet 21	

Green Planet Utility remains a separate entity although its employees are eligible to participate in the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of termination, disability, financial hardship, or death. The Plan covers all employees of the Company and its affiliate who meet certain eligibility requirements. Employees who have completed three consecutive months of service and are age twenty-one years or older are eligible to participate in the Plan. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA), as amended.

The Company is the Plan administrator and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan.

Contributions

Participants may contribute a minimum of 1% and a maximum of 75% of their annual pretax compensation, as defined in the Plan, not to exceed the maximum allowable amounts under the Internal Revenue Code. Participants who are at least age 50 may make additional "catch-up" contributions as defined under the Internal Revenue Code. The Plan does not provide employer

Contributions - continued

matching contributions. However, the Company may make a discretionary profit sharing contribution at the option of the officer. For the years ended December 31, 2014 and 2013, there were no profit sharing contributions made to the Plan.

Rollover Contributions

The Plan accepts rollover contributions from retirement funds held by participants outside of this Plan, subject to Plan provisions.

Investment Options

The Plan provides for participant-directed investment programs whereby the Plan determines which investment options are available and the participants may choose among the available options. Participants may have their accounts invested in any or a combination of registered investment companies accounts. Participants may change their investment options at any time by reallocating contributions among different investment alternatives. Participants may also transfer contributions into and out of investments provided under the Plan, subject to possible restrictions.

Participant Accounts

Each participant's account is self-directed and credited with the participant's contributions (including elective deferrals, catch up contributions, after-tax contributions, and/or rollover contributions), the Company's contributions, share of any investment earnings, and increases in the value of investments. Participant accounts are also debited with any withdrawals or distributions, investment losses, decreases in values of investments, and share of fees and expenses, as applicable. Allocations are based on participant earnings or account balances, as defined pursuant to the Plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expenses

Administrative costs, except for certain investment fees and loans fees that are paid out of the related participant accounts, are absorbed by the Plan and have not been included in the accompanying financial statements.

NOTE A – DESCRIPTION OF PLAN (continued)

Payment of Benefits

Benefits may be paid from participant accounts at age 59 1/2, or upon disability, termination of employment, death, or upon the Plan's termination. Participants who are age 70 1/2 and over are required by the IRS to make certain required minimum distributions. If a participant's account is valued at $5,000 or less upon termination of employment, the Company may liquidate the value of the account and distribute the funds to the former participant. The taxable portion of a withdrawal is subject to federal and state income taxes and an additional tax if the participant has not reached retirement age, unless the amount is rolled over into another eligible plan or an Individual Retirement Account.

Eligible participants may request an in-service hardship distribution of elective deferrals and any vested employer contributions, subject to the Plan's provisions.

Notes Receivable from Participants

The Plan allows active participants to borrow from their vested account balances. As of December 31, 2014, the minimum loan amount was $500, and prior to October 1, 2010, the minimum loan amount was $1,000. Participant loans are limited to the lesser of 50% of their vested account balance or $50,000 less the highest outstanding loan balance in the prior twelve-month period. Participants are permitted to have only one outstanding loan at any time and the loan must be repaid within a five-year period, unless the loan is for the acquisition of a primary residence. All loans shall be considered investments of the trust and shall be evidenced by a promissory note signed by the participant. Loans are secured by the balance in the participant’s account, and bear interest at a rate commensurate with local prevailing rates. The interest rate shall remain fixed throughout the duration of the loan. Principal and interest payments are made through payroll deductions.

NOTE A – DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings on elective deferral contributions. All contributions are 100% vested upon attaining normal retirement age, death or disability. Employer contributions not already fully vested when made (i.e., Safe Harbor matching) are subject to the following vesting schedule:

Years of Service	Vested Interest
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts

Forfeitures attributable to profit sharing contributions not used to pay administrative expenses will be reallocated to participants in the current or next succeeding Plan year. As of December 31, 2014 and 2013, there were no forfeited non-vested account balances.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and in the disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Money market funds and interest-bearing cash are reported at fair value, which equals cost. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Quoted market prices are used to value investments when available. Investments in the common/collective trust are stated at fair value as determined periodically by the trustee, based on the current market values of the underlying assets of the fund. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of investments are recorded on a trade date basis. Interest and dividend income is recorded when earned. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Employee contributions are recorded in the period that the Company makes payroll deductions from the participant's earnings. The Plan does not provide employer matching contributions.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan documents.

Excess Contributions Payable

Excess deferred contributions made by Plan participants during the year are returned to the participants during the first quarter of the following year.

Reclassifications

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to current year presentation. Such reclassifications had no effect on the previously reported net assets available for benefits or the change in net assets available for benefits.

NOTE C – INVESTMENTS

All of the investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at year-end, net appreciation and depreciation in fair value of investments, interest, and dividend income for the year then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

Net (Depreciation) Appreciation in Fair Value of Investments

The Plan’s investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) and common/collective trusts appreciated in value for the years ended December 31, 2014 and 2013 as follows:

Net appreciation	$ (40,152)	$ 167,234

NOTE D – COMMON COLLECTIVE TRUST

During 2014 and 2013, the Plan held assets in Invesco Stable Asset Trust (“Trust”), a collective trust under the umbrella of Invesco National Trust Company, which is a Texas trust company. The collective Trust was established for the purpose of collectively investing and reinvesting the assets of eligible pension and profit sharing trusts and other eligible entities. The Trust is an investment company and follows the accounting and reporting guidance in accordance accounting standards codification 946, Financial Services – Investment Companies. The Trust’s primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. The Trust offers four classes of Units: ADP85, ADP30, ADP59, and ADPZ. The investment objectives of the Trust are the same among each class of Units. The Plan has unit ADP59. Issuances and redemptions of participant units are made on each business day (“Valuation Date). As permitted under the Trust Agreement, participant units are issued and redeemed based upon the net asset value per unit of the Trust, determined in

NOTE D – COMMON COLLECTIVE TRUST (continued)

accordance with the terms of the Trust Agreement, as of the Trust's Valuation Date last preceding the date on which such order to contribute assets or withdraw assets is received. A participating trust is required to give the Trustee 12 months' irrevocable written notice of intent to redeem all or a portion of its participation in the Trust. A participating trust may redeem units at any time upon 10 business days' notice at the lesser of the market value or the contract value of the redeemed units. Distributions of net investment income are declared daily and paid monthly. Such distributions are reinvested at the month-end net unit value.

As of December 31, 2014 and 2013, the fair value of the common collective trust totaled $160,182 and $182,765, respectively. During the year ended December 31, 2014 and 2013, the average yield earned on the contract, which was held at the end of the year was 1.45% and 1.15%, and the average yield credited to participants was 1.57% and 1.31%, respectively.

NOTE E – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE E – FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common/collective trusts: Valued at fair value based upon the current fair value of the underlying investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013:

	Assets at Fair Value as of December 31, 2014			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,553,629	$ -	$ -	$ 1,553,629
Common/collective trust	-	567,400	-	567,400
Total assets at fair value	$ 1,553,629	$ 567,400	$ -	$ 2,121,029

NOTE E – FAIR VALUE MEASUREMENTS (continued)

	Assets at Fair Value as of December 31, 2013			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,555,891	$ -	$ -	$ 1,555,891
Common/collective trust	-	573,262	-	573,262
Total assets at fair value	$ 1,555,891	$ 573,262	$ -	$ 2,129,153

NOTE F – INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined that as of March 31, 2008, the ADP Retirement Services Proto-type Standardized Profit Sharing Plan with CODA was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The ADP Proto-type Plan was adopted by the Company on September 27, 2010. The Plan administrator is not aware of any course of action or series of events that have occurred that might affect the Plan's tax-exempt status and, therefore, believes that the Plan and the related trust are tax-exempt.

The Plan's Form 5500 is subject to examination by the Internal Revenue Service ("IRS") for a period of three years from the date it was filed, except under certain circumstances. The Plan's Form 5500 for the years 2010 through 2013 are open for a tax examination by the IRS, although no request has been made as of the date of these financial statements.

NOTE G – PRIORITIES UPON PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to amend the Plan, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances as of the date of termination.

NOTE H – RISKS AND UNCERTAINTIES

The Plan provides for investments in different investment securities that are exposed to various risks such as interest rate, credit risks, and overall market volatility. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.
