Marco Display Specialists LP 401 (K) Employees' Saving Plan
Post Office Box 123439
Fort Worth, Texas 76121-3439

The Objective and Scope of the Audit

You have requested that we audit the financial statements of Marco Display Specialists Inc Profit Sharing Plan (The Plan), which comprise the statements of net assets available for benefits as of December 31, 2014, and related statement of changes in the net assets available of benefits, for the year ended December 31, 2014, the related notes to the financial statements and report on the supplemental schedules of the Plan's form 5500 filing with the Employee Benefits Security Administration (EBSA) of the Department of Labor (DOL).

You have also requested that we report on whether the supplemental schedules required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) are fairly stated, in all material respects, in relation to the financial statements as a whole, all of which are to be included in the Form 5500 filed with the DOL.

As permitted by 29 CFR 2520.103.8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974 (ERSIA), you have instructed us not to perform any auditing procedures with respect to asset information certified or provided by Fidelity Management Trust Company, other than comparing information with the related information included in the financial statements and supplemental schedules. Under ERISA, the Plan administrator is generally responsible to the Plan participants for the financial information and the ability of the certifying entity to issue such ERISA certification.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

The Responsibilities of the Auditor

Except as noted above, we will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements and supplemental schedules. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified or provided by Fidelity Management Trust Company, will be audited by us in accordance with GAAS, and will be subjected to tests of your accounting records and other procedures as we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The supplemental schedules will be subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures. Accordingly, our report will state whether the information is fairly stated in all material respects in relation to the financial statements as a whole.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

In making our risk assessments, we consider internal control relevant to the plan's preparation and fair presentation of the financial statements and supplemental schedules in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit, including those that were remediated during the audit.

As a part of our audit, we will perform certain procedures, as required by GAAS, directed at considering the plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status. As we conduct our audit, we will be aware of the possibility that events affecting the plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the plan's compliance with requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to nor is it intended to determine the plan's overall compliance with applicable provisions of the IRC or ERISA.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that Marco Display Specialists Inc Profit Sharing Plan acknowledge and understand that they have responsibility:

a. For the preparation and fair presentation of the financial statements in accordance with accounting principles general accepted in the United States of America which includes the determination of the fair value investments.
b. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error;
c. For the supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements including for the fair presentation of the supplemental schedules and the form and content of the financial statements and supplemental schedules in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
d. For identifying and determining that the plan complies with the laws and regulations applicable to its activities; and
e. To provide us with
    i. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
    ii. Additional information that we may request from management for the purpose of the audit; and

iii. Unrestricted access to persons within the plan from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit of financial statements and to report on the supplemental schedules.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Other Relevant Information

You have not engaged us to prepare or review the plan's Form 5500 filing with the DOL. Because the audited financial statements are required to be filed with the Form 5500, professional standards require that we read the Form 5500 prior to its filing. The purpose of this procedure is to consider whether information or the manner of its presentation in the Form 5500 is materially inconsistent with the information or the manner of its presentation appearing in the financial statements. These procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared. The Objective and Scope of the Audit

You have requested that we audit the financial statements of Marco Display Specialists Inc Profit Sharing Plan (The Plan), which comprise the statements of net assets available for benefits as of December 31, 2014, and related statement of changes in the net assets available of benefits, for the year ended December 31, 2014, the related notes to the financial statements and report on the supplemental schedules of the Plan's form 5500 filing with the Employee Benefits Security Administration (EBSA) of the Department of Labor (DOL).

You have also requested that we report on whether the supplemental schedules required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) are fairly stated, in all material respects, in relation to the financial statements as a whole, all of which are to be included in the Form 5500 filed with the DOL.

As permitted by 29 CFR 2520.103.8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974 (ERSIA), you have instructed us not to perform any auditing procedures with respect to asset information certified or provided by Fidelity Management Trust Company, other than comparing information with the related information included in the financial statements and supplemental schedules. Under ERISA, the Plan administrator is generally responsible to the Plan participants for the financial information and the ability of the certifying entity to issue such ERISA certification.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

The Responsibilities of the Auditor

Except as noted above, we will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements and supplemental schedules. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified or provided by Fidelity Management Trust Company, will be audited by us in accordance with GAAS, and will be subjected to tests of your accounting records and other procedures as we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The supplemental schedules will be subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures. Accordingly, our report will state whether the information is fairly stated in all material respects in relation to the financial statements as a whole.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

In making our risk assessments, we consider internal control relevant to the plan's preparation and fair presentation of the financial statements and supplemental schedules in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit, including those that were remediated during the audit.

As a part of our audit, we will perform certain procedures, as required by GAAS, directed at considering the plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status. As we conduct our audit, we will be aware of the possibility that events affecting the plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the plan's compliance with requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to nor is it intended to determine the plan's overall compliance with applicable provisions of the IRC or ERISA.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that Marco Display Specialists Inc Profit Sharing Plan acknowledge and understand that they have responsibility:

a. For the preparation and fair presentation of the financial statements in accordance with accounting principles general accepted in the United States of America which includes the determination of the fair value investments.
b. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error;
c. For the supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements including for the fair presentation of the supplemental schedules and the form and content of the financial statements and supplemental schedules in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
d. For identifying and determining that the plan complies with the laws and regulations applicable to its activities; and
e. To provide us with
    i. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
    ii. Additional information that we may request from management for the purpose of the audit; and

iii. Unrestricted access to persons within the plan from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit of financial statements and to report on the supplemental schedules.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Other Relevant Information

You have not engaged us to prepare or review the plan's Form 5500 filing with the DOL. Because the audited financial statements are required to be filed with the Form 5500, professional standards require that we read the Form 5500 prior to its filing. The purpose of this procedure is to consider whether information or the manner of its presentation in the Form 5500 is materially inconsistent with the information or the manner of its presentation appearing in the financial statements. These procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared. In the event that our report is issued prior to our having read the Form 5500, you agree not to attach our report to the financial statements included with the Form 5500 until we have read the completed Form 5500.

The working papers for this engagement are the property of J.A. Garrison & Co., CPA's and constitute confidential information. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties.

We may be requested to make certain working papers available to the DOL pursuant to authority given to it by law or regulation. If requested, access to such working papers will be provided under the supervision of J.A. Garrison & Co., CPA's personnel. Furthermore, upon request, we may provide photocopies of selected working papers to the DOL. We will mark all information as confidential and maintain control over the duplication of all such information. However, the DOL may intend or decide to distribute the photocopies or information contained therein to others, including other governmental agencies. You will be billed for additional fees as a result of the aforementioned work.

Our fees will be billed as work progresses and are based on the amount of time required at various levels of responsibility, plus actual out-of-pocket expenses. Invoices are payable upon on receipt. We will notify you immediately of any circumstances we encounter that could significantly affect our initial estimate of total fee of $ 8,500.

Please sign and return the attached copy of this letter to indicate your acknowledgement of, and agreement with, the arrangements for our audit of the financial statements and supplemental schedules, including our respective responsibilities.
