NOTES TO FINANCIAL STATEMENTS

LIFEPOINT MARQUETTE 401(k) PLAN

December 31, 2014

NOTE A--PLAN DESCRIPTION

The following description of the LifePoint Marquette 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

LifePoint Health, Inc. (LifePoint), formerly known as LifePoint Hospitals, Inc., established the Plan to provide retirement benefits to employees of LifePoint or its affiliates (DLP Partner Marquette, LLC, and DLP Marquette Physician Practices, Inc.) who provide services primarily for UP Health System - Marquette (collectively referred to as Employer).

The Plan covers substantially all employees who are age 21 and older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Administration Committee of LifePoint oversees governance of the Plan.

Contributions

Each year participants may elect to contribute up to 100 percent of their annual compensation on either a pre-tax (traditional) or after-tax (Roth) basis, up to the Internal Revenue Service maximum allowable amount ($17,500 in 2014 and 2013). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions ($5,500 in 2014 and 2013). Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at four percent on a pre-tax basis deposited into funds designed as the default investment option under the Plan, unless the participant makes an alternative investment election. This automatic contribution will increase by one percent during the next three consecutive Plan years, to a maximum of seven percent, unless a different election is made.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options and transfer between funds as desired.

NOTE A--PLAN DESCRIPTION--Continued

The Employer may make matching, non-elective, and profit sharing contributions to the Plan.

Certain participants of the Plan are entitled to receive a matching Employer contribution. The requirements for participants to receive matching contributions include:

1) Complete one year of service

2) Attain age 21

3) Employed by LifePoint, DLP Partner Marquette, LLC, or DLP Marquette Physician Practices, Inc., on such January 1 or July 1

4) Are ineligible to earn benefit service and compensation credit under the LifePoint Marquette Pension Plan for any reason on or after such January 1 or July 1

The Employer intends to make a discretionary matching contribution of 100 percent of the first four percent of the participant's salary deferral contributions. Overall contributions by the Employer to the Plan cannot exceed Internal Revenue Service deduction limits.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. Vesting in the Employer's contribution portion of participant accounts is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or one-half of the participant's vested account balance. Loan terms may be up to five years, or for a longer period of time if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the loan is written. Principal and interest will be repaid at the same intervals as the participant's regular payroll checks by means of a payroll deduction.

NOTE A--PLAN DESCRIPTION--Continued

Benefit Payments

Participants are entitled to receive Plan benefits when participants retire, become disabled, die, or otherwise terminate employment. Upon retirement, death, or disability, payment of participant benefits begin as soon as administratively feasible, unless directed otherwise. If the participant's vested account balance is greater than $1,000, the participant may request payment at any time after termination. Otherwise, the participant's vested account balance will be held until death, disability, or upon reaching age 65.

When the participant is eligible for a distribution from the Plan, the participant may elect to receive payment in the following methods:

1) Lump sum paid to the participant or participant's beneficiary (as appropriate)

2) A direct rollover to an IRA or another qualified retirement plan

NOTE B--SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2014 and 2013, no allowance for credit losses has been recorded.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Benefit Payments

Benefits are recorded when paid.

NOTE B--SUMMARY OF ACCOUNTING POLICIES--Continued

Administration

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan for these services. The Employer pays for various expenses incurred in administering the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

Subsequent events were evaluated through October 1, 2015, which is the date the financial statements were available to be issued.

NOTE C--INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE E--FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Level 1--Fair Value Measurements:

Mutual Funds: The fair value of investments in mutual funds is determined using the Net Asset Value (NAV). The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

Level 2--Fair Value Measurements:

Common/Collective Funds: The fair value of the common/collective funds is determined by each fund's trustee based on the fair value of the underlying securities within the fund, which represent the NAV of shares held by the Plan at year end as disclosed in the common/collective funds annual report.

NOTE E--FAIR VALUE MEASUREMENTS--Continued

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2014 and 2013:

		Fair Value Measurements at Reporting Date Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2014:				
Mutual funds	$ 37,342,294	$ 37,342,294	$ -	$ -
Common/collective funds	696,180	-	696,180	
TOTAL	$ 38,038,474	$ 37,342,294	$ 696,180	$ -
December 31, 2013:				
Mutual funds	$ 26,247,358	$ 26,247,358	$ -	$ -
Common/collective funds	701,704	-	701,704	-
TOTAL	$ 26,949,062	$ 26,247,358	$ 701,704	$ -

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, LifePoint has the right under the Plan to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer contributions.

NOTE G--INCOME TAX STATUS

The Plan has not yet obtained an opinion letter from the Internal Revenue Service regarding the Plan's tax status. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate the tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2012.
