INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
The Palms Hotel and Spa, Inc. 401(k) Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Palms Hotel and Spa, Inc. 401(k) Retirement Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2014 and the related statement of changes in net assets available for benefits for the year ended 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 and 4, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of December 31, 2014, and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule on page 14, which is the responsibility of plan management, is presented for the purposes of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

The financial statements of The Palms Hotel and Spa, Inc. 401(k) Retirement Plan as of and for the year ended December 31, 2013, were audited by other auditors whose report dated September 30, 2014, expressed a disclaimer opinion on those statements.

As part of our audit of the 2014 financial statements, we also audited adjustments described in Note 1 that were applied to restate the 2013 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review or apply any procedures to the 2013 financial statements of the Plan other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2013 financial statements as a whole.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE PALMS HOTEL AND SPA, INC.
401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE I – DESCRIPTION OF PLAN

1) General – The following description of The Palms Hotel and Spa, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

   The Plan is a defined contribution 401(k) plan established by The Palms Hotel and Spa, Inc. ("the Company") on May 1, 1998, and is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Company administers the plan and is the plan sponsor. Automatic Data Processing, Inc. (ADP) performs record-keeper services for the plan and Reliance Trust Company is the trustee of plan assets. The plan permits all eligible employees to enroll and participate.

2) Eligibility – Eligible participants are employees of the Company who are age 21 years or older and have completed 1 year of service. Employees meeting these eligibility criteria may enter the Plan on the first day of the plan year.

3) Contributions – Participants may elect to defer to the Plan funds from 1% to 75% of gross compensation. These contributions are additionally subject to the annual IRS limit. IRS limits for 2014 are $17,500 for participants 50 years old or less, and $23,000 for participants over 50 years old (which includes the permitted "catch-up contribution"). Participant contributions during 2014 totaled $303,174.

   The Company makes matching contributions on a dollar for dollar basis, up to 2% of the participant's gross compensation in each pay period. Employer Contributions made in 2014 totaled $102,594.

   Internal Revenue Code Section 415(c)(1)(A) limits the 2014 sum of employee and employer contributions for each participant, to the lesser of 100% of annual compensation or $52,000 or $57,500 for those qualified for "catch-up contributions".

NOTE I – DESCRIPTION OF PLAN (CONTINUED)

Participants may roll funds into the plan from another qualified plan.

4) Distributions – Distributions of account balances are eligible to be made within a reasonable time after the occurrence of one of the following events:

- Termination of employment;
- Death, disability, hardship;
- At age 62, the normal retirement age, a participant may withdraw all retirement benefits without early withdrawal penalty.
- At age 70½ years a participant is required to receive minimum distribution from the employer's plan no later than April 1, of that plan year, unless the participant is a 5% owner or more of the employer; or
- Termination of the Plan.

The plan as at December 31, 2014 did not owe distributions to any active or terminated participant or other third party. Net Assets Available for Benefits as at December 31, 2013 was adjusted and restated to reflect this.

Benefits paid to participants in 2014 totaled $174,925.

5) Participant Loans – The Plan allows participants to borrow not less than up to the lesser of $50,000 or 50% of their vested account balance. Loans receivable are secured by the participant's vested balance. Outstanding loans receivable at December 31, 2014 carry interest rates from 4.25% to 5.25%, which commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through biweekly payroll deductions and must be repaid to the Plan within a five-year period, unless the loans receivable are used for the purchase of a principal residence in which case the maximum repayment period may be longer, but not longer than 10 years. Loan transactions are treated as transfer from the investment fund to the participant loan fund.

NOTE I – DESCRIPTION OF PLAN (CONTINUED)

6) Participant accounts – Investment allocations are participant-directed. The Plan allows participants to select from a variety of mutual funds. Each participant's account is credited with the participant's contributions; the Company's matching contribution, other discretionary contributions, and Plan earnings. Account balances are invested according to the participant's investment election.

7) Vesting – Participants are immediately 100% vested in their contributions and Company non-elective contributions.

8) Administrative fees – Participants assume expenses associated with the administration of the Plan, including investment, management fees, and loan fees. Charges are deducted directly from the participant's account. For the year ended December 31, 2014 administration expenses totaled $3,271.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with the United States generally accepted accounting principles.

Use of Estimates

The preparation of financial statements is in conformity with the accrual basis of accounting, generally accepted in the United States of America, which requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued, unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits, Cost and Expenses

Benefits are recorded when paid. Cost and expenses for administering the plan are deducted from plan assets when owed.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held at year end. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 3 – FAIR VALUE MEASUREMENTS

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

a) Quoted prices for similar assets or liabilities in active markets;
b) Quoted prices for identical or similar assets or liabilities in inactive markets;
c) Inputs other than quoted prices that are observable for the asset or liability;
d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Registered investment companies are valued at the net asset value ("NAV") of shares held by the Plan at year end.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013:

	Assets at fair value as of December 31, 2014			
	Level 1	Level 2	Level 3	Total

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified to the Plan administrator that the data included in the accompanying financial statements and supplemental schedule is complete and accurate.

Add: Prior year employer contributions received in 2014		1,780
Net income per Schedule H, Form 5500	$	305,939

NOTE 6 – TAX STATUS

The Plan received its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the determination letter. However, the plan administrator and the trustee believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014 and 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments could be shares of money market funds, or mutual funds managed by the Plan's trustee. The Plan's trustee is Reliance Trust Company. The Plan does not investment in any funds managed by its trustee, therefore there are no party-in-interest transactions. Nevertheless, such transactions, while considered party-in-interest transactions under ERISA regulations, would be permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2015 the date the financial statements were available to be issued. There are no additional significant subsequent events as of that date.
