The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B) Contributions – Represents amounts contributed to the participants' accounts as described below:

The Employer may also make profit sharing contributions to the Plan on account of any Plan year, in one or more installments in an amount determined by the Employer on behalf of each participant who is an eligible employee of that Plan year at the Employer's discretion. Profit sharing contributions are allocated on a pro-rata basis of total compensation.

For the year ended December 31, 2014, total annual contributions made by the employer and participant are limited to the lesser of $52,000 or the total compensation paid by the employer to the participant during the Plan year.

iii. Rollover contributions – The Plan may receive from a participant any amount previously received by a participant from a qualified plan. The Plan may receive such amount either directly from the participant or from a qualified plan in a trust-to-trust transfer.

C) Investment options – Participants may decide how contributions allocated to them are invested among one or more of eight mutual funds. Any investment election may be changed on line and are effective in the next payroll period.

D) Participant accounts – Each participant's account is credited with the participant's contributions, matching contributions and an allocation of (a) the Company's profit sharing contributions and (b) Plan earnings, and forfeitures of terminated participants' non-vested accounts.

E) Vesting – Vesting in the participants' and the Employer's contributions plus earnings thereon is based on years of service. Participants are immediately vested in their rollover contributions plus actual earnings thereon. A participant will be fully vested upon reaching the age of 62 and after completing three (3) years of participation in the Plan.

F) Notes receivable from participants – Loans to participants from the Plan are not permitted.

G) Payment of benefits – The distribution of benefits to which a Participant or Beneficiary may become entitled to in case of retirement, disability or termination of employment shall be distributed under whichever of the following methods the participant or Beneficiary shall elect:

i. One or more payments within one taxable year of the Participant or Beneficiary;

H) Withdrawals –

No withdrawal will be allowed by a participant from his/her pre-tax or after-tax contribution account, employer profit sharing contribution account and employer matching contribution account.

ii. Hardship withdrawals – Participants may elect to make withdrawals from his/her pre-tax or after-tax contribution account in the event of a financial hardship. It will be permitted only if the Plan Administrator or the Committee determines that a participant has an immediate and heavy financial need that a withdrawal from the Plan is necessary in order to satisfy such need in accordance with applicable regulations.

I) Forfeited accounts – As of December 31, 2014 and 2013, forfeited non-vested accounts totaled $31 and $434, respectively. These amounts will be used to pay for Plan expenses and any remaining part to reduce future Employer matching contributions.

J) Transfer of assets to other plans – Participants upon termination or resignation, or retirees upon retirement, may elect to transfer their account balance to other plans qualified by the Puerto Rico Treasury Department or by the U.S. Internal Revenue Service.

2) Summary of Significant Accounting Policies:

The most significant accounting policies followed by the Plan are summarized below:

A) Basis of accounting – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employees Retirement Income Security Act of 1974.

B) Use of estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

C) Investment valuation and income recognition – Investments in mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The net asset value (NAV) per share is calculated by each fund based on the market value of the underlying securities within each fund and is required to be published on a daily basis. The mutual funds held by the Plan are deemed to be actively traded. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The net appreciation (depreciation) in fair value of investments, including realized gains or losses and net change in unrealized gains or losses, is reflected in the statement of changes in assets available for benefits. Realized gains or losses on the disposal of investments are determined by specific identification and recognized on the trade date basis.

D) Contributions – Employer and participants' contributions are recorded in the Plan year in which the Employer makes the payroll deductions.

E) Payment of Benefits – Benefits payments to participants are recorded upon distribution.

F) Administrative expenses – Are recorded when incurred.

G) Adoption of new accounting standards – The following new Accounting Standard Updates (ASU's) issued by the Financial Accounting Standards Board (FASB) were early adopted by the Plan:

- ASU 2015-07 – *Fair Value Measurement (Topic 820), Disclosures for Investments in Certain Entities that Calculate Net Asset Value per share (or its equivalent).* This ASU removed the requirement to categorize within the fair value hierarchy all investments for which fair is measured using the net asset value per share practical expedient. It also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value, using the net asset value per share practical expedient.

- ASU 2015-12 – *Plan Accounting: Defined Benefit Pension Plans, (Topic 960), Defined Contribution Pension Plans (Topic 962) and Health and Welfare Benefit Plans (Topic 965)* – This ASU simplifies financial reporting for benefit plans by simplifying, among others, the level of disaggregation for investments measured using fair value and introduce other disclosure simplification, such as elimination of requirement to disclose the net appreciation or depreciation in fair value of investments by general type and the requirement to disclose individual investments with a value equal to or greater than 5% of net assets available for benefits.

3) Information Certified by the Trustee:

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by UBS, Trustee, except for comparing such information certified by the them to the information included in the Plan's financial statements and Supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year).

The following table presents the fair value of each of the participant-directed investments and related net appreciation in fair value and interest and dividends that were certified by the Trustee:

	$ 7,542,255	$ 7,637,306
Net appreciation in fair value of investments	$ 19,572	
Interest and dividends	$ 412,278	

4) Tax Status:

The Plan is intended to be a tax qualified arrangement that complies with the provisions of the Employment Retirement Income Security Act of 1974, as amended, and with the Puerto Rico Internal Revenue Code (PRIRC) of 2011, as amended. A determination letter was issued by the Puerto Rico Department of the Treasury on September 8, 2003. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the PRIRC.

The Plan is not a qualified plan under Section 401(a) of the US Internal Revenue Code. The Plan is a non-domiciled US profit sharing Plan with a cash or deferred arrangement (CODA), which is qualified under Section 1081 of the Puerto Rico Internal Revenue Code only. It is sponsored by a Puerto Rican employer and covers only Puerto Rican residents.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan as of December 31, 2014 and 2013, had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustments or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

5) **Plan Termination:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

6) **Party-In-Interest Transactions:**

Patheon Puerto Rico, Inc. is a party-in-interest, as defined by ERISA. There were no prohibited party-in-interest investments or transactions as of December 31, 2014 and 2013.

7) **Risk and Uncertainties:**
