NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Acclaris, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees except union employees and nonresident aliens of Acclaris, Inc., (collectively referred to as the Employer) who have completed three months of service and attainment of age 21 during a Plan year. The Plan was originally effective on January 1, 2009. Participants of the Plan self-direct investments by selecting investment options provided by The Nationwide Financial Services, Inc., including its subsidiary Nationwide Trust Company, FSB, a division of Nationwide Bank (collectively referred as Nationwide), the custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Acclaris, Inc., serves as Plan Sponsor.

Contributions

Participants may contribute a specified percentage or dollar amount of their pre-tax annual compensation, as defined in the Plan. Participants are automatically enrolled at 6% of compensation unless they elect otherwise. The participants may also contribute amounts representing distributions from other qualified plans. The amount of the employee contributions may not exceed the limitation set forth in Internal Revenue Code Section 402(g)(1). The Plan also provides for the Employer to make a safe harbor contribution which is equal to 100% of employee deferrals that do not exceed 1% of compensation, plus 50% of employee's salary deferrals that exceed 1% of but are less than 6% of employee's compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contribution and Plan earnings and is charged with participant's withdrawals, Plan losses, and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant accounts are maintained by the custodian.

Vesting

Participants are immediately vested in their salary reduction, rollover contributions, and actual earnings thereon. A participant is 100% vested in qualified employer matching contributions after two years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and Employer contributions into various investment options which include mutual funds. Participants may change their investment options periodically as permitted by the Plan Sponsor.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts

Forfeitures are applied to reduce Employer contributions. During the years ended December 31, 2014 and 2013, forfeited non-vested accounts totaled approximately $15,000 and $7,800, respectively, all of which were used to reduce current year Employer contributions.

Payment of Benefits

Upon termination of service, retirement, death, or disability, a participant may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. The Plan allows for hardship distributions subject to Plan provisions. Participants with vested balances of $1,000 or less may receive a lump-sum distribution, under the mandatory cash-out provision, without their consent.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments include mutual funds issued by Nationwide. The mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Reported earnings on all investments are net of investment fees.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Investment expenses and commissions are paid by the Plan. Other administrative expenses and professional fees are typically paid by the Plan Sponsor.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through October 8, 2015, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

The Nationwide Financial Services, Inc., including its subsidiary Nationwide Trust Company, FSB, a division of Nationwide Bank, the custodian of the Plan, has provided a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2014 and 2013, the statement of changes in net assets available for benefits for the year ended December 31, 2014, and the supplemental schedule of assets (held at end of year) as of December 31, 2014.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2014 and 2013.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2014			
	Level 1	Level 2	Level 3	Total

Blend Funds	$ 159,610	$ -	$ -	$ 159,610

Value Funds	400,523	-	-	400,523
Total Investments at Fair Value	$ 2,459,354	$ -	$ -	$ 2,459,354

Mutual Funds

Mutual funds held by the Plan are valued at the daily closing price as reported by the fund and are open-ended mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 5 INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets available for benefits as of December 31:

	2014	2013
Oakmark Equity and Income II Fund	$ 551,217	$ 360,908

American Funds Growth Fund of America R3	160,880	137,127

*** Balance is less than 5% of total net assets available for benefits*

During 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) in mutual funds appreciated by $123,270.

NOTE 6 TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan with CODA. The current prototype plan obtained its determination letter dated March 31, 2008, in which the Internal Revenue Service (IRS) stated that the prototype plan, as then designated, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The prototype plan has been amended since receiving the determination letter, however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 7 RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Nationwide. Nationwide is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the administrative services amounted to $4,750 for the year ended December 31, 2014.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9 RECONCILIATIONS OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500
