Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Resource Recovery Pension Plan, which comprise the statement of net assets in liquidation as of December 31, 2014 and the statement of net assets available for benefits as of December 31, 2013 (ongoing), and the related statement of changes in net assets in liquidation for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by T. Rowe Price Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of December 31, 2014 and 2013 and for the year ended December 31, 2014 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matters

As described in Note 1 to the financial statements, the Plan Sponsor elected on April 14, 2014 to terminate the Plan, effective December 31, 2014, subject to approval by the Internal Revenue Service. As a result, the Plan changed its basis of accounting for periods subsequent to December 31, 2013 from the going concern basis to the liquidation basis. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2014 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RESOURCE RECOVERY PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2014 and 2013

NOTE 1 - DESCRIPTION OF PLAN

The Resource Recovery Pension Plan (the "Plan") became effective as of January 1, 1993 and was amended effective December 31, 2001 to freeze the Plan to participation and employer contributions. Covanta Energy Services, Inc. ("Covanta Energy" or the "Company") is the Plan sponsor. The Plan is a defined contribution plan covering all employees of Ogden Resource Recovery Support Services, Inc. who had completed at least 1,000 hours of service prior to December 31, 2001. The Administrative and Investment Committees of the Board of Directors of the Company ("Plan Administrator") control and manage the operation and administration of the Plan. T. Rowe Price Trust Company (the "Trustee") is the Trustee for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective May 27, 2014, the Plan was amended to change the Plan sponsor from Covanta Energy Services, Inc. to Covanta Projects, Inc. (n/k/a Covanta Projects, LLC), a state of Delaware Corporation.

In May 2014, the Plan was amended, effective June 26, 2013, to be administered in accordance with the U.S. Supreme Court's ruling in *United States v. Windsor*, which declared that Section 3 of the 1996 Defense of Marriage Act ("DOMA") was unconstitutional. This affected several components of the Plan with regard to spousal rights, including, but not limited to, spousal rollover rights, designation of a spouse (including same sex spouse) as primary beneficiary, and the ability of a same-sex spouse to file a qualified domestic relations order in the event of a termination of marriage.

On November 18, 2014, the Plan was amended at the request of the Internal Revenue Service ("IRS") to change the normal retirement age to a participant's 62nd birthday.

Effective December 31, 2014, the Plan was terminated and amended to define the final distribution date of Plan assets. See Plan Termination below for further information.

Employer Contributions

Contributions made to the Plan for the benefit of participants or their beneficiaries are invested at the election of the participant.

Payment of Benefits

Upon retirement, death, or disability, the participant is entitled to receive benefits equal to the value of the vested portion of the participant's account by the distribution method elected by the participant. Benefits under the Plan are payable in various forms of annuities, as well as a lump-sum payment option.

If the value of a participant's vested account balance is \$1,000 or less at the time of termination of employment, the benefit will be paid as a lump-sum payment. If the value of a participant's vested account balance is greater than \$1,000, but less than \$5,000, and if the participant does not elect to have the distribution paid to him directly or to an eligible retirement plan in a direct rollover, then the Plan will distribute the participant's account in a direct rollover to an IRA designated by the Plan Administrator. If the value of the participant's vested account balance is greater than \$5,000, a distribution shall be made at the election of the participant.

Upon termination for reasons other than normal retirement, death, or disability, the participant is entitled to receive a benefit equal to the value of the participant's vested interest in the contributions made to the participant's account by the distribution method elected by the participant. Any excess of the amount credited to the participant's employer contribution account over the participant's vested interest is forfeited.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Eligible employees who were participants on January 31, 1993 were 100% vested in their accounts. Eligible employees who became participants in the Plan after January 31, 1993 and prior to the December 31, 2001 freeze date, vested based on years of service and became fully vested after five years of service.

Administrative Expenses

Administrative expenses of the Plan are paid by either the Plan or the Plan's sponsor as provided in the Plan document.

Participant Accounts

Each participant's account is credited with Plan earnings and is charged with his or her withdrawals and an allocation of expenses and losses which are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Termination

On June 5, 2014, the Company informed participants of the Plan that the Plan will be terminated, subject to approval by the IRS, which was granted on November 13, 2014, with the intention of fully distributing plan assets as promptly as practicable following such approval. The Company approved the 2014 Termination Amendment to the Plan, terminating the Plan, effective December 31, 2014. The Company plans to offer three options for the payment of Plan benefits to participants who are not already receiving monthly benefit distributions, if the value of the participant's benefit exceeds \$5,000. At the election of the participant, the Company will distribute a lump sum payment that the participant can roll over to an Individual Retirement Account or another qualified plan, distribute a lump sum payment paid directly to the participant, or provide an annuity that the Company will purchase for the participant from an annuity provider selected by the Company. The benefit and payment options that a participant receives from the annuity provider will be the same benefit and options that were available under the Plan. If the value of the participant's benefit is \$5,000 or less, the participant will automatically receive a lump sum payment. As of the date this report is available to be issued, Plan management is still in negotiations with providers to distribute the benefits; however, expects that the Plan will be fully liquidated by December 31, 2015. Administrative expenses and investment income (loss) incurred by the Plan from January 1, 2015 through the anticipated date of liquidation were not determined to be material, and therefore, have not been accrued as of December 31, 2014.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Adoption of New Accounting Standards

In May and July 2015 the FASB amended various disclosure requirements applicable to investments held by defined contribution pension plans. The new guidance clarifies that a plan's investments in stable value funds are not fully benefit responsive investment contracts (FBRICs) and should be measured and presented only at fair value. The new guidance also eliminates or simplifies various disclosure requirements applicable to plan investments. The new guidance results in removal of investments for which fair value is measured at net asset value (or its equivalent) from the fair value hierarchy, the reporting of investments within the fair value hierarchy by general type rather than by classes of investments, and other changes in investment disclosure requirements. The Plan elected to early adopt these standards, each of which requires retrospective application to all periods presented. The adoption of these standards had no effect on the Plan's net assets available for benefits or changes therein. However, investments at fair value was reduced by \$4,350 from the amount previously reported as of December 31, 2013 and the adjustment from fair value to contract value for fully benefit-responsive investment contracts of \$(4,350) as of December 31, 2013 was eliminated.

Basis of Accounting

The Company approved the 2014 Termination Amendment to the Plan, terminating the Plan, effective December 31, 2014. In accordance with accounting principles generally accepted in the United States, the basis of accounting for the Plan was changed from the going concern basis of accounting for an ongoing plan to the liquidation basis of accounting for the year ended December 31, 2014.

Investment Valuation

As of December 31, 2013, the Plan's investments are reported at fair value. As of December 31, 2014, under the liquidation basis of accounting, the Plan's investments are reported at estimated liquidation value. For all Plan investments, the fair values have been determined to approximate estimated liquidation values.

Benefits

Benefits are recorded when paid.

Income Recognition

Unrealized gains and losses are determined based on the fair value of assets at the beginning and end of the Plan year. Realized gains and losses are determined based on the carrying value and sales price of the assets at the trade date. Purchases and sales of securities are recorded on a trade date basis. Dividend income is accounted for on the ex-dividend date.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
December 31, 2014 and 2013

NOTE 3 - INDIRECT INTERESTS IN FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan's investment in a collective trust consists of the T. Rowe Price Stable Value Fund (the "Fund"), which invests primarily in Guaranteed Investment Contracts, Bank Investment Contracts, and Structured Investment Contracts. These are investment contracts in which the Fund owns the underlying assets and purchases fully benefit-responsive wrapper contracts from independent third parties that provide market value and cash flow risk protection. The Fund is designed to deliver safety and stability by preserving principal and accumulating earnings. There are currently no redemption restrictions for investments in the Fund. The fair values of participation units in the Fund are based upon the net asset values of such fund, as reported in the audited financial statements of the Fund.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is the exit price associated with the sale of an asset or transfer of a liability in an orderly transaction between market participants at the measurement date. The following sets forth the types of assets measured at fair value and a brief description of the evaluation technique for each asset type:

Position Description	Types of Investments	Valuation Technique
Mutual Funds	Funds that invest in a diversified portfolio consisting of stocks, bonds, short-term money market instruments and/or other securities.	Priced at fund Net Asset Value (NAV) per share. Each fund's NAV is based on quoted current market prices (Level 1 inputs).
Stable Value collective Trust Fund	The Fund invests in Guaranteed Investment Contracts, Bank Investment Contracts, and Structured Investment Contracts.	The fair value of the Fund is described in Note 3.

Assets recorded at fair value are categorized using defined hierarchical levels directly related to the amount of subjectivity associated with the inputs to valuation of an asset. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows: Level 1 (unadjusted quoted prices in active markets); Level 2 (observable inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2014 and 2013:

	Fair Value Measurements as of December 31,			
	2014		2013	
	Quoted Market Prices in Active Markets for Identical Assets		Quoted Market Prices in Active Markets for Identical Assets	
	Total	(Level 1)	Total	(Level 1)
Mutual Funds	8,438,034	8,438,034	8,353,012	8,353,012
Collective Trust Fund	292,357	-	306,937	-
Total Investments, at fair value	<u>\$ 8,730,391</u>	<u>\$ 8,438,034</u>	<u>\$ 8,659,949</u>	<u>\$ 8,353,012</u>

NOTE 5 - INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, net realized and unrealized appreciation in fair value of investments, other income, and dividend income for the year ended December 31, 2014, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee. This certified information has not been audited by independent accountants.

NOTE 6 - TAX STATUS

The Plan received a determination letter from the IRS dated November 13, 2014 stating that the Plan's termination does not adversely affect its qualified status under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. The Plan is required to operate in conformity with the Code to maintain its qualification.

Accounting principles generally accepted in the United States require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014 and 2013, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities, and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - RECONCILIATION TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2014 and 2013:

	December 31	
	2014	2013
Net assets available for benefits per the financial statements	\$ 8,730,391	\$ 8,659,949
Deficiency of contract value over estimate fair value of investment in stable value fund	4,301	4,350
Net assets available for benefits per the Form 5500	<u>\$ 8,734,692</u>	<u>\$ 8,664,299</u>

The following is a reconciliation of the change in net assets available for benefits for the year ended December 31, 2014, per the financial statements to the net income reported in the 2014 Form 5500:

Increase in net assets available for benefits per the financial statements	\$ 70,442
Change in excess of contract value over estimated fair value of investment in stable value fund	(49)
Net income per the Form 5500	<u>\$ 70,393</u>

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some party-in-interest transactions are exempt from the prohibited transaction rules under ERISA, including: (i) expenses paid for by the Plan, (ii) the Plan's investments in mutual funds, and (iii) the collective trust managed by the Trustee.

NOTE 10 - SUBSEQUENT EVENTS

The Company has evaluated all significant activities through September 25, 2015, the date these financial statements were available to be issued, and concluded that no additional subsequent events occurred that would require recognition in the financial statements or disclosure in the notes to financial statements.
