INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Condominium Associates 401(k) Profit Sharing Plan and Trust

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Condominium Associates 401(k) Profit Sharing Plan and Trust (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the **Basis for Disclaimer of Opinion** paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2014, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the **Basis for Disclaimer of Opinion** paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis-of Matter

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note 5 to the financial statements, the Plan's sponsor elected in April 2015 to terminate the Plan, which indicates that the Plan is not a going concern. The financial statements do not include any adjustments that might be necessary upon termination. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the **Basis for Disclaimer of Opinion** paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Report on Compiled 2013 Financial Statements

We have compiled the accompanying statement of net assets available for benefits of Condominium Associates 401(k) Profit Sharing Plan and Trust as of December 31, 2013. We have not audited or reviewed the accompanying statement of net assets available for benefits and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist plan management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Condominium Associates 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of the employees of Condominium Associates (the "Company") who are eligible to participate one year after the commencement of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Contributions are made by the Company on behalf of the employee participants who have agreed to have their taxable wages or salaries reduced. Participants are permitted to defer a percentage of their pay into an elective deferral account on a pre-tax or post-tax basis, subject to the limitations specified in the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified defined benefit or contribution plans.

Employer contributions are comprised of two components: a profit sharing contribution and an employer matching contribution. The profit sharing contribution is made at the discretion of the Company and is allocated among all participants based on the ratio which each participant's annual compensation bears to the total compensation for all participants. For 2014, the Company did not make a discretionary profit sharing contribution. The Company matching contribution equals 100% of the first 3% of each participant's voluntary contributions and 50% of the next 2%. The maximum total match is 4%. All amounts are invested at the participant's discretion.

Contributions are limited by Federal Tax legislation. The limit for 2014 401(k) employee contributions was \$17,500 per participant.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contribution and (b) Plan earnings. Allocations of Company profit sharing contributions are based on participant earnings as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are always 100% vested in amounts attributable to both salary deferrals and employer contributions. Participants are entitled to all of the amounts in the account attributable to all types of contributions.

Condominium Associates 401(k) Profit Sharing Plan and Trust Notes to Financial Statements

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

Distributions to participants or their beneficiaries take place upon the employee's separation of service, retirement, permanent and total disability, or death. Distributions equal to the value of the participant's vested interest in his or her account are made in a lump sum amount. A participant may also request a distribution from their elective deferral account in the case of a hardship as outlined in the Plan provisions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation

The Plan's investments are stated at fair value based on quoted market prices. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation or depreciation of those individual investments. Investment income is recorded as earned. Purchases and sales of investments are accounted for on a trade-date basis.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. At December 31, 2014 and 2013, no adjustment has been made from fair value to contract value because the difference is not material to the financial statements as a whole.

Asset Allocation

Several of the Plan's investments have been combined and classified in Note 3 to the financial statements as "Other". These investments have similar investment objectives and individually comprise less than five percent of plan assets.

Administrative Expenses

Broker fees are paid by the Plan and are allocated to the participants' accounts by the Plan administrator. Other administrative expenses such as Plan accounting and auditing fees are paid by the Company.

Condominium Associates 401(k) Profit Sharing Plan and Trust Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of the Plan's financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events

In preparing the financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through October 9, 2015, which is the date the financial statements were available to be issued.

Risks and Uncertainties

The Plan provides for various investment options in any combination of stocks, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 3: INVESTMENTS

John Hancock Life Insurance Company ("John Hancock") maintains all records of investment transactions and determines the valuation of the investment portfolio. As required by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, John Hancock has provided certification to the Plan administrator regarding the accuracy and completeness of certain information. The following information was included in the information certified by John Hancock for the year ended December 31, 2014, and was used by the Plan Administrator in the preparation of the financial statements and schedule in compliance with ERISA.

- a. Balances in the participant directed investments at December 31, 2014 and 2013.
- b. Investment income and/or market value adjustments credited to the participant directed investments for the year ended December 31, 2014.

NOTE 4: FAIR VALUE MEASUREMENTS

Generally accepted accounting principles (GAAP) establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence.

Condominium Associates 401(k) Profit Sharing Plan and Trust Notes to Financial Statements

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

of fair value. The Plan's investments do not include any for which Level 2 inputs are available and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. At December 31, 2014 and 2013, John Hancock believes all sub-accounts, including pooled separate accounts and guaranteed accounts, should be considered level 1 assets. Following is a description of the valuation methodologies used for assets measured at fair value.

- Pooled separate accounts: Valued at directly observable prices based on the active markets for the underlying mutual funds held by the separate accounts.
- Guaranteed accounts: Valued at fair value by comparing the rates in effect on the specific date to the rates on which actual interest is determined and adjusting based on the differences in those rates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013:

NOTE 5: PLAN TERMINATION

Subsequent to year end, ownership of the Company was sold, and management elected to terminate the Plan at that time. All Plan amounts were disbursed during fiscal year 2015.

Condominium Associates 401(k) Profit Sharing Plan and Trust Notes to Financial Statements

NOTE 6: TAX STATUS

The Internal Revenue Service has determined and informed John Hancock that its prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. However, the Company has not received a determination with respect to plan qualification for this specific Plan. Management believes that the Plan has been designed and is being operated in such a way as to be qualified under Section 401 of the Internal Revenue Code.

NOTE 7: FORM 5500

The 2014 Form 5500, as filed, differs from the accompanying Statement of Net Assets Available for Benefits and Statement of Changes in Net Assets Available for Benefits. Revenue amounts totaling approximately \$6,700, which were not recognized on the 2014 Form 5500, were accrued and recognized as revenue in the financial statements for the year ended December 31, 2014.
