## **Independent Auditors' Report**

Con-way Inc. Administrative Committee  
Con-way 401(k) Plan:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Con-way 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Con-way 401(k) Plan as of December 31, 2014 and 2013, and the changes in net assets available for benefits for the year ended December 31, 2014 in accordance with accounting principles generally accepted in the United States of America.

### ***Report on Supplementary Information***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2014 is presented for the purpose of

additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**CON-WAY 401(k) PLAN**  
Notes to Financial Statements  
December 31, 2014 and 2013

**1. Description of Plan**

The following description of the Con-way 401(k) Plan (the "Plan"), is provided for general information purposes only. Participants should refer to the Con-way Employee Benefits Plan Description or the Plan document for more complete information. The term "Con-way" or "Company" refers to Con-way Inc. and subsidiaries.

**General**

The Con-way sponsored Plan is a defined contribution plan with profit-sharing, salary deferral and employee stock ownership plan features and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code (the "Code").

Overall responsibility for administering the Plan rests with the Con-way Inc. Administrative Committee (the "Committee"), which is appointed by the Chief Executive Officer of Con-way. The Plan's trustee, T. Rowe Price (the "Trustee"), is responsible for the control of the Plan's assets, which are held in individual participant investment accounts (collectively known as the "Trust").

**Eligibility**

Prior to January 1, 2012, eligibility was restricted to employees of Con-way Truckload, a subsidiary of the Company, who were not sales managers, directors, vice presidents or the president. Effective January 1, 2012, this restriction was changed to permit Con-way employees who are classified as sales managers, directors, vice presidents, or president to participate in the Plan so long as they are not considered a Qualified Employee under the Con-way Retirement Savings Plan and so long as they otherwise meet the Plan's definition of a Qualified Employee. Employees are eligible to participate in the Plan if they are not covered by a collective bargaining agreement, are not a leased employee, are not a nonresident alien or are not a resident of Puerto Rico. There are no age requirements for eligibility. One year of service is required for participation. A supplemental employee must complete one year of service during which the employee works 1,000 hours.

**Contributions**

Participants may contribute up to 50% of their eligible compensation subject to certain limitations. Con-way, at its discretion, makes Matching Contributions to the Plan. During 2014, Con-way made Matching Contributions equal to 50% of the first seven percent of eligible compensation that participants contributed to the Plan.

**Participant Accounts**

The Plan allows participants to select any one or more of the investment funds established under the Plan in which contributions can be invested.

A separate account is maintained for each participant of the Plan. Allocations of net Plan earnings are based upon participant account balances. The benefits to which participants are entitled are the benefits that can be provided from participants' vested accounts.

## **Vesting**

Participants are fully vested at all times in all elective deferrals and rollover contributions made to the Plan plus net earnings thereon. Matching Contributions for current employees vest as follows:

|                     |     |
|---------------------|-----|
| Less than two years | —%  |
| Two years           | 20  |
| Three years         | 40  |
| Four years          | 60  |
| Five years          | 80  |
| Six or more years   | 100 |

Forfeited balances are used to reduce future Con-way contributions or are redistributed to Plan participants. At December 31, 2014 and 2013, forfeitures totaling approximately \$30,000 and \$16,000, respectively, were available to reduce future contributions. During 2014, forfeitures totaling approximately \$83,000 were used to reduce employer contributions.

## **Voting Rights**

Each participant is entitled to exercise voting rights attributable to the common shares of the Company allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised.

## **Notes Receivable from Participants**

The Plan has a loan provision allowing participants access to funds. Loans can be no less than \$1,000 and cannot exceed the lesser of \$50,000 or 50% of a participant's vested account balance (subject to administrative adjustment to assure compliance with the 50% limit). Loans can be made for a term not to exceed 4-1/2 years. Loans outstanding at December 31, 2014 bear interest at rates of 4.25%. Principal and interest are paid ratably through payroll deductions.

## **Payments and Benefits**

Participants can receive a total distribution from their accounts upon death or termination of employment. Disabled participants can receive a partial distribution of their accounts, provided they qualify for benefits under Con-way's long-term disability coverage. Other types of withdrawals are permitted by the Plan in limited situations. Participants can elect to have their accounts distributed in a single lump sum or in a series of substantially equal annual installments, as defined by the Plan. Distributions will be made in cash except participant accounts invested in Con-way common stock which can, at the direction of the participant, be paid in shares.

## **Plan Termination**

Although Con-way has no current intention to terminate the Plan, it may do so at any time by resolution of the Board of Directors. In the event that the Plan is terminated, all balances will become 100% vested and the net assets of the Plan shall be distributed to participants in the amount credited to their accounts.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements have been prepared using the accrual method of accounting.

### **Risks and Uncertainties**

The Plan offers various investments that are generally exposed to various risks, such as interest-rate, credit and overall market-volatility risks. Investments are reported at fair value. Due to the risk associated with certain investment securities, it is reasonably possible that the value of investment securities will change and that such changes could materially affect amounts reported in the statements of net assets available for benefits.

## **Investment Valuation and Income Recognition**

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3, "Fair-Value Measurements," for a discussion of fair value measurements.

The annual change in market value, including realized gains and losses, is reported in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on the trade-date basis.

## **Administrative Expenses**

During 2014, administrative expenses of the Plan were paid by Con-way and by Plan participants. Participant payments of administrative expenses were collected in administrative fees through a reduction in certain funds' net asset value and paid directly to the Trustee. Certain funds also charge investment management fees in accordance with each fund's prospectus, through a reduction in the funds' net asset value.

## **Payment of Benefits**

Benefits paid to participants are recorded upon distribution.

## **Estimates**

Con-way makes estimates and assumptions when preparing the financial statements in conformity with U.S. generally accepted accounting principles. These estimates and assumptions affect the amounts reported in the accompanying financial statements and notes. Actual results could differ from those estimates.

## **Notes Receivable from Participants**

Notes receivable from participants are carried at amortized cost plus accrued interest.

## **Subsequent Events**

The Plan has evaluated subsequent events with respect to the Plan through June 18, 2015, the date the financial statements were available for issuance

## **3. Fair-Value Measurements**

Assets and liabilities reported at fair value are classified in one of the following three levels in the fair-value hierarchy:

Level 1 - Quoted market prices in active markets for identical assets or liabilities

Level 2 - Observable market-based inputs or unobservable inputs that are corroborated by market data

Level 3 - Unobservable inputs that are not corroborated by market data

The following table summarizes the valuation of Plan assets within the fair-value hierarchy:

| December 31, 2014          |               |              |         |               |
|----------------------------|---------------|--------------|---------|---------------|
|                            | Level 1       | Level 2      | Level 3 | Total         |

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

*Mutual funds and Con-way common stock* - valued at the daily closing price reported on the active market on which the individual securities are traded.

*Common trust funds* - valued at the fair value of the underlying investments determined by and reported at the net asset value ("NAV") of units held by the Plan at year end. The common trust funds are considered Level 2 investments as the underlying securities are publicly traded.

The following table provides information regarding redemption of investments where the NAV has been used as a practical expedient to measure fair value at December 31:

|                    | Fair Value   |              | Redemption Frequency | Redemption Notice Period |
|--------------------|--------------|--------------|----------------------|--------------------------|
|                    | 2014         | 2013         |                      |                          |
| Common trust funds | \$ 4,950,868 | \$ 3,988,153 | Daily                | 1 - 2 days               |

The common trust funds include investments that are operated by a trust company that manages a pooled group of trust accounts. Common trust funds combine the assets of various institutional investors to create a larger, well-diversified portfolio. Each investor owns a participating interest that is calculated in units and represents a portion of the holdings of the fund.

The investments in common trust funds can generally be redeemed without restriction; however, in certain cases, redemption or purchase may be limited to prevent excess and/or short-term trading. There are no unfunded commitments related to the common trust funds.

#### 5. Income Tax Status

The Internal Revenue Service ("IRS") has determined and informed Con-way by a letter dated October 3, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Code. The Plan has been amended since receiving the determination letter. However, Con-way believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, Con-way believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. In 2009, the Plan applied for a new determination letter in accordance with the IRS requirements. During 2014, the IRS performed a field exam of the Plan and met with the Plan's management and its outside legal counsel to discuss the Plan's application process and status of the determination letter. Currently management is waiting to receive further instructions from the IRS.

#### 6. Related-Party Transactions

Certain Plan investments are mutual funds and common trust funds managed by T. Rowe Price, the Plan trustee, as defined. Therefore, these investments and investment transactions qualify as party-in-interest transactions. The Plan offers Con-way common stock as an investment option for participants. Con-way Inc. is the Plan sponsor as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.
