CHILDREN'S DISCOVERY CENTER 401(K) PLAN

MANAGEMENT LETTER

YEAR ENDED DECEMBER 31, 2014

Trustees of the Plan
Children's Discovery Center 401(k) Plan
6450 Weatherfield Ct. Suite 3
Maumee, Ohio 43537

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Children's Discovery Center 401(k) Plan (the Plan) as of and for the year ended December 31, 2014, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

During our audit, we noted certain matters involving internal controls and operational matters that are presented for your consideration. These comments and recommendations, which have been discussed with the appropriate members of Plan management, are attached. Matters with an (*) asterisk were also reported to management in connection with our 2013 audit and are generally still applicable. This letter does not affect our report dated October 1, 2015 on the financial statements of the Plan.

This communication is intended solely for the information of and use of the Plan Administrator, the Plan Sponsor, the Department of Labor, and the Internal Revenue Service and is not intended to be and should not be used by anyone other than these specified parties.

Lump Sum Distributions to Terminated Participants (*)

We noted that distributions were not made, as required by the Plan document, for one terminated participant with a balance of less than \$1,000 and one terminated participant with a balance between \$1,000 and \$5,000.

Per the Plan document, participant balances of less than \$1,000 are subject to disbursement in a lump sum distribution upon termination of employment without participant consent. Terminated participant balances between \$1,000 and \$5,000 are to be disbursed to an individual retirement arrangement maintained by a provider as designated by the Plan Administrator if the participant does not make an election as to how the funds are to be distributed.

We recommend that the Plan administrator periodically review the balances of terminated participants and, for those who meet the above mentioned criteria, they be removed from the Plan, as required by the Plan document.

Enrollment Forms (*)

Participants electing not to participate in the Plan are not required to return the enrollment form. Requiring employees to return enrollment forms documents the employee's decision to not participate in the Plan.

We recommend that the Plan or its sponsor implement a formal procedure requiring all employees to return the Plan enrollment form. If the employee elects not to participate in the Plan, the election would be documented on the enrollment form.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Children's Discovery Center 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Nationwide Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2014 and 2013, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets Held for Investment Purposes at Year End for the year ended December 31, 2014, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CHILDREN'S DISCOVERY CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2014 and 2013

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Children's Discovery Center 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering all employees of Children's Discovery Center ("Company") who have completed 12 consecutive months of employment and have been credited with at least 1,000 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was effective as of January 1, 2009.

Contributions

Each year, participants may contribute a portion of their pre-tax annual compensation, as defined in the Plan agreement. The Company makes a matching contribution equal to 25% of the participant's deferral up to a maximum of 4% of the participant's compensation. Participants become eligible to receive the match after 12 months of employment with at least 1,000 hours of service. During 2014, the plan was amended to include safe harbor matching contributions effective January 1, 2015. The Company will make matching contributions equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. Profit sharing contributions are made at the discretion of Company management and only given to participants who are employed on the last day of the Plan year and have completed at least 1,000 hours of service during the Plan year. No profit sharing contributions were made in 2014 or 2013. All contributions are participant directed based on their existing fund allocation. All contributions are subject to compliance with the Internal Revenue Code regulations.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution and Plan earnings (losses) and charged with an allocation of Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The participants are 100% vested in the Company's matching contributions and the earnings thereon after five years of service. A participant is 100% vested in the profit sharing contributions plus actual earnings thereon after the fifth year of employment.

NOTE 1 - DESCRIPTION OF PLAN, Continued

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount permitted is \$1,000. The outstanding loan balance at December 31, 2014 and 2013 was \$1,130 and \$1,410, respectively. The loans are secured by the balance in the participants account. The loan interest rate is determined on a per loan basis as defined in the Plan document at 4.25%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, a participant may elect to remain in the Plan, receive a lump sum distribution equal to the participant's vested interest in his or her account, receive partial withdrawals or installments or roll their account into another plan.

Forfeited Accounts

Forfeitures, if any, may first be used to pay any administrative expenses. Any remaining forfeitures will be used to reduce any employer contribution. For the years ended December 31, 2014 and 2013, forfeited employer contributions totaled \$36 and \$54, respectively.

Plan Administrative Fees

Trustee fees are paid by the Plan and all other administrative fees are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS, CONTINUED
Years Ended December 31, 2014 and 2013

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as determined by the investment trustee of the Plan, Nationwide Trust Company.

Purchases and sales of securities are recorded on the settlement-date basis. However, differences between settlement-date and trade-date are immaterial. Interest and dividends are recorded on the accrual basis.

Plan participants may choose investments at their discretion from those offered by the Plan.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus accrued interest. No allowance for credit losses has been recorded as of December 31, 2014 and 2013. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service Regulations are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Information Certified by Trustee

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under this election, the Plan Administrator has obtained a certification from the trustee, Nationwide Trust Company, that the information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, no audit procedures have been performed with respect to information certified by the trustee.

Amounts included in the accompanying financial statements which are certified by the trustee are: Investments and Investment Income (Loss), Notes Receivable from Participants, and the information included in the supplemental Schedule of Assets Held for Investment Purposes at Year End.

Subsequent Events

Management has evaluated events and transactions from December 31, 2014 through October 1, 2015 for possible recognition or disclosure in these financial statements. This date is the date these financials were available to be issued. Management concluded there were no subsequent events requiring recognition or disclosure.

NOTE 3- FAIR VALUE MEASUREMENTS

The financial statements follow the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements*, which defines and establishes a single authoritative definition of fair value, sets a framework for measuring fair value and requires additional disclosures about fair value measurement.

In accordance with ASC 820-10, the Plan classifies its investments into Level 1, which refers to securities traded in an active market, Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available or Level 1 securities where there is a contractual restriction, and Level 3, which refers to securities not traded in an active market for which no significant observable market inputs are available. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Transfers between levels 1, 2 and 3 of the fair value hierarchy are recognized at the date the transfer is made. There were no transfers between levels in 2014 or 2013.

At December 31, 2014 and 2013 the Plan's investments were classified as follows based on fair values:

NOTE 5 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 - TAX STATUS

This Plan is a prototype non-standardized 401(k) profit-sharing plan of Nationwide Financial Services. Nationwide Financial Services has been informed by the Internal Revenue Service that this Plan is acceptable under Section 401 of the Internal Revenue Code and that a company that adopts this plan will be considered to have a plan qualified under Code Section 401(a) provided all terms of the Plan are followed.

The Company believes that the Plan is currently being operated in compliance with the applicable sections of the Internal Revenue Code and that the Plan and related trust are qualified and tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.
