Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Lincoln Financial Group, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2014, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2014 financial statements. Accordingly, we do not express an opinion on the 2014 financial statements referred to in the first paragraph.

Other Matter—Supplemental Schedule

The supplemental schedule of Schedule H, Line 4: - Schedule of Assets (Held at End of Year), is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter—2013 Financial Statements

The financial statements of the Plan as of December 31, 2013, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Lincoln Financial Group, the trustee of the Plan. Their report, dated August 24, 2014, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2014

401(k) Profit Sharing Plan and Trust
Notes to the Financial Statements
December 31, 2014 and 2013

1. Description of Plan

The following description of Jacksonville Sound & Communications, Inc. 401(k) Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the Plan for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution 401(k) Plan covering substantially all employees of the Company who have six months of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Each participant enters into a salary reduction agreement with the employer. The employee may elect to save a portion of defined compensation by an amount up to 85%. Additionally, eligible participants may make catch-up contributions. The Company may make a discretionary contribution each year. Participants direct the investments of their contributions into various investment options offered by the Plan. Contributions may be subject to certain limitations.

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings (losses) and charged with an allocation of applicable administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can provided from the participant’s vested account

D. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. The vesting schedule is 20% at 2 years, 40% at 3 years, 60% at 4 years, 80% at 5 years, and 100% at 6 or more years of service.

E. Forfeited Accounts

Forfeited non-vested accounts will be used to reduce future employer contributions. For the year ended December 31, 2014 and 2013, forfeited nonvested accounts totaled $3,460 and $0, respectively.

F. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to either receive a lump sum, annual payment or partial payments, if the vested account balance is greater than $1,000. For accounts less than $1,000, a lump sum payment shall be made.

G. Participant Loans

Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 10.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan's management.

2. Summary of Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Guaranteed Interest Account is a benefit-responsive investment. However, its value is derived from the contract provisions as the contract is not a fund and therefore, has no assets on the market from which the value is determined. As a result, the fair value amount shown is equal to the contract value and no adjustment is required to be presented in the financial statements.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

C. Funding Policy

Participant and Company contributions are remitted by the Company weekly in conjunction with payroll.

D. Notes Receivable

Principal and interest on participant loans are paid ratably through weekly payroll deductions. Participant loans are reported at unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

E. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

F. Payment of Benefits

Benefits are recorded when paid.

G. Operating Expenses

The employer pays a portion of the administrative expenses of the Plan.

3. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are classified as follows:

Level 1 - Quoted market prices in active markets for identical assets.

Level 2 - Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

A. Pooled Separate Accounts

Valued at the unit value of the Plan's participation units as determined by the Net Asset Value (NAV) of the underlying shares less any contract charges and divided by the Plan's number of outstanding participation units.

B. Guaranteed Interest Account

Guaranteed Interest accounts are Valued at book value, which represents deposits made to the contract, plus earnings at guaranteed crediting rates, withdrawals and fees. (See Note 5)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013.

	Assets at Fair Value as of December 31, 2014

4. Investments

The following presents investments that represent 5% or more of the Plan's net assets:

	2014	2013
Stadion Managed Growth Fund	$ 506,203	$ 508,472
Stadion Managed Moderate Fund	726,198	675,408
Stadion Managed Conservative Fund	265,502	286,936
	$ 1,497,903	$ 1,470,816

During the years ending December 31, 2014 and 2013, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $12,356 and $231,689, respectively.

5. Guaranteed Interest Contract

The Plan entered into a benefit-responsive guaranteed interest contract with Lincoln National Life Insurance Company. Lincoln National Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed interest contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the guaranteed interest contract. The guaranteed interest contract is presented on the face of the statement of net assets available for benefits at fair value which approximates contract value. Contract value, as reported to the Plan by Lincoln National life Insurance Company, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the guaranteed interest contract at December 31, 2014 and 2013 was $319,307 and $308,398, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.00%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability to the Plan to transact at contract value with the issuer. Such events include in the following: (1) amendments to the Plan documents (including complete and partial termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan's management does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

	2014	2013
Average Yields:		
Based on actual earnings	1.49%	1.46%
Based on interest rate credited to participants	1.49%	1.46%

6. Benefits Paid to Participants

Benefits paid to participants includes $95,748 of participant distributions and $6,253 of delinquent participant loans that were reclassified from Notes Receivable to distributions

7. Related Party Transactions

Certain Plan investments are managed by Lincoln National life Insurance Company. Lincoln National life Insurance is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Additionally, the Plan sponsor Jacksonville Sound & Communications, Inc., is a party-in-interest to the Plan; however, there were no transactions with the Plan sponsor other than the funding of contributions to the Plan.

8. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

9. Tax Status

The IRS has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan's management believes the Plan has been designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America required the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax in progress. The Plan's management believes it is no longer subject to tax examinations for years prior to 2010.

10. Certification

Lincoln National Life Insurance Company's certification applies to all assets. The investment income reported in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2014 and 2013 was certified by Lincoln National Life Insurance Company.

11. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

12. Subsequent Events

The Plan has evaluated subsequent events through October 14, 2015, the date the financial statements were available to be issued.
