Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Ascensus Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2014 and 2013 and for the year ended December 31, 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of a Matter – Financial Condition of Plan Sponsor

Emphasis of a Matter – Plan Termination

As discussed in Notes 1 and 7, a resolution was approved by the Medical Center to terminate the Plan on November 4, 2013. In accordance with accounting principles generally accepted in the United States of America, the Plan had changed its basis of accounting to the liquidation basis. Our opinion is not modified with respect to this matter.

The Medical Center is in the process of distributing the assets of the Plan.

Notes to Financial Statements
December 31, 2014

1. Plan Description

The following description of the Sound Shore Medical Center of Westchester Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Sound Shore Medical Center of Westchester, Inc. (the "Medical Center"). The Plan covers substantially all of its nonunion employees who have attained the age of 21 and have completed 1,000 hours of service. Certain union employees are covered under a noncontributory defined benefit multi-employer pensions.

A resolution was approved by the Medical Center to terminate the Plan on November 4, 2013. As a result, all of the assets of the Plan are in the process of being disbursed to the participants.

During 2014, Frontier Trust Company changed its name to Ascensus Trust Company.

Contributions

The Medical Center may make discretionary contributions to the Plan for participants who have a year of credited service. Contributions were allocated to participants based on a percentage of their compensation and years of credited service as defined by the Plan.

Participant Accounts

Each participant's account is credited with an allocation of the Medical Center's contribution and an allocation of Plan earnings. The allocation is based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Employees are eligible for normal retirement benefits at age 65. Upon normal retirement or separation of service, participants can receive their vested benefits as a lump sum distribution.

Vesting

On November 4, 2013, all participants became 100% vested as a result of the plan termination.

Forfeitures

At December 31, 2014 and 2013, forfeited non-vested accounts totaled $77,149 and $92,268. Forfeitures may be used to reduce administrative expenses incurred by the Plan. During 2014, forfeitures of $15,160 were used to reduce administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

As a result of the Plan termination, the Plan changed its basis of accounting from the accrual basis of accounting to the liquidation basis. There were no material changes to the financial statements as a result of this change in accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2014 and 2013, all of the Plan's investments were valued using level 1 inputs.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Accounting for Uncertainty in Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition or disclosure. The Plan is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to December 31, 2011.

2. Summary of Significant Accounting Policies *(continued)*

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 9, 2015.

3. Information Certified (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all the investments reflected on the accompanying statements of net assets available for benefits (liquidation basis) as of December 31, 2014 and 2013, the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (liquidation basis) as of December 31, 2014, and the related investment activity reflected in the statement of changes in net assets available for benefits (liquidation basis) for the year ended December 31, 2014.

4. Investments

The following table states the asset classes of the investments held by the Plan at December 31:

	2014	2013
Cash Equivalents	$ 591,215	$ 1,132,059
Mutual Funds		
Equity	277,858	1,428,097

Total Mutual Funds	348,942	1,835,296
	$ 940,157	$ 2,967,355

4. Investments *(continued)*

The following investments represent 5% or more of the Plan's net assets available for benefits at December 31:

	2014	2013
American Funds Money Market	$ 591,215	$ 1,132,059
Thornburg International Value Fund	50,311	176,490
American Funds Growth Fund of America	47,844	323,842

American Funds EuroPacific Growth	*	163,366
Davis New York Venture	*	163,111
American Funds American Balanced Fund	*	155,937

* - Amount was less than 5% of the Plan's assets available for benefits.

The Plan's mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $53,614 for the year ended December 31, 2014.

5. Related Party Transactions

Fees paid by the Plan to Frontier Trust Company, the Plan's trustee, amounted to $9,434 for the year ended December 31, 2014.

6. Income Tax Status

The Internal Revenue Service has determined that the Plan meets the requirements of Section 401(a) of the Internal Revenue Code (the "Code") and its related trust is exempt from taxation under Section 501(a) of the Code. The Plan obtained its latest determination letter on October 12, 2010, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the determination letter. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

The Plan is currently under an investigation by the Department of Labor ("DOL"). The Plan's management believes that no issues have been identified during the investigation to warrant any change to the tax status.

7. Financial Position of Plan Sponsor

The Medical Center entered into an Asset Purchase Agreement ("APA") with Montefiore Medical Center ("Montefiore") on May 29, 2013, filed a petition for Chapter 11 protection under the United States Bankruptcy Code in the United States Bankruptcy Court in the Southern District of New York on May 29, 2013 and completed the sale of its assets to Montefiore pursuant to that APA on November 6, 2013. As such, Montefiore assumed full operational control of the Medical Center on that date.

7. Financial Position of Plan Sponsor *(continued)*

At December 31, 2012 and 2011, and for the years then ended, the Medical Center's current liabilities exceeded its current assets by $104.0 and $47.2 million, there was a deficiency in consolidated unrestricted net deficit of $72.9 and $43.8 million and the excess of expenses over revenue equaled $29.2 and $20.8 million. The deterioration of operating results and decline in financial position continued through the date of the APA and was further compounded by continued negative trends in overall patient volume and utilization.

The acquisition of the assets of the Medical Center by Montefiore which was fully supported by the New York State Department of Health was executed on November 6, 2013 after a due diligence process by both parties. A resolution to terminate the Plan was approved by the Board on November 4, 2013.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
