Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by John Hancock, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2014, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A – DESCRIPTION OF THE PLAN

The Fuquay Inc. 401(k) Plan (the "Plan") was established by Fuquay, Inc. (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who are eligible to enter the Plan the first day of each month. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute pretax or after tax basis, subject to statutory limits, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company has discretionary contributions at the option of Company management. These contributions, if made, are allocated to participants employed on the last day of the plan year, generally on a pro-rata basis to all participants in the proportion that a participant's compensation bears to all participants' compensation. The Plan defines compensation as all income subject to income tax and paid by the Company during the plan year within IRS established limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution (if any), Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expenses

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000. The loans are secured by the balance in the participant's account and bear interest of the prime rate plus 2%.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE A – DESCRIPTION OF THE PLAN – continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of service defined as the actual computation period during which an employee has completed at least one year of service. Vesting is determined as follows for the year ended December 31, 2014:

Years of Service	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant will be considered fully vested upon attaining normal retirement age of 65, or if active employment ceases due to death or disability.

Forfeitures

Forfeitures of non-vested Company contributions are used to pay the Plan's administrative expenses. For the year ended December 31, 2014, $117 of forfeited participant accounts were used to pay the Plan's administrative expenses. At December 31, 2014, all forfeitures were applied to the Plan's administrative expenses.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The investments are presented at fair value based on quoted market prices of the underlying securities within each fund at December 31, 2014. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent notes receivable accounts are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE C – INVESTMENTS

The following presents investments at December 31, 2014 that represent 5% or more of the Plan's net assets.

John Hancock 2010 Managed Portfolio	$ 129,442
John Hancock 2030 Managed Portfolio	337,217
John Hancock 2035 Managed Portfolio	103,322
	$ 569,981

During 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) had net appreciation of $27,682.

NOTE D – FAIR VALUE MEASUREMENTS

The framework established under generally accepted accounting principles in the United States of America provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE D – FAIR VALUE MEASUREMENTS - continued

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2014.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at year end.
Pooled funds: Valued at the observable net asset value (NAV) of the underlying investments as reported by the investment company.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014:

	Investments at Fair Value as of December 31, 2014			
	Level 1	Level 2	Level 3	Total
Mutual funds:				
Index	$ 4,388	-	-	$ 4,388
Growth	2,450	-	-	2,450
Total mutual funds	6,838	-	-	6,838
Pooled funds:				
Stable value	$ -	25,324	-	$ 25,324
Growth	-	620,400	-	620,400
Total pooled funds	-	645,724	-	645,724
Total investments at fair value	$ 6,838	$ 645,724	$ -	$ 652,562

NOTE E –RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by John Hancock. John Hancock is the custodian/record keeper as defined by the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $2,316 for the year ended December 31, 2014.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The third party administrator of the Plan, Nova 401(k) Associates, prepares the Form 5500 using the accrual method of accounting. Therefore, the financial statements agree to the Form 5500.

NOTE H – TAX STATUS

The Internal Revenue Service has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) based on the volume submitter CODA determination letter dated March 31, 2014. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I – SUBSEQUENT EVENTS

For the year ended December 31, 2014, the Plan has evaluated subsequent events for potential recognition and disclosures through October 9, 2015, the date the financial statements were available to be issued.
