Notes to Financial Statements
December 31, 2014 and 2013

Note 1: Description of Plan

The following description of the iHeart Media, Inc. 401(k) Savings Plan for Union Employees (Plan) provides only general information. In connection with a plan restatement effective October 1, 2014, the Plan name was changed from Clear Channel Communications, Inc. 401(k) Savings Plan for Union Employees. In addition, the name of the plan sponsor was changed from Clear Channel Communications, Inc. to iHeart Communications. Inc. (Company or Plan Sponsor)."Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan maintained pursuant to one or more collective bargaining agreements covering all eligible employees, as defined, of the Plan sponsor whose benefits are subject to such agreements. Generally, a union employee is eligible to participate in the Plan after completing three months of service and attainment of age 21, The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA).

Contributions

Participants may elect to defer a portion of their compensation by an amount that does not exceed the maximum allowed under Internal Revenue Service (IRS) rules and regulations. Each year, participants may contribute up to 20% (15% for certain collectively bargained units) of their eligible pay on a pre-tax basis, up to the annual IRS maximum 401(k) deferral limit of $17,500 in 2014. The Plan sponsor limits 401(k) deferral percentage elections of all highly compensated employees in the Plan to a maximum of 5% of pay. The IRS limits the amount of compensation that can be taken into account for Plan purposes. For 2014, the qualified Plan compensation limit was $260,000. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan sponsor's board of directors may determine that any participating employer may contribute matching or employer discretionary contributions on behalf of its participants, as negotiated under a specific collective bargaining agreement. No employer contributions to the Plan were made for the year ended December 31, 2014.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Plan sponsor's contribution (if applicable) and Plan earnings (losses) and charged with certain transaction fees. Allocations are based on participant account balances and participant-directed transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Participant forfeitures of non-vested contributions and unclaimed benefits are used to reduce employer contributions to the Plan. For the years ending December 31, 2014 and 2013, there were no unallocated forfeitures.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan sponsor's contributions is based on years of continuous service. A participant is 100% vested in the Plan sponsor's contributions to the participant's account after five years of credited service (or upon the death or disability of the participant or attainment of age 65).

Investment and Administrative Expenses

The Plan sponsor pays for administrative expenses such as accounting, audit, legal and investment consulting fees. Fees related to loans are paid for by each participant during the term of their loan.

Notes Receivable from Participants

Participants may borrow from $1,000 up to a maximum of the lesser of i) $50,000 reduced by the excess, if any, of (A) the highest outstanding balance of loans to the participant from the Plan during the one year period ending on the day before the day the loan is made, over (B) the outstanding balance of loans to the participant from the Plan on the date on which the loan is made, or ii) 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear a fixed interest rate equal to 1% above the prime rate as reported in the Wall Street Journal for the last business day of the quarter preceding the calendar quarter in which the loan is processed unless such rate is not "reasonable" within the meaning of ERISA, in which case a reasonable rate of interest shall be used.

Rollovers

Rollovers represent transfers of eligible cash distributions from any other qualified plans through a direct transfer from such plan.

Payment of Benefits

On termination of employment, the Plan provides that benefits will be paid by a lump-sum distribution, a rollover or a combination of a lump-sum and rollover. The Plan sponsor encourages terminated participants to review the distribution options available under the Plan.

The Plan sponsor may periodically distribute the funds of terminated participants who do not make a distribution election. If the vested account balance is $1,000 or less upon termination of employment, the funds will be distributed in the form of a lump-sum distribution unless the participant has elected to rollover the distribution. If the vested account balance is greater than $1,000 but less than $5,000 upon termination of employment, the distribution will be paid in the form of a direct rollover to an individual retirement plan designated by the iHeart Communications, Inc. Retirement Benefits Committee unless the participant has elected to receive the distribution in a lump-sum payment or as a direct rollover. For benefits over $5,000 upon termination of employment, participants may elect to have benefits paid by lump-sum distribution, remain in the Plan until the earlier of age 65 or death of the participant or rolled over into another qualified plan. Absent such an election, participants whose benefits exceed $5,000 upon termination of employment will receive a lump-sum payment as soon as administratively feasible after reaching age 65. Hardship withdrawals are available to Plan participants upon approval.

Note 5: Fair Value of Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Level 2 Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1of the valuation hierarchy. Level 1 securities (i) *Common stocks,* which are valued at the closing price reported on the active market on which the individual securities are traded; and (2) *Registered investment funds,* which are valued at the quoted net asset value (NAV) of shares held by the Plan at year-end. There are no Level 2 or 3 securities held by the Plan.

There have been no significant changes in the valuation techniques during the year ended December 31, 2014. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Note 6: Related Party Transactions

Certain Plan investments are managed by Fidelity Management Trust Company (Fidelity). Fidelity is the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan sponsor paid approximately $20,248 in professional fees related to the Plan for the year ended December 31, 2014.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer contributions.

Note 8: Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated April 11, 2011, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) and therefore, the related trust is exempt from taxation Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan, as amended and restated, is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

Note 9: Subsequent Events

Management evaluated subsequent events for the Plan through July 29, 2015, the date the financial statements were available to be issued

Note 10: Risks and Uncertainties

The Master Trust invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for Plan benefits.
