INDEPENDENT AUDITOR'S REPORT

To the Pension Committee and Management of
Seal Master Corporation
Profit Sharing Plan and Trust:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Seal Master Corporation Profit Sharing Plan and Trust (the "Plan"), which comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2014 and 2013, and the related statements of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2014 and the six month period ended December 31, 2013, and the related notes to the financial statements – modified cash basis.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company (U.S.A.) and Merrill Lynch, Inc., the custodians of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that John Hancock Life Insurance Company (U.S.A.) held a portion of the Plan's investment assets and executed investment transactions from April 1, 2014 to December 31, 2014, and that Merrill Lynch, Inc. held a portion of the Plan's investment assets and executed investment transactions for the period July 1, 2013 to December 31, 2014. The plan administrator has obtained certifications from the custodians as of and for the year ended December 31, 2014 and as of and for the six month period ended December 31, 2013, that the information provided to the plan administrator is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2014 – modified cash basis is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to, and we do not, express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS

for the year ended December 31, 2014 and the six month period ended December 31, 2013

1. Plan Description:

The following description of Seal Master Corporation Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan, established July 1, 1979, covering substantially all employees of Seal Master Corporation and Elbex Corporation (the "Companies") who have attained age 21 and completed 1,000 hours of service during a twelve-month consecutive period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Annual discretionary profit sharing contributions are made to the Plan by the Companies in amounts determined by its Board of Directors for all employees of the Companies who are employed on the last day of the plan year. Effective April 1, 2014, participant elective contributions are permitted. Eligible employees may elect to make pre-tax deferred compensation contributions to the Plan as permitted under Section 401(k) of the Internal Revenue Code. A participant may elect to contribute a minimum of 1% up to 100% of their compensation, not to exceed limits imposed by IRS Code Section 402(g). The Companies also make annual safe harbor contributions of 3% of eligible compensation on behalf of each employee who is eligible to make elective contributions and a qualified nonelective contribution of 2% of eligible compensation on behalf of each employee who is eligible to make elective contributions.

Participant Accounts – Participant account balances are maintained to reflect each participant's interest in the Plan's funds. Participant account balances are increased by the Companies' contributions, investment income, forfeitures of non-vested benefits, and the net appreciation in the fair value of investments. Account balances are decreased by participant distributions and any net depreciation in the fair value of investments.

Total additions to a participant's account, including employer contributions and forfeitures, are not to exceed limits imposed by IRS Code Section 415(d). The allocation of the Companies' discretionary contributions is based upon each participant's annual compensation.

Vesting – Vesting of employer discretionary contributions plus related earnings is based on years of service as identified by the Plan. Participants become 100 percent vested after six years of service or upon death, permanent and total disability, or attaining the retirement age of 65.

Minimum vesting under the Plan occurs in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Amount</u>
2	20%
3	40%
4	60%
5	80%
6	100%

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS, Continued
for the year ended December 31, 2014 and the six month period ended December 31, 2013

1. Plan Description, Continued:

Payment of Benefits – Upon termination of service due to death, disability, or retirement, participants with a vested interest in their accounts of \$5,000 or more may elect to receive a lump sum distribution, a distribution in the form of an annuity, or roll over the amount into another qualified plan. Participants with a vested interest in their accounts of less than \$5,000 but more than \$1,000 may elect to receive a lump sum distribution or roll over the amount into another qualified plan. Participants with a vested interest in their accounts of less than \$1,000 may receive lump sum distributions.

Forfeited Accounts – Forfeitures result from non-vested contributions remaining in the Plan for all terminated employees. Upon reaching the break-in-service requirement, as defined in the plan agreement, during 2013 forfeitures were reallocated to participant accounts. Forfeitures reallocated totaled \$2,645 for the six month period ended December 31, 2013 and there were no forfeitures available for use at December 31, 2013. Effective April 1, 2014, forfeitures are used to reduce Company contributions or pay reasonable plan expenses. Forfeitures available for use totaled \$3,836 at December 31, 2014. There were no forfeitures used to reduce Company contributions or pay reasonable plan expenses during 2014.

Plan Termination – Although they have not expressed any intent to do so, the Companies have the right to discontinue their contributions at any time and to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts and the custodian shall distribute participants' account balances in accordance with the Plan.

2. Summary of Significant Accounting Policies:

Method of Accounting – The Plan's policy is to prepare its financial statements on the modified cash basis. Specifically, benefits are recorded when paid rather than when incurred; however, discretionary contributions are not recorded when received but when declared by the Companies and interest on bonds is not recorded when received but when earned.

Investment Valuation – The Plan's investments are recorded at fair value, as determined by quoted market prices. The change in the difference between fair value and the cost of the investment is reflected in the statements of changes in net assets available for benefits – modified cash basis as net appreciation (depreciation) in fair value of investments.

Participant Loans – Participant loans are not permitted.

Administrative Expenses – Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

for the year ended December 31, 2014 and the six month period ended December 31, 2013

2. Summary of Significant Accounting Policies, Continued:

Use of Estimates – The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. While actual results could differ from those estimates, the plan administrator does not expect those differences to be significant to the financial statements.

Risks and Uncertainties – The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis and the statements of changes in net assets available for benefits – modified cash basis.

Subsequent Events – Management of the plan sponsor has evaluated subsequent events through October 14, 2015, the date which the financial statements were available to be issued.

3. Custodian Certification:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodians, John Hancock Life Insurance Company (U.S.A.) and Merrill Lynch, Inc. for 2014 and Merrill Lynch, Inc. for 2013, as of and for the year or period ended December 31:

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS, Continued
for the year ended December 31, 2014 and the six month period ended December 31, 2013

6. Party-In-Interest Transactions:

Certain Plan investments are units of pooled separate accounts managed by the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Investment management services and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Companies. These transactions qualify as party-in-interest transactions. Fees paid by the Plan totaled \$12,863 in 2014 and \$16,958 for the six months ended December 31, 2013. The Companies provide to the Plan certain accounting and administrative services for which no fees are charged. These transactions also qualify as party-in-interest transactions.

7. Tax Status:

The Plan obtained its latest determination letter on March 16, 2010, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan sponsor and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and has no income subject to unrelated business tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan recognizes and measures uncertainties in income taxes in the financial statement when tax positions taken in tax returns have a greater than 50% chance of not being allowed under examination. No such positions have been recorded in the December 31, 2014 and 2013 financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. As of December 31, 2014, the Plan's federal informational returns are subject to examination by the Internal Revenue Service for tax years 2011 and thereafter.

8. Fair Value Measurements:

The Plan measures its assets in accordance with the Financial Accounting Standards Board (FASB) framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

THE SEAL MASTER CORPORATION
PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS, Continued
for the year ended December 31, 2014 and the six month period ended December 31, 2013

8. Fair Value Measurements, Continued:

Level 2 – Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Pooled separate accounts, mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Corporate common stocks, corporate debt instruments, and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
