Report on the Financial Statements

We were engaged to audit the accompanying financial statements of **DELPHON INDUSTRIES, LLC PROFIT SHARING and 401(k) PLAN (the Plan)**, which comprise the statement of net assets available for plan benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified or provided by John Hancock Life Insurance Company (U.S.A.), the Custodian of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's assets and executes transactions. The Plan Administrator has obtained certifications from the Custodian as of December 31, 2014 and 2013, and for the year ended December 31, 2014, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2014 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified or provided by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Delphon Industries, LLC Profit Sharing and 401(k) Plan

Notes to Financial Statements

Note 1 - Description of the Plan:

The following description of the Delphon Industries, LLC Profit Sharing and 401(k) Plan, (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan, as amended and restated as of January 1, 2009, was established effective October 17, 1980 by Delphon Industries, LLC (the Company/Sponsor) to provide benefits to eligible employees, as defined in the Plan document. The Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

b. Eligibility

The Plan covers substantially all regular full-time or part-time employees not covered by a collective bargaining agreement who have attained the age of 18. Eligible employees must have also completed a three month service period to qualify for Company nonelective contributions. Eligible employees can enter the Plan on the first day of the calendar quarter.

c. Contributions

Participants may make salary deferral contributions of their eligible pre-tax compensation, not to exceed the amount allowable under current income tax regulations. Employees may also make rollover contributions from other qualified plans.

Annual employer matching and nonelective contributions are at the discretion of the Company's Board of Directors. In 2014, the Company elected to match 100% of the first $500 of a participant's salary deferral. There were no nonelective contributions during 2014.

d. Payment of Benefits

Each participant is fully vested in the event of his or her death, total disability, or normal retirement at 60 years of age. Distributions to terminated employees with vested balances in excess of $1,000 are generally distributed in the form of a single lump sum payment and are made only with the consent of the participant. Vested account balances of $1,000 or less are to be paid to terminated participants in a single lump sum. The Plan allows in-service distributions of fully vested accounts. The Plan provides for hardship distributions. None of the terminated participants at December 31, 2014 or 2013 have requested to withdraw from the Plan as of that date.

e. Participant Accounts

Each participant's account is credited with the participant's contributions, the participant's qualified rollover contributions, the Company's discretionary matching and nonelective contributions, Plan earnings, and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

f. Participant–directed Investment Options

To provide more flexibility and convenience to the Participants, the Company's Board of Directors selected John Hancock Life Insurance Company (U.S.A.) ("John Hancock USA") as the Custodian of the Plan assets. Under John Hancock USA, the participant directs the investment of his or her account balances to the investment under John Hancock Life Insurance Company (U.S.A.) group annuity contract, which has various investment objectives and risks. The contract offers pooled separate accounts which are segregated from other assets of John Hancock USA as required by law and represent sub accounts that invest in mutual funds managed by unaffiliated mutual fund companies. Participants may change their investment options any time throughout the year via the third party administrator's telephone system or internet website.

g. Vesting

Participants are immediately vested in their contributions, rollover and matching amounts plus actual earnings thereon. Vesting in the Company's nonelective contributions is 100% after two years of credited service.

h. Forfeitures

Participants' forfeited non vested employer profit sharing accounts will be applied to first reinstate previously forfeited accounts, and then to either pay plan fees and expenses, or reduce employer contributions. In 2014, $0 from the forfeiture account was used to reduce employer contributions. At December 31, 2014 and 2013, the forfeited nonvested account totaled $0 and $89, respectively.

i. Notes Receivable from Participants

The Plan allows participants to borrow not less than $1,000 and up to the lesser of $50,000 or 50% of their vested account balance and have only one loan outstanding at any time. Participants may increase the amount of any loan outstanding so long as it does not cause the loan balance to be greater than the lesser of $50,000 or 50% of their vested balance. The loans are secured by the participants' balances. Interest rates are prescribed by the Plan document charged at a reasonable rate. As of December 31, 2014, the interest rate is 4.25% and require repayment on a fully amortized basis within five to ten years.

j. Plan Trustees

The Company's Chief Executive Officer and the Chief Financial Officer serve as Trustees of the Plan.

Note 2 - Summary of Significant Accounting Policies:

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

b. Investment Valuation and Income Recognition

Investments of the Plan are held by the Custodian and invested based solely upon instructions received from the participants. The Plan's investment in pooled separate accounts is valued at the purchase or redemption price of the units of participation as determined by John Hancock USA and is based on the fair value of the underlying investments as measured by quoted market prices. Cash is valued at cost which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments in pooled separate accounts are recorded on a trade-date basis. Interest and dividends are recorded on the accrual basis. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The market volatility of equity-based investments could substantially impact the value of such investments at any given time.

It is likely that the value of the Plan's investments, both in total and in individual participant accounts, has fluctuated since December 31, 2014.

Management fees and operating expenses charged to the Plan for investments in the underlying investments are deducted from income earned and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation (depreciation) in fair value of investments.

c. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

d. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

e. Benefit Payments

Benefits to participants are recorded when paid.

f. Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Company.

g. Recent Accounting Pronouncements

In July 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960) Defined Contribution Pension Plans (Topic 962) Health and Welfare Benefit Plans (Topic 965) to reduce complexity in employee benefit plan accounting consistent with the FASB's simplification initiative. Part I: Fully Benefit Responsive Investment Contracts allows for fully benefit-responsive investment contracts to be measured, presented and disclosed only at contract value. Part II: Plan Investment Disclosures eliminates the requirement to disclose (1) individual investments that represent 5% or more of net assets available for benefits and (2) the net appreciation or depreciation for investments by general type. Part III: Measurement Date Practical Expedient provides a practical expedient permitting plans to measure investments and investment-related accounts as of a month-end date that is closest to the plan's fiscal year end. This ASU is effective for fiscal years beginning after December 15, 2015. The Plan Administrator does not expect the adoption of this ASU to have a significant impact on the Plan's financial statements.

In May 2015, the FASB issued ASU 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent). The amendments in this Update apply to reporting entities that elect to measure the fair value of an investment using the net asset value per share (or its equivalent) as a practical expedient. Under Topic 820, a reporting entity is permitted, as a practical expedient, to estimate the fair value of certain investments using those investments' NAV per share. Prior to ASU 2015-07, these investments were categorized in the fair value hierarchy based on whether the investment was redeemable with the investee at net asset value on measurement date, never redeemable with the investee at net asset value, or redeemable with the investee at net asset value at a future date. These criteria were different from the criteria used for all other investments. All other investments are categorized based on inputs to the fair value.

To alleviate inconsistencies in the categorization of investments within the hierarchy, ASU 2015-07 removes the requirement to categorize all investments for which fair value is measured using the net asset value per share practical expedient. The amendments also clarify that certain disclosure requirements are limited to investments for which the entity has elected to measure fair value using that practical expedient, and not all investments eligible to be measured at fair value using the practical expedient. The amendments in this update will generally be effective for fiscal periods beginning after December 15, 2016, for non public entities, however early application is permitted. The impact of adopting ASU 2015-07 has not yet been determined, and early application has not been adopted by the Plan Administrator for these financial statements.

h. Subsequent Events

The Plan Administrator evaluated subsequent events From December 31, 2014 through October 6, 2015, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

Note 3 - Information Certified or Provided by John Hancock Life Insurance Company (U.S.A.):

The following is a summary of the Plan's asset information as of December 31, 2014 and 2013, and for the year ended December 31, 2013, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from the information provided by John Hancock USA, the Custodian, and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the Custodian that information provided to the Plan Administrator by the Custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and supplemental schedules related to the following assets as of December 31:

	2014	2013
Investments, at fair value:		
Pooled separate accounts	$ 3,754,353	$ 3,395,594
Notes receivable from participants	155,782	132,631

The Custodian also certified to the completeness and accuracy of $145,714 of net appreciation in fair value of the Plan's assets and $6,320 of interest, related to the aforementioned assets for the year ended December 31, 2014.

Note 4 - Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quotes prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Pooled Separate Account: Valued at the net asset value ("NAV") of the fund as determined by John Hancock USA. NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. NAV of a pooled separate account is calculated based on a compilation of observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund. Accordingly, NAV is generally classified within level 2 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy the Plan's investments at fair value as of:

December 31, 2014	Level 1	Level 2	Level 3	Total
Pooled separate accounts:				
Income		$ 916,294		$ 916,294

The Plan uses the Net Asset Value (NAV) to determine the fair value of all the underlying investments which do not have readily determinable fair value. The following explanations and table provide further information on significant investments held by the Plan valued using NAV. Participants should refer to the Plan documentation and their respective investment prospectus' for a more detailed explanation of the Plan's investments.

(a) This category is comprised of the Income Funds, the objective of which is to provide a balance between a high level of current income and growth of capital with a greater emphasis given to income. The Portfolios seek to achieve this objective by investing a greater portion (>50%) of their assets in underlying funds investing in fixed income securities and money market funds, and a smaller portion (<50%) of their assets in underlying funds, which invest in equity securities.

(b) This category is comprised of the Growth Funds which seek to provide long-term growth of capital by investing in stocks of issuers domestically.

(c) This category is comprised of Lifecycle funds which seek to achieve total maximum return using asset allocation strategies designed for expected retirement dates; and total return funds which seek preservation and appreciation of capital.

(d) This category is comprised of the Growth Funds which seek long-term growth of capital and invest primarily in stock of issuers located internationally. The funds may also hold cash or money market instruments.

(e) This category is comprised of the Balanced Funds, the objective of which is to provide a balance between a high level of current income and growth of capital with a greater emphasis given to capital growth. The Portfolio seeks to achieve this objective by investing approximately 40% of its assets in underlying funds, which invest primarily in fixed income securities and approximately 60% of its assets in underlying funds, which invest primarily in equity securities.

Note 5 - Investments:

The following table presents the fair value of the participant directed, single investments representing more than 5% of the Plan's net assets as of December 31:

	2014	2013
Assets held by John Hancock USA:		
Pooled Separate Accounts:		
Davis New York Venture Fund	$ 231,007	$ 203,069
Europacific Growth Fund	298,310	299,999
Growth Fund of America	231,440	200,992
Lifestyle Balanced	731,200	713,286
Lifestyle Conservative	474,429	400,375
Lifestyle Moderate	315,246	274,746
Value Fund	228,568	*

* Investment does not represent 5% of more of the Plan's net assets.

During 2014, the Plan's investments in pooled separate accounts appreciated in value by $145,714 (including gains and losses on investments bought and sold, as well as held during the year).

Note 6 - Party-in-Interest:

All Plan investments in pooled separate accounts are managed by John Hancock USA. Such an arrangement, while considered a party-in-interest transaction under ERISA regulations, is permitted under the provisions of the Plan and is specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 7 - Tax Status:

The Plan has adopted a non-standardized prototype plan sponsored by Sungard Corbel LLC. Sungard Corbel LLC has received a favorable opinion letter from the Internal Revenue Service dated March 31, 2008 as to the form of the Plan being acceptable under Section 401 of the Internal Revenue Code. This opinion on the acceptability on the form of the Plan is not a ruling or determination as to whether the Plan qualified under Code section 401(a). The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations for years prior to 2011.

Note 8 - Risks and Uncertainties:

The Plan provides for various investment options in any combination of pooled separate accounts and other investments offered by the Plan. Investment vehicles are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the nature of risks associated with certain investment vehicles, it is at least reasonably possible that changes in the level of risk in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Note 9 - Plan Termination:

Although the Company has not expressed any intent to do so, the Company has the right to amend or terminate the Plan at any time. If the Plan is partially or wholly terminated, the Company cannot recover any part of the assets and all accounts of affected participants automatically become 100% vested. The Custodian will continue to hold the fully vested accounts which will become payable in installments or as determined by the Trustees.
