### **Report on the Financial Statements**

We were engaged to audit the accompanying financial statements of Putnam Plastics Corporation 401(k) Plan, which comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2014, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2014, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2014 and for the year ended December 31, 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

**Basis of Accounting**

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and the supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to this matter.

**Other Matter**

The supplemental schedule of assets (held at end of year) (modified cash basis) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PUTNAM PLASTICS CORPORATION 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

1 Description of plan:

The following description of the Putnam Plastics Corporation 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Putnam Plastics Corporation ("Company") who have three months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company contributes 100% of the first 3% and 50% of the next 2% of compensation that a participant contributes to the Plan. The matching Company contribution is invested as directed by the employee. Additional profit sharing amounts may be contributed at the option of the Company's board of directors and are invested as directed by the employee. Contributions are subject to certain limitations.

Participant accounts:

Each participant's account is credited with the participant's and the Company's contributions, and the participant's earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are 100% vested immediately.

Participant loans:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at 3.25% which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

PUTNAM PLASTICS CORPORATION 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

1 Description of plan (continued):

Payment of benefits:

On termination of service, a participant may elect to withdraw any portion of the value of the participant's vested interest in his or her account. Participants may withdraw all or any of their vested account balance in the event of severe financial hardship or upon attainment of age 59 1/2.

2 Summary of significant accounting policies:

Date of management's review:

Subsequent events were evaluated through October 14, 2015 which is the date the financial statements were available to be issued.

Estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting:

The accompanying financial statements have been prepared on the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. That basis differs from generally accepted accounting principles primarily because the Plan has not recognized accounts receivable, accruals and accounts payable and their related effects on net assets available for benefits in the accompanying financial statements.

Notes receivable from participants:

Loans to participants are reported at their unpaid principal balances. Interest income is recognized when received. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

PUTNAM PLASTICS CORPORATION 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

2 Summary of significant accounting policies (continued):

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income are recorded on the cash basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Operating expenses:

All expenses of maintaining the Plan are paid by the Company.

3 Information prepared and certified by trustee (unaudited):

The following information included in the accompanying financial statements and the supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

|                                                                | 2014      |
|----------------------------------------------------------------|-----------|
| Cash                                                           | 32,669    |
| Participant-directed investments, at fair value                | 4,580,226 |
| Interest and dividend income                                   | 270,296   |
| Net depreciation in fair value of investments                  | (43,631)  |
| Schedule of assets (held at end of year) (modified cash basis) |           |

4 Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PUTNAM PLASTICS CORPORATION 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

4 Fair Value Measurements (continued):

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

As of December 31, 2014 all investments were participant-directed mutual funds. The quoted prices in active markets for identical assets (Level 1) were used as the fair value measurement at the reporting dates.

5 Investments:

The following presents investments that represent 5% or more of the Plan's net assets.

|                                 | <u>2014</u> |
|---------------------------------|-------------|
| Fidelity Advisor Freedom 2015A  | 326,239     |
| Fidelity Advisor Freedom 2020A  | 835,086     |
| Fidelity Advisor Freedom 2025A  | 303,895     |
| Fidelity Advisor Freedom 2030A  | 582,862     |
| Fidelity Advisor Freedom 2045A  | 309,451     |
| Fidelity Advisor Lev Co Stock A | 397,975     |

During 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$43,631. The Plan's investments consisted of only participant directed mutual funds.

6 Net assets transferred in:

As of January 1, 2014, Putnam Plastics Corporation established its own 401(k) Plan. This was due to a split-off agreement executed whereas Putnam Plastics Corporation is no longer a subsidiary of Polymedex Discovery Group, Inc. The assets that were previously included in the Polymedex Discovery Group 401(k) Plan were transferred into this newly established plan.

PUTNAM PLASTICS CORPORATION 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

7 Related party transactions:

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$2,685 for the year ended December 31, 2014.

8 Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9 Tax status:

The Plan has not requested a determination letter from the Internal Revenue Service. The Plan has adopted a pre-approved prototype plan dated March 31, 2014 and relies on the opinion letter received on the prototype document and not on its own individual determination letter. The Plan administrator believes that the plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

The 2014 filing of form 5500 is the first tax filing for this Plan. The Plan's tax filings are subject to examination by the appropriate tax jurisdictions and generally remain open for three years.

10 Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2014 and for the year ended December 31, 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

**Basis of Accounting**

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and the supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to this matter.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PUTNAM PLASTICS CORPORATION 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

1 Description of plan:

The following description of the Putnam Plastics Corporation 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Putnam Plastics Corporation ("Company") who have three months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company contributes 100% of the first 3% and 50% of the next 2% of compensation that a participant contributes to the Plan. The matching Company contribution is invested as directed by the employee. Additional profit sharing amounts may be contributed at the option of the Company's board of directors and are invested as directed by the employee. Contributions are subject to certain limitations.

Participant accounts:

Each participant's account is credited with the participant's and the Company's contributions, and the participant's earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are 100% vested immediately.

Participant loans:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at 3.25% which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

1 Description of plan (continued):

Payment of benefits:

On termination of service, a participant may elect to withdraw any portion of the value of the participant's vested interest in his or her account. Participants may withdraw all or any of their vested account balance in the event of severe financial hardship or upon attainment of age 59 1/2.

2 Summary of significant accounting policies:

Date of management's review:

Subsequent events were evaluated through October 14, 2015 which is the date the financial statements were available to be issued.

Estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting:

The accompanying financial statements have been prepared on the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. That basis differs from generally accepted accounting principles primarily because the Plan has not recognized accounts receivable, accruals and accounts payable and their related effects on net assets available for benefits in the accompanying financial statements.

Notes receivable from participants:

Loans to participants are reported at their unpaid principal balances. Interest income is recognized when received. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

2 Summary of significant accounting policies (continued):

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income are recorded on the cash basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Operating expenses:

All expenses of maintaining the Plan are paid by the Company.

3 Information prepared and certified by trustee (unaudited):

The following information included in the accompanying financial statements and the supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

|                                                                | 2014      |
|----------------------------------------------------------------|-----------|
| Cash                                                           | 32,669    |
| Participant-directed investments, at fair value                | 4,580,226 |
| Interest and dividend income                                   | 270,296   |
| Net depreciation in fair value of investments                  | (43,631)  |
| Schedule of assets (held at end of year) (modified cash basis) |           |

4 Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PUTNAM PLASTICS CORPORATION 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

4 Fair Value Measurements (continued):

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

As of December 31, 2014 all investments were participant-directed mutual funds. The quoted prices in active markets for identical assets (Level 1) were used as the fair value measurement at the reporting dates.

5 Investments:

The following presents investments that represent 5% or more of the Plan's net assets.

|                                 | <u>2014</u> |
|---------------------------------|-------------|
| Fidelity Advisor Freedom 2015A  | 326,239     |
| Fidelity Advisor Freedom 2020A  | 835,086     |
| Fidelity Advisor Freedom 2025A  | 303,895     |
| Fidelity Advisor Freedom 2030A  | 582,862     |
| Fidelity Advisor Freedom 2045A  | 309,451     |
| Fidelity Advisor Lev Co Stock A | 397,975     |

During 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$43,631. The Plan's investments consisted of only participant directed mutual funds.

6 Net assets transferred in:

As of January 1, 2014, Putnam Plastics Corporation established its own 401(k) Plan. This was due to a split-off agreement executed whereas Putnam Plastics Corporation is no longer a subsidiary of Polymedex Discovery Group, Inc. The assets that were previously included in the Polymedex Discovery Group 401(k) Plan were transferred into this newly established plan.

PUTNAM PLASTICS CORPORATION 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

(See independent auditors' report)

7 Related party transactions:

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$2,685 for the year ended December 31, 2014.

8 Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9 Tax status:

The Plan has not requested a determination letter from the Internal Revenue Service. The Plan has adopted a pre-approved prototype plan dated March 31, 2014 and relies on the opinion letter received on the prototype document and not on its own individual determination letter. The Plan administrator believes that the plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

The 2014 filing of form 5500 is the first tax filing for this Plan. The Plan's tax filings are subject to examination by the appropriate tax jurisdictions and generally remain open for three years.

10 Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
